10 from the first January 1 following the placement in service of such
11 property through the ninth December 31 after the year the first claim for
12 exemption is approved.

13 (c) The following personal property used at the qualified location
14 or locations, whether purchased or leased, and placed in service by the
15 taxpayer after the date of the complete application shall constitute
16 separate classes of personal property:

17 (i) All personal property that constitutes a data center if the
18 taxpayer qualifies under subdivision (8)(b)(i) or (8)(b)(ii) of this
19 section;

20 (ii) Business equipment that is located at a qualified location or
21 locations and that is involved directly in the manufacture or processing
22 of agricultural products if the taxpayer qualifies under subdivision (8)
23 (b)(i) or (8)(b)(ii) of this section; or

24 (iii) All personal property if the taxpayer qualifies under
25 subdivision (8)(b)(iii) of this section.

26 (d) In order to receive the property tax exemptions allowed by
27 subdivision (8)(c) of this section, the taxpayer shall annually file a
28 claim for exemption with the Tax Commissioner on or before May 1. The
29 form and supporting schedules shall be prescribed by the Tax Commissioner
30 and shall list all property for which exemption is being sought under
31 this section. A separate claim for exemption must be filed for each

1 agreement and each county in which property is claimed to be exempt. A
2 copy of this form must also be filed with the county assessor in each
3 county in which the applicant is requesting exemption. The Tax
4 Commissioner shall determine whether a taxpayer is eligible to obtain
5 exemption for personal property based on the criteria for exemption and
6 the eligibility of each item listed for exemption and, on or before
7 August 1, certify such determination to the taxpayer and to the affected

9 (9) The taxpayer shall, on or before the receipt or use of any

13 on any sales tax exemption may be paid by the taxpayer with the filing of
14 its sales and use tax return. Such fee may be paid by direct payment to
15 the director or through withholding of available refunds. A credit shall
16 be allowed against such fee for the amount of the fee paid with the
17 application. All fees collected under this subsection shall be remitted
18 to the State Treasurer for credit to the Imagine Nebraska Cash Fund,
19 which fund is hereby created. The fund shall consist of fees credited
20 under this subsection and any other money appropriated to the fund by the

22 Development and shall be used for administration of the Imagine Nebraska
23 Act. Any money in the fund available for investment shall be invested by
24 the state investment officer pursuant to the Nebraska Capital Expansion
25 Act and the Nebraska State Funds Investment Act.

26 Sec. 2. Section 77-6832, Revised Statutes Cumulative Supplement,
27 2022, is amended to read:

28 77-6832 (1)(a) The credits prescribed in section 77-6831 for a year
29 shall be established by filing the forms required by the Tax Commissioner
30 with the income tax return for the taxable year which includes the end of
31 the year the credits were earned. The credits may be used and shall be

1 applied in the order in which they were first allowable under the Imagine
2 Nebraska Act. To the extent the taxpayer has credits under the Nebraska
3 Advantage Act or the Employment and Investment Growth Act still available
4 for use in a year or years which overlap the performance period or
5 carryover period of the Imagine Nebraska Act, the credits may be used and
6 shall be applied in the order in which they were first allowable, and
7 when there are credits of the same age, the older tax incentive program's
8 credits shall be applied first. The credits may be used after any other
9 nonrefundable credits to reduce the taxpayer's income tax liability
10 imposed by sections 77-2714 to 77-27,135. Credits may be used beginning
11 with the taxable year which includes December 31 of the year the required
12 minimum levels were reached. The last year for which credits may be used
13 is the taxable year which includes December 31 of the last year of the
14 carryover period. Any decision on how part of the credit is applied shall
15 not limit how the remaining credit could be applied under this section.

