

**SECOND ENGROSSMENT
with House Amendments
REENGROSSED SENATE BILL NO. 2063**

Introduced by

Transportation Committee

(At the request of the Department of Transportation)

1 A BILL for an Act to create and enact section 24-02-45.4 of the North Dakota Century Code,
2 relating to reimbursable federal electric vehicle infrastructure grants; and to provide for a
3 legislative management report.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1.** Section 24-02-45.4 of the North Dakota Century Code is created and enacted
6 as follows:

7 **24-02-45.4. Reimbursable federal electric vehicle infrastructure grants - Agreements**
8 **with public or private entities for the administration of federal aid programs - Report.**

- 9 1. Notwithstanding any other provision of law but subject to legislative appropriation, the
10 director may enter agreements and may accept any federal or other public or private
11 funds for the administration of reimbursable electric vehicle charging grant programs.
12 The director may enter an agreement with any person for the administration, approval,
13 and inspection of a project to be constructed by a public or private entity. The cost-
14 share for any project may consist only of federal, public, political subdivision, or private
15 funding. Any federal formula funding for reimbursement grants must be at least ten
16 percent of the cost-share for a project, but may not exceed eighty percent. The
17 director may establish criteria for the grants and determine a reasonable grant
18 reimbursement cost-share or limit for the project in accordance with federal aid
19 provisions.
- 20 2. In accordance with the federal formula program, the director shall establish criteria for
21 the consideration of operation and maintenance costs of the electric charging stations
22 in the grant award.

- 1 3. Before July 1, 2024, the department of transportation shall present a report to the
- 2 legislative management regarding an update on the deployment and administration of
- 3 electric vehicle charging stations.
