The secretary of state shall ensure that a form for the execution of the declaration, including an indication of the date of execution of the declaration, is a prominent part of all balloting materials for which the declaration is required.

**SECTION 6.** A new section to chapter 16.1-07 of the North Dakota Century Code is created and enacted as follows:

**Methods of applying for military-overseas ballot.**

1. A covered voter may apply for a military-overseas ballot using either the absentee ballot application under this chapter or the federal postcard application, as prescribed under the Uniformed and Overseas Citizens Absentee Voting Act [42 U.S.C. 1973ff(b)(2)] or the application's electronic equivalent if approved under guidelines established by the secretary of state.

2. The secretary of state shall ensure that the electronic transmission system described in section 5 of this Act is capable of accepting the submission of both a federal postcard application and any other approved electronic military-overseas ballot application sent to the appropriate election official. The voter may use the electronic transmission system or any other method approved under guidelines established by the secretary of state to apply for a military-overseas ballot.
3. A covered voter may use the declaration accompanying the federal write-in absentee ballot, as prescribed under the Uniformed and Overseas Citizens Absentee Voting Act [42 U.S.C. 1973ff-2] as an application for a military-overseas ballot simultaneously with the submission of the federal write-in absentee ballot, if the declaration is received by the appropriate election official by midnight on the day before the election.
4. To receive the benefits of sections 3 through 18 of this Act, a covered voter must inform the appropriate election official that the voter is a covered voter. Methods of informing the appropriate election official that a voter is a covered voter include:

**SECTION 8.** A new section to chapter 16.1-07 of the North Dakota Century Code is created and enacted as follows:

**Transmission of unvoted ballots.**

1. For all covered elections for which this state has not received a waiver under the Military and Overseas Voter Empowerment Act [42 U.S.C. 1973ff-1(g)(2)] not later than forty-five days before the election or, if the forty-fifth day before the election is a weekend or holiday, not later than the business day preceding the forty-fifth day, the appropriate election official shall transmit ballots and balloting materials to all covered voters who by that date submit a valid military-overseas ballot application.
2. A covered voter who requests a ballot and balloting materials be sent to the voter by electronic transmission may choose facsimile transmission, electronic mail, or other electronic delivery approved by the secretary of state. The election official charged with distributing a ballot and balloting materials shall transmit the ballot and balloting materials to the voter using the means of transmission chosen by the voter.
3. If a ballot application from a covered voter arrives after the election official begins transmitting ballots and balloting materials to voters, the official shall transmit them to the voter not later than two business days after the application arrives.

**SECTION 9.** A new section to chapter 16.1-07 of the North Dakota Century Code is created and enacted as follows:

**Timely casting of ballot.**

To be valid, a military-overseas ballot must be submitted for mailing or other authorized means of delivery not later than 11:59 p.m. on the day before the election at the place where the voter completes the ballot. A military-overseas ballot must be received by the appropriate election official before the canvassing board meeting.

**SECTION 10.** A new section to chapter 16.1-07 of the North Dakota Century Code is created and enacted as follows:

**Federal write-in absentee ballot.**

A covered voter may use the federal write-in absentee ballot, in accordance with the Uniformed and Overseas Citizens Absentee Voting Act [42 U.S.C. 1973ff-2], to vote for all offices and ballot measures in a covered election.

**SECTION 11.** A new section to chapter 16.1-07 of the North Dakota Century Code is created and enacted as follows:

**Receipt of voted ballot.**

1. A valid military-overseas ballot cast in accordance with section 9 of this Act must be counted if it is delivered before the canvassing board meets to canvas the returns.
2. If, at the time of completing a military-overseas ballot and balloting materials, the voter has affirmed under penalty of perjury under section 12 of this Act that the ballot was timely submitted, the ballot may not be rejected on the basis that it has a late postmark, an unreadable postmark, or no postmark.

**SECTION 12.** A new section to chapter 16.1-07 of the North Dakota Century Code is created and enacted as follows:

**Declaration.**

Each military-overseas ballot must include or be accompanied by a declaration signed by the voter declaring that a material misstatement of fact in completing the document may be grounds for a conviction of perjury under the laws of the United States or this state.

**SECTION 13.** A new section to chapter 16.1-07 of the North Dakota Century Code is created and enacted as follows:

**Confirmation of receipt of application and voted ballot.**

The secretary of state, in coordination with local election officials, shall implement an electronic free-access system by which a covered voter may determine by telephone, electronic mail, or internet access whether:

1. The voter's military-overseas ballot application has been received and accepted; and
2. The voter's military-overseas ballot has been received and the current status of the ballot.

