Representatives Devlin, Weisz

1 A concurrent resolution directing the Legislative Management to consider studying the  
2 implementation of the recommendations of the Human Services Research Institute's study of  
3 North Dakota's behavioral health system.

4 **WHEREAS**, in 2017-18, the Human Services Research Institute conducted a  
5 comprehensive study of North Dakota's behavioral health system for the Behavioral Health  
6 Division of the Department of Human Services; and

7 **WHEREAS**, a main objective of the study was to provide actionable recommendations for  
8 enhancing the comprehensiveness, integration, and cost-effectiveness of the state's behavioral  
9 health system to effectively meet the needs of the community; and

10 **WHEREAS**, in conducting the study, the Human Services Research Institute conducted  
11 focus groups, community listening sessions, and interviews around the state; and

12 **WHEREAS**, in April 2018, the Human Services Research Institute issued its final report  
13 detailing its findings from the study; and

14 **WHEREAS**, the Human Services Research Institute's behavioral health analysis identified  
15 13 categories and 65 specific recommendations to direct future behavioral health public policy  
16 and services;

17 **NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF NORTH DAKOTA, THE**  
18 **HOUSE OF REPRESENTATIVES CONCURRING THEREIN:**

19 That the Legislative Management consider studying the implementation of the  
20 recommendations of the Human Services Research Institute's study of North Dakota's  
21 behavioral health system; and

22 **BE IT FURTHER RESOLVED**, that in conducting the study, the legislative management  
23 receive regular updates on each of the major recommendation areas from the report; identify  
24 the availability, access, and delivery of behavioral health services; seek input from stakeholders,  
25 including law enforcement, social and clinical service providers, medical providers, mental
