18 ~~as a seller which anticipates making no sales into the state or states if it has not had~~  
19 ~~sales into the state or states for the preceding twelve months. This election does not~~  
20 ~~relieve the seller of its agreement under section 401(B) to collect taxes on all sales~~  
21 ~~into the states or its liability for remitting to the proper states any taxes~~  
22 ~~collected~~certified service provider may require a seller registering under the  
23 agreement to register in all of the full-member states as a condition of receiving  
24 certified service provider services.
- 25 3. The member states agree not to require the payment of any registration fees or other  
26 charges for a seller ~~to register~~registering through the central registration system in a  
27 state in which the seller has no legal requirement to register.
- 28 4. A written signature from the seller is not required.
- 29 5. An agent may register a seller under uniform procedures adopted by the member  
30 states.

- 1           6. A seller may cancel its registration under the system at any time under uniform  
2           procedures adopted by the governing board. Cancellation does not relieve the seller of  
3           its liability for remitting to the proper states any taxes collected.
- 4           7. Nothing in this section shall be construed to relieve a seller of any legal obligation it  
5           may have under a state's laws to register in that state or its obligation to collect and  
6           remit taxes for at least thirty-six months in a state and meet all other requirements for  
7           amnesty set out in section 402 of the agreement in order to be eligible for amnesty in

- 9           8. Whenever a state joins the agreement, sellers already registered under the agreement  
10          shall be registered in the new notified by the governing board and the sellers may elect

23          member~~affected~~ states utilizing the system. The governing board shall establish  
24          conditions and procedures to allow states which are not members of the agreement to  
25          participate in the registration system.

26           **SECTION 10. AMENDMENT.** Subsections 6 and 7 of section 57-39.4-06 of the North  
27   Dakota Century Code are amended and reenacted as follows:

- 28           6. Provide and maintain a database that assigns the proper tax rates and jurisdictions to  
29           each five-digit and nine-digit zip code within a member state ~~to the proper tax rates~~  
30           ~~and jurisdictions~~. The state must apply the lowest combined tax rate imposed in the  
31           zip code area if the area includes more than one tax rate in any level of taxing

1 jurisdictions. If a nine-digit zip code designation is not available for a street address or  
2 if a seller or certified service provider is unable to determine the nine-digit zip code  
3 designation applicable to a ~~purchase~~transaction after exercising due diligence to  
4 determine the designation, the seller or certified service provider may apply the rate  
5 for the five-digit zip code area. For the purposes of this section, there is a rebuttable  
6 presumption that a seller or certified service provider has exercised due diligence if the  
7 seller has attempted to determine the ~~nine-digit zip code designation~~tax rate and  
8 jurisdiction by ~~utilizing~~using software approved by the governing board that makes this  
9 ~~designation~~assignment from the street address and the ~~five-digit zip code~~ information  
10 applicable to a ~~purchase~~the transaction.

- 11 7. Have the option of providing address-based boundary database records for assigning  
12 taxing jurisdictions and their associated rates which shall be in addition to the

14 format as the database records under subsection 6 and must meet the requirements  
15 developed pursuant to the federal Mobile Telecommunications Sourcing Act [4 U.S.C.  
16 119(a)]. The governing board may allow a member state to require sellers that register  
17 under this agreement to use an address-based database provided by that member  
18 state. If any member state develops address-based assignment database records  
19 pursuant to the agreement, a seller or certified service provider may use those  
20 database records in place of the five-digit and nine-digit zip code database records  
21 provided for in subsection 6. If a seller or certified service provider is unable to  
22 determine the applicable rate and jurisdiction using an address-based database record  
23 after exercising due diligence, the seller or certified service provider may apply the  
24 nine-digit zip code designation applicable to a ~~purchase~~transaction. If a nine-digit zip  
25 code designation is not available for a street address or if a seller or certified service  
26 provider is unable to determine the nine-digit zip code designation applicable to a  
27 ~~purchase~~transaction after exercising due diligence to determine the designation, the  
28 seller or certified service provider may apply the rate for the five-digit zip code area.  
29 For the purposes of this section, there is a rebuttable presumption that a seller or  
30 certified service provider has exercised due diligence if the seller or certified service  
31 provider has attempted to determine the tax rate and jurisdiction by ~~utilizing~~using

1 software approved by the governing board that makes this assignment from the  
2 address and zip code information applicable to the purchase transaction.

3 **SECTION 11. AMENDMENT.** Section 57-39.4-19 of the North Dakota Century Code is

27 information from a model 4 seller which has no legal requirement to register in  
28 the state.
- 29 c. Returns shall be required as follows:

4 the SER each month for each member state in which the model 1 seller is  
5 registered under the agreement. A state shall allow a model 1 seller to file  
6 both part 1 and part 2 of the SER. A model 1 seller which chooses to file