16 (b) The taxpayer may use the credit provided in subsection (4) of
17 section 77-6831 (i) to reduce the taxpayer's income tax withholding
18 employer or payor tax liability under section 77-2756 or 77-2757, to the
19 extent such liability is attributable to the number of new employees
20 employed at the qualified location or locations, excluding any wages in
21 excess of one million dollars paid to any one employee during the year or
22 (ii) to reduce a qualified employee leasing company's income tax
23 withholding employer or payor tax liability under section 77-2756 or
24 77-2757, when the taxpayer is the client-lessee of such company, to the
25 extent such liability is attributable to the number of new employees
26 performing services for such client-lessee at the qualified location or
27 locations, excluding any wages in excess of one million dollars paid to
28 any one employee during the year. To the extent of the credit used, such
29 withholding shall not constitute public funds or state tax revenue and
30 shall not constitute a trust fund or be owned by the state. The use by
31 the taxpayer or the qualified employee leasing company of the credit

1 shall not change the amount that otherwise would be reported by the
2 taxpayer, or such qualified employee leasing company, to the employee
3 under section 77-2754 as income tax withheld and shall not reduce the
4 amount that otherwise would be allowed by the state as a refundable
5 credit on an employee's income tax return as income tax withheld under
6 section 77-2755. The amount of credits used against income tax
7 withholding shall not exceed the withholding attributable to the number
8 of new employees employed at the qualified location or locations or, for
9 a qualified employee leasing company, the number of new employees
10 performing services for the applicable client-lessee at the qualified
11 location or locations, excluding any wages in excess of one million
12 dollars paid to any one employee during the year. If the amount of credit
13 used by the taxpayer or the qualified employee leasing company against
14 income tax withholding exceeds such amount, the excess withholding shall
15 be returned to the Department of Revenue in the manner provided in
16 section 77-2756, such excess amount returned shall be considered unused,
17 and the amount of unused credits may be used as otherwise permitted in
18 this section or shall carry over to the extent authorized in subdivision
19 (1)(h) ~~(1)(g)~~ of this section.

20 (c) Credits may be used to obtain a refund of sales and use taxes
21 under the Local Option Revenue Act, the Nebraska Revenue Act of 1967, the
22 Qualified Judgment Payment Act, and sections 13-319, 13-324, and 13-2813
23 that are not subject to direct refund under section 77-6831 and that are
24 paid on purchases, including rentals, for use at a qualified location.

25 (d) The credits provided in subsections (4) and (5) of section
26 77-6831 may be used to repay a loan for job training or infrastructure
27 development as provided in section 77-6841.

28 (e) Credits may be used to obtain a payment from the state equal to
29 the amount which the taxpayer demonstrates to the director was paid by
30 the taxpayer after the date of the complete application for job training
31 and talent recruitment of employees who qualify in the number of new

1 employees, to the extent that proceeds from a loan described in section
2 77-6841 were not used to make such payments. For purposes of this
3 subdivision:

4 (i) Job training means training for a prospective or new employee
5 that is provided after the date of the complete application by a Nebraska
6 nonprofit college or university, a Nebraska public or private secondary
7 school, a Nebraska educational service unit, or a company that is not a
8 member of the taxpayer's unitary group or a related person to the
9 taxpayer; and

10 (ii) Talent recruitment means talent recruitment activities that
11 result in a newly recruited employee who is hired by the taxpayer after
12 the date of the complete application and who is paid compensation during
13 the year of hire at a rate equal to at least one hundred percent of the
14 Nebraska statewide average hourly wage for the year of application,
15 including marketing, relocation expenses, and search-firm fees. Talent
16 recruitment payments that may be reimbursed include, without limitation,
17 payment by the taxpayer, without repayment by the employee, of an
18 employee's student loans, an employee's tuition, and an employee's
19 downpayment on a primary residence in Nebraska. Talent recruitment
20 payments that may be reimbursed shall not include payments for the
21 recruitment of a person who constitutes a related person to the taxpayer
22 when the taxpayer is an individual or recruitment of a person who
23 constitutes a related person to an owner of the taxpayer when the
24 taxpayer is a partnership, a limited liability company, or a subchapter S
25 corporation.

26 (f) The credits provided in subsections (4) and (5) of section
27 77-6831 may be used to obtain a payment from the state equal to the
28 amount which the taxpayer demonstrates to the director was paid for
29 ~~taxpayer-sponsored child care for employees at the qualified location or~~
30 ~~locations~~ during the performance period and the carryover period.
31 Employers may pay up to fifty percent of child care costs for employees

1 using such credit.

