14 transmitting ballots and balloting materials to voters, the official shall transmit them to

21 the voter completes the ballot. A military-overseas ballot must be received by the appropriate
22 election official before the canvassing board meeting.

23 **SECTION 10.** A new section to chapter 16.1-07 of the North Dakota Century Code is

5 has affirmed under penalty of perjury under section 12 of this Act that the ballot was
6 timely submitted, the ballot may not be rejected on the basis that it has a late

9 created and enacted as follows:

10 **Declaration.**

11 Each military-overseas ballot must include or be accompanied by a declaration signed by
12 the voter declaring that a material misstatement of fact in completing the document may be
13 grounds for a conviction of perjury under the laws of the United States or this state.

14 **SECTION 13.** A new section to chapter 16.1-07 of the North Dakota Century Code is
15 created and enacted as follows:

16 **Confirmation of receipt of application and voted ballot.**

17 The secretary of state, in coordination with local election officials, shall implement an
18 electronic free-access system by which a covered voter may determine by telephone, electronic
19 mail, or internet access whether:

21 2. The voter's military-overseas ballot has been received and the current status of the
22 ballot.

23 **SECTION 14.** A new section to chapter 16.1-07 of the North Dakota Century Code is
24 created and enacted as follows:

25 **Use of voter's electronic mail address.**

- 26 1. A covered voter who provides an electronic mail address to a local election official may
27 request that the voter's application for a military-overseas ballot be considered a
28 standing request for electronic delivery of a ballot for all elections held through
29 December thirty-first of the year following the calendar year of the date of the
30 application or another shorter period the voter specifies. An election official shall
31 provide a military-overseas ballot to a voter who makes a request for each election to

1 which the request is applicable. A covered voter entitled to receive a military-overseas
2 ballot for a primary election under this subsection also is entitled to receive a
3 military-overseas ballot for the general election.

4 2. An electronic mail address provided by a covered voter is a confidential record. An
5 election official may use the address only to communicate with the voter about the
6 voting process, including transmitting military-overseas ballots and election materials if
7 the voter has requested electronic transmission, and verifying the voter's mailing
8 address and physical location, as needed.

9 **SECTION 15.** A new section to chapter 16.1-07 of the North Dakota Century Code is
10 created and enacted as follows:

11 **Publication of election notice.**

14 special election, the secretary of state and each local election official charged with
15 printing and distributing ballots and balloting materials for that election shall prepare
16 an election notice, to be used in conjunction with the federal write-in absentee ballot
17 described in section 10 of this Act. The election notice must contain a list of all of the
18 ballot measures and federal, state, and local offices that as of that date the secretary
19 of state and the local election official expect to be on the ballot on the date of the
20 election. The notice also must contain specific instructions for how a voter is to
21 indicate on the federal write-in absentee ballot the voter's choice for each office to be
22 filled and for each ballot measure to be contested.

23 2. A covered voter may request a copy of an election notice. The officials charged with
24 preparing the election notice shall send the notice to the voter by facsimile, electronic
25 mail, or regular mail, as the voter requests if the voter is not able to obtain that same
26 notice from the secretary of state's website.

27 3. At least fifty-five days before an election, the officials charged with preparing the
28 election notice shall update the notice with the certified candidates for each office and
29 ballot measure questions and make the updated notice publicly available.

30 4. A local election official who maintains an internet website shall make updated versions
31 of its election notices regularly available on the website.

2 created and enacted as follows:

3 **Prohibition of nonessential requirements.**

- 4 1. If a voter's mistake or omission in the completion of a document under sections 3
5 through 18 of this Act does not prevent determining whether a covered voter is eligible
6 to vote, the mistake or omission does not invalidate the document. Failure to satisfy a
7 nonessential requirement, such as using paper or envelopes of a specified size or
8 weight, does not invalidate a document submitted under this chapter. In any write-in
9 ballot authorized by law, if the intention of the voter is discernable, as provided under
10 the Help America Vote Act [42 U.S.C. 15481(a)(6)], an abbreviation, misspelling, or
11 other minor variation in the form of the name of a candidate or a political party must be
12 accepted as a valid vote.
- 13 2. Notarization is not required for the execution of a document under sections 3 through
14 18 of this Act. An authentication, other than the declaration specified in section 12 of
15 this Act or the declaration on the federal postcard application and federal write-in
16 absentee ballot, is not required for execution of a document under sections 3 through
17 18 of this Act. The declaration and any information in the declaration may be
18 compared against information on file to ascertain the validity of the document.

19 **SECTION 17.** A new section to chapter 16.1-07 of the North Dakota Century Code is
20 created and enacted as follows:

21 **Issuance of injunction or other equitable relief.**

25 2. An election official in this state.

26 **SECTION 18.** A new section to chapter 16.1-07 of the North Dakota Century Code is
27 created and enacted as follows:

29 Sections 3 through 18 of this Act modify, limit, and supersede the Electronic Signatures in
30 Global and National Commerce Act [15 U.S.C. 7001 et seq.] but do not modify, limit, or

1 supersede section 101(c) of that Act [15 U.S.C. 7001(c)] or authorized electronic delivery of any
2 of the notices described in section 103(b) of that Act [15 U.S.C. 7003(b)].
