The proposed budget statement shall be made available to the public by the political subdivision prior to publication of the notice of the hearing on the proposed budget statement pursuant to section 13-506. A proposed budget statement shall contain the following information, except as provided by state law:

(a) For the immediately preceding fiscal year or biennial period, the revenue from all sources, including motor vehicle taxes, other than revenue received from personal and real property taxation, allocated to the funds and separately stated as to each such source: The unencumbered cash balance at the beginning and end of the year or biennial period; the amount received by taxation of personal and real property; and the amount of actual expenditures;

(b) For the current fiscal year or biennial period, actual and estimated revenue from all sources, including motor vehicle taxes, allocated to the funds and separately stated as to each such source: The actual unencumbered cash balance available at the beginning of the year or biennial period; the amount received from personal and real property taxation; and the amount of actual and estimated expenditures, whichever is applicable. Such statement shall contain the cash reserve for each fiscal year or biennial period and shall note whether or not such reserve is encumbered. Such cash reserve projections shall be based upon the actual experience of prior years or biennial periods. The cash reserve shall not exceed fifty percent of the total budget adopted exclusive of capital outlay items;

(c) For the immediately ensuing fiscal year or biennial period, an estimate of revenue from all sources, including motor vehicle taxes, other than revenue to be received from taxation of personal and real property, separately stated as to each such source: The actual or estimated unencumbered cash balances, whichever is applicable, to be available at the beginning of the year or biennial period; the amounts proposed to be expended during the year or biennial period; and the amount of cash reserve, based on actual experience of prior years or biennial periods, which cash reserve shall not exceed fifty percent of the total budget adopted exclusive of capital outlay items;

(d) A statement setting out separately the amount sought to be raised from the levy of a tax on the taxable value of real property (i) for the purpose of paying the principal or interest on bonds issued or authorized to be issued by the governing body or the legal voters of the political subdivision and (ii) for all other purposes;

(e) A uniform summary of the proposed budget statement, including each proprietary function fund included in a separate proprietary budget statement prepared pursuant to the Municipal Proprietary Function Act, and a grand total of all funds maintained by the governing body;

(f) For municipalities, a list of the proprietary functions which are not included in the budget statement. Such proprietary functions shall have a separate budget statement which is approved by the city council or village board as provided in the Municipal Proprietary Function Act; and

(g) For school districts and educational service units, a separate identification and description of all current and future costs to the school district or educational service unit which are reasonably anticipated as a result of any contract, and any adopted amendments thereto, for superintendent services to be rendered to such school district or administrator services to be rendered to such educational service unit.

(2) The actual or estimated unencumbered cash balance required to be included in the budget statement by this section shall include deposits and investments of the political subdivision as well as any funds held by the county treasurer for the political subdivision and shall be accurately stated on the proposed budget statement.

(3) The political subdivision shall correct any material errors in the budget statement detected by the auditor or by other sources.

Sec. 2. Section 13-506, Revised Statutes Supplement, 2021, is amended to read:

13-506 (1) Each governing body shall each year or biennial period conduct a public hearing on its proposed budget statement. Such hearing shall be held separately from any regularly scheduled meeting of the governing body and shall

not be limited by time. Notice of place and time of such hearing, together with a summary of the proposed budget statement, shall be published at least four calendar days prior to the date set for hearing in a newspaper of general circulation within the governing body's jurisdiction. For purposes of such notice, the four calendar days shall include the day of publication but not the day of hearing. When the total operating budget, not including reserves, does not exceed ten thousand dollars per year or twenty thousand dollars per biennial period, the proposed budget summary may be posted at the governing body's principal headquarters. At such hearing, the governing body shall make at least three copies of the proposed budget statement available to the public and shall make a presentation outlining key provisions of the proposed budget statement, including, but not limited to, a comparison with the prior year's budget. Any member of the public desiring to speak on the proposed budget statement shall be allowed to address the governing body at the hearing and shall be given a reasonable amount of time to do so. After such hearing, the proposed budget statement shall be adopted, or amended and adopted as amended, and a written record shall be kept of such hearing. The amount to be received from personal and real property taxation shall be certified to the levying board after the proposed budget statement is adopted or is amended and adopted as amended. If the levying board represents more than one county, a member or a representative of the governing board shall, upon the written request of any represented county, appear and present its budget at the hearing of the requesting county. The certification of the amount to be received from personal and real property taxation shall specify separately (a) the amount to be applied to the payment of principal or interest on bonds issued or authorized to be issued by the governing body or the legal voters of the political subdivision and (b) the amount to be received for all other purposes. If the adopted budget statement reflects a change from that shown in the published proposed budget statement, a summary of such changes shall be published within twenty calendar days after its adoption in the manner provided in this section, but without provision for hearing, setting forth the items changed and the reasons for such changes.

(2) Upon approval by the governing body, the budget shall be filed with the auditor. The auditor may review the budget for errors in mathematics, improper accounting, and noncompliance with the Nebraska Budget Act or sections 13-518 to 13-522. If the auditor detects such errors, he or she shall immediately notify the governing body of such errors. The governing body shall correct any such error as provided in section 13-511. Warrants for the payment of expenditures provided in the budget adopted under this section shall be valid notwithstanding any errors or noncompliance for which the auditor has notified the governing body.

(3) Each school district shall include in the notice required pursuant to subsection (1) of this section the following statement: For more information on statewide receipts and expenditures, and to compare cost per pupil and performance to other school districts, go to: [Insert Internet address for the website established pursuant to section 79-302.01]. In addition, each school district shall electronically publish such statement on the school district website. Such electronic publication shall be prominently displayed with an active link to the Internet address for the website established pursuant to section 79-302.01 to allow the public access to the information.

Sec. 3. Section 13-508, Revised Statutes Supplement, 2021, is amended to read:

13-508 (1) After publication and hearing thereon and within the time prescribed by law, each governing body shall file with and certify to the levying board or boards on or before September 30 of each year or September 30 of the final year of a biennial period and file with the auditor a copy of the adopted budget statement which complies with sections 13-518 to 13-522 or 79-1023 to 79-1030, together with the amount of the tax required to fund the adopted budget, setting out separately (a) the amount to be levied for the payment of principal or interest on bonds issued or authorized to be issued by the governing body or the legal voters of the political subdivision and (b) the amount to be levied for all other purposes. Proof of publication shall be attached to the statements. For fiscal years prior to fiscal year 2017-18, learning communities shall also file a copy of such adopted budget statement with member school districts on or before September 1 of each year. If the prime rate published by the Federal Reserve Board is ten percent or more at the time of the filing and certification required under this subsection, the governing body, in certifying the amount required, may make allowance for delinquent taxes not exceeding five percent of the amount required plus the actual percentage of delinquent taxes for the preceding tax year or biennial period and for the amount of estimated tax loss from any pending or anticipated litigation which involves taxation and in which tax collections have been or can be withheld or escrowed by court order. For purposes of this section, anticipated litigation shall be limited to the anticipation of an action being filed by a taxpayer who or which filed a similar action for the preceding year or biennial period which is still pending. Except for such allowances, a governing body shall not certify an amount of tax more than one percent greater or lesser than the amount determined under section 13-505.

(2) Each governing body shall use the certified taxable values as provided by the county assessor pursuant to section 13-509 for the current year in setting or certifying the levy. Each governing body may designate one of its members to perform any duty or responsibility required of such body by this section.