2 (g) The credits provided in subsection (5) of section 77-6831 may be
3 used to obtain a payment from the state equal to the amount which the
4 taxpayer demonstrates to the director was paid for investment in
5 workforce housing, as defined in section 81-1228, in the same county or
6 counties as the qualified location or locations, except for counties that
7 have a population of one hundred thousand or greater.

8 (h) (g) Credits may be carried over until fully utilized through the
9 end of the carryover period.

10 (2)(a) No refund claims shall be filed until after the required
11 levels of employment and investment have been met.

12 (b) Refund claims shall be filed no more than once each quarter for
13 refunds under the Imagine Nebraska Act, except that any claim for a
14 refund in excess of twenty-five thousand dollars may be filed at any
15 time.

16 (c) Refund claims for materials purchased by a purchasing agent
17 shall include:

18 (i) A copy of the purchasing agent appointment;

19 (ii) The contract price; and

20 (iii)(A) For refunds under subdivision (2)(a)(iii) or (2)(a)(v) of
21 section 77-6831, a certification by the contractor or repairperson of the
22 percentage of the materials incorporated into or annexed to the qualified
23 location on which sales and use taxes were paid to Nebraska after
24 appointment as purchasing agent; or

25 (B) For refunds under subdivision (2)(a)(iv) of section 77-6831, a
26 certification by the contractor or repairperson of the percentage of the
27 contract price that represents the cost of materials annexed to the
28 qualified location and the percentage of the materials annexed to the
29 qualified location on which sales and use taxes were paid to Nebraska
30 after appointment as purchasing agent.

31 (d) All refund claims shall be filed, processed, and allowed as any

1 other claim under section 77-2708, except that the amounts allowed to be
2 refunded under the Imagine Nebraska Act shall be deemed to be
3 overpayments and shall be refunded notwithstanding any limitation in
4 subdivision (2)(a) of section 77-2708. The refund may be allowed if the
5 claim is filed within three years from the end of the year the required
6 levels of employment and investment are met or within the period set
7 forth in section 77-2708. Refunds shall be paid by the Tax Commissioner
8 within one hundred eighty days after receipt of the refund claim. Such
9 payments shall be subject to later recovery by the Tax Commissioner upon
10 audit.

11 (e) If a claim for a refund of sales and use taxes under the Local
12 Option Revenue Act, the Qualified Judgment Payment Act, or sections
13 13-319, 13-324, and 13-2813 of more than twenty-five thousand dollars is
14 filed by June 15 of a given year, the refund shall be made on or after
15 November 15 of the same year. If such a claim is filed on or after June
16 16 of a given year, the refund shall not be made until on or after
17 November 15 of the following year. The Tax Commissioner shall notify the
18 affected city, village, county, or municipal county of the amount of
19 refund claims of sales and use taxes under the Local Option Revenue Act,
20 the Qualified Judgment Payment Act, or sections 13-319, 13-324, and
21 13-2813 that are in excess of twenty-five thousand dollars on or before
22 July 1 of the year before the claims will be paid under this section.

23 (f) For refunds of sales and use taxes under the Local Option
24 Revenue Act, the deductions made by the Tax Commissioner for such refunds
25 shall be delayed in accordance with section 77-27,144.

26 (g) Interest shall not be allowed on any taxes refunded under the
27 Imagine Nebraska Act.

28 (3) The appointment of purchasing agents shall be recognized for the
29 purpose of changing the status of a contractor or repairperson as the
30 ultimate consumer of tangible personal property purchased after the date
31 of the appointment which is physically incorporated into or annexed at a

1 qualified location and becomes the property of the owner of the
2 improvement to real estate or the taxpayer. The purchasing agent shall be
3 jointly liable for the payment of the sales and use tax on the purchases
4 with the owner of the property.

5 (4) The determination of whether the application is complete,
6 whether a location is a qualified location, and whether to approve the
7 application and sign the agreement shall be made by the director. All
8 other interpretations of the Imagine Nebraska Act shall be made by the
9 Tax Commissioner. The Commissioner of Labor shall provide the director
10 with such information as the Department of Labor regularly receives with
11 respect to the taxpayer which the director requests from the Commissioner
12 of Labor in order to fulfill the director's duties under the act. The
13 director shall use such information to achieve efficiency in the
14 administration of the act.

