Except as provided in section 77-2701.03, when 10 there is a sale, the tax shall be imposed at the rate in effect at the time the gross receipts are realized under the accounting basis used by 11 the retailer to maintain his or her books and records or, for a 12 contractor, at the time when payment is received for construction 13 services. 14

(a) The tax imposed by this section shall be collected by the retailer from the consumer. It shall constitute a part of the purchase price and until collected shall be a debt from the consumer to the retailer and shall be recoverable at law in the same manner as other debts. The tax required to be collected by the retailer from the consumer constitutes a debt owed by the retailer to this state.

(b) It is unlawful for any retailer to advertise, hold out, or state to the public or to any customer, directly or indirectly, that the tax or part thereof will be assumed or absorbed by the retailer, that it will not be added to the selling, renting, or leasing price of the property sold, rented, or leased, or that, if added, it or any part thereof will be refunded. The provisions of this subdivision shall not apply to a public utility.

(c) The tax required to be collected by the retailer from the purchaser, unless otherwise provided by statute or by rule and regulation of the Tax Commissioner, shall be displayed separately from the list price, the price advertised in the premises, the marked price, or other

2 (d) For the purpose of more efficiently securing the payment, collection, and accounting for the sales tax and for the convenience of 3 4 the retailer in collecting the sales tax, it shall be the duty of the Tax 5 Commissioner to provide a schedule or schedules of the amounts to be collected from the consumer or user to effectuate the computation and 6 7 collection of the tax imposed by the Nebraska Revenue Act of 1967. Such schedule or schedules shall provide that the tax shall be collected from 8 9 the consumer or user uniformly on sales according to brackets based on 10 sales prices of the item or items. Retailers may compute the tax due on any transaction on an item or an invoice basis. The rounding rule 11 provided in section 77-3,117 applies. 12

(e) The use of tokens or stamps for the purpose of collecting or enforcing the collection of the taxes imposed in the Nebraska Revenue Act of 1967 or for any other purpose in connection with such taxes is prohibited.

The burden of proving that a 20 sale of property is not a sale at retail is upon the person who makes the 21 22 sale unless he or she takes from the purchaser (i) a resale certificate to the effect that the property is purchased for the purpose of 23 24 reselling, leasing, or renting it, (ii) an exemption certificate pursuant to subsection (7) of section 77-2705, or (iii) a direct payment permit 25 pursuant to sections 77-2705.01 to 77-2705.03. Receipt of a resale 26 certificate, exemption certificate, or direct payment permit shall be 27 conclusive proof for the seller that the sale was made for resale or was 28 exempt or that the tax will be paid directly to the state. 29

30 (g) In the rental or lease of automobiles, trucks, trailers,
31 semitrailers, and truck-tractors as defined in the Motor Vehicle

3 (h) In the rental or lease of automobiles, trucks, trailers, 4 semitrailers, and truck-tractors as defined in the act, for periods of 5 one year or more, the lessor may elect not to collect and remit the sales 6 tax on the gross receipts and instead pay a sales tax on the cost of such 7 vehicle. If such election is made, it shall be made pursuant to the 8 following conditions:

9 (i) Notice of the desire to make such election shall be filed with 10 the Tax Commissioner and shall not become effective until the Tax 11 Commissioner is satisfied that the taxpayer has complied with all 12 conditions of this subsection and all rules and regulations of the Tax 13 Commissioner;

(ii) Such election when made shall continue in force and effect for
a period of not less than two years and thereafter until such time as the
lessor elects to terminate the election;

(iii) When such election is made, it shall apply to all vehicles of the lessor rented or leased for periods of one year or more except vehicles to be leased to common or contract carriers who provide to the lessor a valid common or contract carrier exemption certificate. If the lessor rents or leases other vehicles for periods of less than one year, such lessor shall maintain his or her books and records and his or her accounting procedure as the Tax Commissioner prescribes; and

(iv) The Tax Commissioner by rule and regulation shall prescribe the contents and form of the notice of election, a procedure for the determination of the tax base of vehicles which are under an existing lease at the time such election becomes effective, the method and manner for terminating such election, and such other rules and regulations as may be necessary for the proper administration of this subdivision.

The full use tax on the purchase price 2 shall be collected by the county treasurer if a sales or occupation tax 3 was not paid by the purchaser in the state of purchase. If a sales or 4 occupation tax was lawfully paid in the state of purchase at a rate less 5 than the tax imposed in this state, use tax must be collected on the 6 difference as a condition for obtaining a certificate of title in this 7 state.

8 (1) The Tax Commissioner shall adopt and promulgate necessary rules 9 and regulations for determining the amount subject to the taxes imposed 10 by this section so as to insure that the full amount of any applicable 11 tax is paid in cases in which a sale is made of which a part is subject 12 to the taxes imposed by this section and a part of which is not so 13 subject and a separate accounting is not practical or economical.

