4       **SECTION 2. AMENDMENT.** Section 43-20-03 of the North Dakota Century Code is  
5 amended and reenacted as follows:

6       **43-20-03. Dental hygienists - Practice by.**

7       As used in this chapter, "dental hygiene" and the practice thereof means the removal of  
8 accumulated matter from the natural and restored surfaces of teeth and from restorations in the  
9 human mouth, the polishing of such surfaces, and the topical application of drugs to the surface  
10 tissues of the mouth and to the surface of teeth if such acts are performed under the direct,  
11 indirect, or general supervision of a licensed dentist. General supervision may be used if the  
12 procedures are authorized in advance by the supervising dentist, except procedures which may  
13 only be used under indirect or direct supervision as established by the board by rule.

14       Only a person licensed as a dental hygienist may be referred to as a dental hygienist.  
15 Additional tasks permitted to be performed by licensed dental hygienists may be outlined by the  
16 board of dental examiners by appropriate rules.

17       **SECTION 3. AMENDMENT.** Section 43-20-12.3 of the North Dakota Century Code is  
18 amended and reenacted as follows:

19       **43-20-12.3. Supervised administration of anesthesia - Board rules.**

20       A licensed dentist may delegate to a dental hygienist licensed by the board the  
21 administration of block and infiltration anesthesia ~~to a patient who is at least eighteen years old.~~  
22 The dental hygienist must be under the ~~direct~~indirect supervision of a dentist and the dental  
23 hygienist must complete the educational requirements as required by the commission on dental  
24 accreditation and approved by the board. The board shall adopt rules to implement this section.

- 7 3. The applicant met any requirement for registration established by the board by rule.

8 **SECTION 5. AMENDMENT.** Section 43-28-03 of the North Dakota Century Code is  
9 amended and reenacted as follows:

10 **43-28-03. State board of dental examiners - Members - Appointment - Terms of office -**  
11 **Oath - Vacancies.**

12 The state board of dental examiners consists of seven members appointed by the governor.  
13 The membership of the board must include five dentist members, one dental hygienist member,  
14 and one consumer member. Appointment to the board is for a term of five years, with terms of  
15 office arranged so that one term expires on March sixteenth of each year, except that each fifth  
16 year there must be two new board members appointed, one of whom is a dentist and the other  
17 a dental hygienist and two years later two new board members must be appointed, one of  
18 whom is a dentist, and one of whom is a consumer member. ~~The first five-year term of the~~  
19 ~~consumer member commences on July 1, 1993, and continues through March 15, 1998.~~ Each  
20 member of the board shall hold office until a successor is appointed and qualified. Persons  
21 appointed to the board shall qualify by taking the oath required of civil officers. No member may  
22 serve more than ten years or two 5-year terms of office. If the terms of more than two board  
23 members expire in the same year, notwithstanding term limitations, the governor may extend for  
24 no more than two years the terms of one or more of those board members in order to comply  
25 with this section. If a member of the board is absent from two consecutive regular meetings, the  
26 board may declare a vacancy to exist. All vacancies on the board must be filled by the governor  
27 by appointment.

29 amended and reenacted as follows:

1           **43-28-15. Licensure by credential review.**

2           The board may issue a license and certificate of registration to practice dentistry in this  
3 state to an applicant who meets all of the following requirements:

- 4           1.    The applicant, ~~for at least~~within the five years immediately preceding application, has  
5            been licensed in good standing and has been actively ~~practicing~~engaged in the  
6            practice of dentistry in another jurisdiction where the requirements are at least  
7            substantially equivalent to those of this state.
- 8           2.    Grounds for denial of the application under section 43-28-18 do not exist.
- 9           3.    The applicant pays to the board the fee determined by the board by rule.
- 10          4.    The applicant delivers to the board a certificate from the examining or licensing board  
11           of every jurisdiction in which the individual is practicing or is licensed to practice,  
12           certifying that the individual is a licensed and registered dentist in good standing in  
13           that jurisdiction.
- 14          5.    The applicant passes a written examination on the laws and rules governing the  
15           practice of dentistry in this state administered by the board at a meeting.
- 16          6.    The applicant meets any requirement for licensure established by the board by rule.

17           **SECTION 7. AMENDMENT.** Section 43-28-18.1 of the North Dakota Century Code is  
18 amended and reenacted as follows:

19           **43-28-18.1. Duty to report.**

- 20          1.    A dentist shall report to the board in writing within sixty days of the event any illegal,  
21           unethical, or errant behavior or conduct of the dentist, including the following events,  
22           proceedings, or formal or informal actions:
  - 23           a.    A dental malpractice judgment or malpractice settlement or a final judgment by a  
24            court in favor of any party and against the licensee.
  - 25           b.    A final disposition regarding the surrender of a license, or adverse action taken  
26            against a license by a licensing agency in another state, territory, or country; a  
27            governmental agency; a law enforcement agency; or a court for an act or conduct  
28            that would constitute grounds for discipline under this chapter.
  - 29           c.    A mortality or other incident occurring in an outpatient facility of the dentist which  
30            results in temporary or permanent physical or mental injury requiring  
31            hospitalization of the patient during or as a direct result of a dental procedure or

1 related use of general anesthesia, deep sedation, conscious sedation with a  
2 parenteral drug, or enteral sedation.

3 d. Actions based on professional conduct or competence resulting in the revocation,  
4 suspension, temporary suspension, restriction, reduction, or voluntary surrender  
5 or withdrawal of clinical or hospital privileges.