**SECTION 14.** A new section to chapter 16.1-07 of the North Dakota Century Code is created and enacted as follows:

**Use of voter's electronic mail address.**

1. A covered voter who provides an electronic mail address to a local election official may request that the voter's application for a military-overseas ballot be considered a standing request for electronic delivery of a ballot for all elections held through December thirty-first of the year following the calendar year of the date of the application or another shorter period the

voter specifies. An election official shall provide a military-overseas ballot to a voter who makes a request for each election to which the request is applicable. A covered voter entitled to receive a military-overseas ballot for a primary election under this subsection also is entitled to receive a military-overseas ballot for the general election.

2. An electronic mail address provided by a covered voter is a confidential record. An election official may use the address only to communicate with the voter about the voting process, including transmitting military-overseas ballots and election materials if the voter has requested electronic transmission, and verifying the voter's mailing address and physical location, as needed.

**SECTION 15.** A new section to chapter 16.1-07 of the North Dakota Century Code is created and enacted as follows:

**Publication of election notice.**

1. Not later than one hundred days before a regularly scheduled election to which sections 3 through 18 of this Act apply, and as soon as practicable in the case of a special election, the secretary of state and each local election official charged with printing and distributing ballots and balloting materials for that election shall prepare an election notice, to be used in conjunction with the federal write-in absentee ballot described in section 10 of this Act. The election notice must contain a list of all of the ballot measures and federal, state, and local offices that as of that date the secretary of state and the local election official expect to be on the ballot on the date of the election. The notice also must contain specific instructions for how a voter is to indicate on the federal write-in absentee ballot the voter's choice for each office to be filled and for each ballot measure to be contested.
2. A covered voter may request a copy of an election notice. The officials charged with preparing the election notice shall send the notice to the voter by facsimile, electronic mail, or regular mail, as the voter requests if the voter is not able to obtain that same notice from the secretary of state's website.
3. At least fifty-five days before an election, the officials charged with preparing the election notice shall update the notice with the certified candidates for each office and ballot measure questions and make the updated notice publicly available.
4. A local election official who maintains an internet website shall make updated versions of its election notices regularly available on the website.

**SECTION 16.** A new section to chapter 16.1-07 of the North Dakota Century Code is created and enacted as follows:

**Prohibition of nonessential requirements.**

1. If a voter's mistake or omission in the completion of a document under sections 3 through 18 of this Act does not prevent determining whether a covered voter is eligible to vote, the mistake or omission does not invalidate the document. Failure to satisfy a nonessential requirement, such as using paper or envelopes of a specified size or weight, does not invalidate a document submitted under this chapter. In any write-in ballot authorized by law, if the intention of the voter is discernable, as provided under the Help America Vote Act [42 U.S.C. 15481(a)(6)], an abbreviation, misspelling, or other minor variation in the form of the name of a candidate or a political party must be accepted as a valid vote.
2. Notarization is not required for the execution of a document under sections 3 through 18 of this Act. An authentication, other than the declaration specified in section 12 of this Act or the declaration on the federal postcard application and federal write-in absentee ballot, is not required for execution of a document under sections 3 through 18 of this Act. The declaration

and any information in the declaration may be compared against information on file to ascertain the validity of the document.

**SECTION 17.** A new section to chapter 16.1-07 of the North Dakota Century Code is created and enacted as follows:

**Issuance of injunction or other equitable relief.**

A court may issue an injunction or grant other equitable relief appropriate to ensure substantial compliance with, or enforce, sections 3 through 18 of this Act on application by:

1. A covered voter alleging a grievance under sections 3 through 18 of this Act; or
2. An election official in this state.

**SECTION 18.** A new section to chapter 16.1-07 of the North Dakota Century Code is created and enacted as follows:

**Relation to Electronic Signatures in Global and National Commerce Act.**

Sections 3 through 18 of this Act modify, limit, and supersede the Electronic Signatures in Global and National Commerce Act [15 U.S.C. 7001 et seq.] but do not modify, limit, or supersede section 101(c) of that Act [15 U.S.C. 7001(c)] or authorized electronic delivery of any of the notices described in section 103(b) of that Act [15 U.S.C. 7003(b)].

**SECTION 19. REPEAL.** Sections 16.1-07-03 and 16.1-07-08.1 of the North Dakota Century Code are repealed.
