6 1. The state, a political subdivision, or other governmental entity may not infringe on the
7 fundamental right of a parent to direct the upbringing, education, health care, and
8 mental health of the parent's minor child without demonstrating the action is
9 reasonable and necessary to achieve a compelling state interest and the action is
10 narrowly tailored and is not otherwise served by less restrictive means.

11 2. Parental rights are reserved to the parent of a minor child without obstruction or
12 interference from the state, a political subdivision, or other governmental entity. The
13 rights of a parent of a minor child include the right to:

14 a. Direct the education and care of the minor child.

19 e. Make health care decisions for the minor child, unless otherwise prohibited by
20 law.

21 f. Access and review all medical records of the minor child, unless prohibited by
22 law or the parent is the subject of an investigation of a crime committed against

24 not be released.

25 g. Consent in writing before a biometric scan of the minor child is made, shared, or
26 stored.

27 h. Consent in writing before any record of the minor child's blood or

13 governmental entity suspects a criminal offense has been committed against the
14 minor child, unless the incident first has been reported to law enforcement or the
15 department of health and human services and notifying the parent would impede
16 the investigation.

18 a. Authorize a parent of a minor child to engage in unlawful conduct or to abuse or
19 neglect the minor child.
20 b. Condone, authorize, approve, or apply to a parental action or decision that would
21 end life.

30 information from the minor's parent may be subject to disciplinary action.

1 5. A parent of a minor child has inalienable rights that are more comprehensive than
2 those listed in this section, unless such rights have been legally waived or terminated.
3 This section does not prescribe all rights to a parent of a minor child. Unless required
4 by law, the rights of a parent of a minor child may not be limited or denied.

5 **SECTION 3.** A new section to chapter 15.1-09 of the North Dakota Century Code is created

22 the school district's comprehensive health education which relates to sex

- 24 within ten days, the parent may appeal the denial to the board of the school district.
- 25 The board shall place a parent's appeal on the agenda for the board's next public