15 (5) Once the director and the taxpayer have signed the agreement
16 under section 77-6828, the taxpayer, and its owners or members where
17 applicable, may report and claim and shall receive all incentives allowed
18 by the Imagine Nebraska Act, subject to the base authority limitations
19 provided in section 77-6839, without waiting for a determination by the
20 director or the Tax Commissioner or other taxing authority that the
21 taxpayer has met the required employment and investment levels or
22 otherwise qualifies, has qualified, or continues to qualify for such
23 incentives, provided that the tax return or claim has been signed by an
24 owner, member, manager, or officer of the taxpayer who declares under
25 penalties of perjury that he or she has examined the tax return or claim,
26 including accompanying schedules and statements, and to the best of his
27 or her knowledge and belief (a) the tax return or claim is correct and
28 complete in all material respects, (b) payment of the claim has not been
29 previously made by the state to the taxpayer, and (c) with respect to
30 sales or use tax refund claims, the taxpayer has not claimed or received
31 a refund of such tax from a retailer. The payment or allowance of such a

1 claim shall not prevent the director or the Tax Commissioner or other
2 taxing authority from recovering such payment, exemption, or allowance,
3 within the normal period provided by law, subject to normal appeal rights
4 of a taxpayer, if the director or Tax Commissioner or other taxing
5 authority determines upon review or audit that the taxpayer did not
6 qualify for such incentive or exemption.

7 (6) An audit of employment and investment thresholds and incentive
8 amounts shall be made by the Tax Commissioner to the extent and in the
9 manner determined by the Tax Commissioner. Upon request by the director
10 or the Tax Commissioner, the Commissioner of Labor shall report to the
11 director and the Tax Commissioner the employment data regularly reported
12 to the Department of Labor relating to number of employees and wages paid
13 for each taxpayer. The director and Tax Commissioner, to the extent they
14 determine appropriate, shall use such information to achieve efficiency
15 in the administration of the Imagine Nebraska Act. The Tax Commissioner
16 may recover any refund or part thereof which is erroneously made and any
17 credit or part thereof which is erroneously allowed by issuing a
18 deficiency determination within three years from the date of refund or
19 credit or within the period otherwise allowed for issuing a deficiency
20 determination, whichever expires later. The director shall not enter into
21 an agreement with any taxpayer unless the taxpayer agrees to
22 electronically verify the work eligibility status of all newly hired
23 employees employed in Nebraska within ninety days after the date of hire.
24 For purposes of calculating any tax incentive under the act, the hours
25 worked and compensation paid to an employee who has not been
26 electronically verified or who is not eligible to work in Nebraska shall
27 be excluded.

28 (7) A determination by the director that a location is not a
29 qualified location or a determination by the Tax Commissioner that a
30 taxpayer has failed to meet or maintain the required levels of employment
31 or investment for incentives, exemptions, or recapture, or does not

1 otherwise qualify for incentives or exemptions, may be protested by the
2 taxpayer to the Tax Commissioner within sixty days after the mailing to
3 the taxpayer of the written notice of the proposed determination by the
4 director or the Tax Commissioner, as applicable. If the notice of
5 proposed determination is not protested in writing by the taxpayer within
6 the sixty-day period, the proposed determination is a final
7 determination. If the notice is protested, the Tax Commissioner, after a
8 formal hearing by the Tax Commissioner or by an independent hearing
9 officer appointed by the Tax Commissioner, if requested by the taxpayer
10 in such protest, shall issue a written order resolving such protest. The
11 written order of the Tax Commissioner resolving a protest may be appealed
12 to the district court of Lancaster County in accordance with the
13 Administrative Procedure Act within thirty days after the issuance of the
14 order.

15 Sec. 3. Original sections 77-6831 and 77-6832, Revised Statutes
16 Cumulative Supplement, 2022, are repealed.

17 Sec. 4. Since an emergency exists, this act takes effect when
18 passed and approved according to law.
