Introducer's Statement of Intent

LB355

Committee: Banking, Commerce and Insurance

Date of Hearing: March 13, 2023

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB355 would increase the required amount of underinsured and uninsured motorist coverage that a Transportation Network Company, or TNC, carries to \$1 million during the engaged stage and the passengers on board stage of a transaction.