6 2. A dentist shall advise the board in a timely manner if the dentist reasonably believes  
7 another dentist has committed an illegal or immoral act or has otherwise failed to  
8 make a report as required under subsection 1.

9 **SECTION 8. AMENDMENT.** Section 43-28-18.2 of the North Dakota Century Code is  
10 amended and reenacted as follows:

11 **43-28-18.2. Disciplinary procedure.**

12 1. A person may file a written and signed complaint with the board alleging a dentist  
13 engaged in conduct identified as grounds for disciplinary action under section  
14 43-28-18. The board or board president may also initiate a complaint and investigation  
15 on the board's motion.

16 2. The board or board president may direct a complaint committee to investigate a  
17 complaint and recommend whether the board should initiate a disciplinary action  
18 against the dentist.

19 3. The board or complaint committee shall notify the dentist of the complaint, and require  
20 a written response from the dentist. The board or complaint committee may examine  
21 and copy records, including patient records, examine witnesses, obtain expert  
22 opinions, require the dentist to be physically or mentally examined, or both, by  
23 qualified professionals selected by the board, and take any other action necessary to  
24 investigate the complaint. A request by the board or complaint committee is authorized  
25 to disclose patient information and records to the board or complaint committee.  
26 Patient information and records disclosed to the board or complaint committee are  
27 confidential. The dentist shall cooperate with the board or the complaint committee in  
28 the investigation, including responding promptly and completely to a request or  
29 requirement.

- 1       4.   The complaint, response, and any record received by the board in investigating the  
2           complaint are exempt records, as defined in section 44-04-17.1, until the board  
3           determines to proceed with a disciplinary action.
- 4       5.   The board shall determine if there is a reasonable basis to believe the dentist engaged  
5           in conduct identified as grounds for disciplinary action under section 43-28-18. If the  
6           board determines there is not a reasonable basis to believe, the board shall notify the  
7           complainant and the dentist. If the board determines there is a reasonable basis to  
8           believe, the board shall proceed with a disciplinary action in accordance with chapter  
9           28-32.
- 10      6.   The board, at any time, may offer or accept a proposal for informal resolution of the  
11           complaint or disciplinary action.
- 12      7.   The board may impose a fee on the dentist for all or part of the costs of an action  
13           resulting in discipline, including administrative costs, investigation costs, attorney's  
14           fees, witness fees, the cost of the office of administrative hearings' services, and court  
15           costs.

16       **SECTION 9. AMENDMENT.** Section 43-28-25 of the North Dakota Century Code is  
17   amended and reenacted as follows:

18       **43-28-25. Unlawful acts - Penalty.**

19       It is a class A misdemeanor:

- 20      1.   For any unlicensed person to construct, alter, repair, or duplicate any denture, partial  
21           denture, bridge, splint, or orthodontic or prosthetic appliance, except as provided by  
22           rule adopted by the board.
- 23      2.   For any person:
  - 24       a.   To falsely claim or pretend to be a graduate from any dental college or the holder  
25           of any diploma or degree from such college;
  - 26       b.   To practice any fraud and deceit either in obtaining a license or a certificate of  
27           registration;
  - 28       c.   To falsely claim or pretend to have or hold a license or certificate of registration  
29           from the board to practice dentistry; or
  - 30       d.   To practice dentistry in this state without a license and certificate of registration.

1           3. For any person, except a dentist, to own more than forty-nine percent of an office  
2           practice or business at which the practice of dentistry is performed. This provision  
3           does not apply to a board-approved medical clinic, hospital, or public health setting  
4           with which a dentist is associated; a board-approved nonprofit organization created to  
5           serve the dental needs of an underserved population; or the heir or personal  
6           representative of a deceased dentist. The board may inspect and approve a medical  
7           clinic, hospital, public health setting, or nonprofit organization at which the practice of  
8           dentistry is performed. The heir or personal representative ~~may~~shall appoint a dentist  
9           to operate an office under the name of the deceased dentist for a period of not longer  
10          than two years from the date of the dentist's death.

11          The board may institute a civil action for an injunction prohibiting violations of this section  
12          without proof that anyone suffered actual damages.

13          **SECTION 10.** Section 43-28-25.1 of the North Dakota Century Code is created and enacted  
14          as follows:

15          **43-28-25.1. Ownership and operation of a dental office or clinic.**

- 16          1. Any individual or organization that owns or operates a dental office or clinic at which  
17          the practice of dentistry takes place shall designate a dentist or dentists as the dental  
18          director or directors of the dental office or clinic. The dental director is responsible for  
19          the clinical practice of dentistry at the dental office or clinic, including:
- 20          a. The overall quality of patient care rendered or performed in the clinical practice of  
21          dentistry;
  - 22          b. The supervision of dental hygienists, dental assistants, and other personnel  
23          involved in direct patient care and the authorization of procedures performed by  
24          the dental hygienists, dental assistants, and other personnel in accordance with  
25          the standards of supervision established by law or rule;
  - 26          c. The retention of patient dental records as required by law and the rules adopted  
27          by the board;
  - 28          d. To ensure each patient receiving services from the dental office or clinic has a  
29          dentist of record; and
  - 30          e. The maintenance of current records of the names of the dentists who supervise  
31          the clinical activities of dental hygienists, dental assistants, or other personnel

- 1                    involved in direct patient care. The records must be available to the board upon  
2                    written request.
- 3            2. The provisions of this section do not apply to a board-approved medical clinic,  
4                    hospital, or public health setting with which a dentist is associated; or a board-  
5                    approved nonprofit organization created to serve the dental needs of an underserved  
6                    population.