(2) A use tax is hereby imposed on the storage, use, or other 14 consumption in this state of property purchased, leased, or rented from 15 any retailer and on any transaction the gross receipts of which are 16 subject to tax under subsection (1) of this section on or after June 1, 17 1967, for storage, use, or other consumption in this state at the rate 18 set as provided in subsection (1) of this section on the sales price of 19 the property or, in the case of leases or rentals, of the lease or rental 20 21 prices.

(a) Every person storing, using, or otherwise consuming in this 22 state property purchased from a retailer or leased or rented from another 23 24 person for such purpose shall be liable for the use tax at the rate in 25 effect when his or her liability for the use tax becomes certain under the accounting basis used to maintain his or her books and records. -26-

Nebraska Revenue Act of 1967 relating to the sales tax, regarded as a retailer engaged in business in this state, which receipt is given to the purchaser pursuant to subdivision (b) of this subsection, shall be sufficient to relieve the purchaser from further liability for the tax to which the receipt refers.

6 (b) Every retailer engaged in business in this state and selling, 7 leasing, or renting property for storage, use, or other consumption in 8 this state shall, at the time of making any sale, collect any tax which 9 may be due from the purchaser and shall give to the purchaser, upon 10 request, a receipt therefor in the manner and form prescribed by the Tax 11 Commissioner.

(c) The Tax Commissioner, in order to facilitate the proper 12 administration of the use tax, may designate such person or persons as he 13 14 or she may deem necessary to be use tax collectors and delegate to such persons such authority as is necessary to collect any use tax which is 15 16 due and payable to the State of Nebraska. The Tax Commissioner may require of all persons so designated a surety bond in favor of the State 17 of Nebraska to insure against any misappropriation of state funds so 18 collected. The Tax Commissioner may require any tax official, city, 19 county, or state, to collect the use tax on behalf of the state. All 20 persons designated to or required to collect the use tax shall account 21 for such collections in the manner prescribed by the Tax Commissioner. 22 23 Nothing in this subdivision shall be so construed as to prevent the Tax 24 Commissioner or his or her employees from collecting any use taxes due 25 and payable to the State of Nebraska.

(d) All persons designated to collect the use tax and all persons required to collect the use tax shall forward the total of such collections to the Tax Commissioner at such time and in such manner as the Tax Commissioner may prescribe. For use taxes collected 3 4 on and after October 1, 2002, such collectors of the use tax shall deduct 5 and withhold from the amount of taxes collected two and one-half percent of the first three thousand dollars remitted each month as reimbursement 6 7 for the cost of collecting the tax. Any such deduction shall be forfeited to the State of Nebraska if such collector violates any rule, regulation, 8 9 or directive of the Tax Commissioner.

(e) For the purpose of the proper administration of the Nebraska Revenue Act of 1967 and to prevent evasion of the use tax, it shall be presumed that property sold, leased, or rented by any person for delivery in this state is sold, leased, or rented for storage, use, or other consumption in this state until the contrary is established. The burden of proving the contrary is upon the person who purchases, leases, or rents the property.

31	subdivision (2)(c)(ii) of this section. For a project on an existing

1	dwelling designed for occupancy by one family or a duplex designed for
2	occupancy by two families, the exemption may be granted either upon
3	approval by the department that the project, if substantially completed
4	according to plans submitted with the application to the department,
5	<u>meets the requirements for a major renovation under subdivision (2)(c)</u>
6	(ii) of this section or notice from the contractor to the department of
7	the nature of the project and an explanation of why the renovation will
8	qualify for the exemption. Approval may be granted in accordance with the
9	procedures set forth in subsection (4) of this section.
10	(2) For purposes of this section:
11	<u>(a) Building means any freestanding structure annexed to land,</u>
12	enclosed within a roof and exterior walls, regardless of whether enclosed
13	<u>on all sides;</u>
14	<u>(b) Fixture means a piece of equipment that must be annexed to the</u>
15	building or structure in order to properly function, yet remains
16	<u>identifiable as a separate item;</u>
17	<u>(c) Major renovation of an existing building or a unit of an</u>
18	existing building means a single renovation project that:
19	<u>(i) Increases the market value of the building or unit by at least</u>
20	<u>one hundred percent; or</u>
21	(ii) Entails the renovation of no less than seventy-five percent of
22	the square feet of the building or unit;
23	<u>(d) Renovation means the rehabilitation, replacement, or</u>
24	reconfiguration of walls or fixtures. Mere replacement of floor coverings
25	does not constitute renovation for purposes of subdivision (1)(f) of this
26	<u>section;</u>
27	<u>(e) Structure means any construction composed of building materials</u>
28	arranged and fitted together in some way. Structure includes, but is not
29	limited to, streets and roadways, street lighting, and sewers and
30	waterlines; and
31	(f) Unit means a physical portion of a building designated for

1

separate ownership, rental, or occupancy.

2 (3) (1) Construction services performed on an owner-occupied 3 residential unit shall be subject to tax prior to October 1, 2007, but 4 the owner shall be entitled to a refund of any sales and use taxes paid 5 by the owner on construction services pursuant to this subsection. A taxpayer shall be entitled to a refund of any sales tax paid to a 6 7 contractor on the gross receipts from the labor of a contractor for any 8 major renovation described in subdivision (2)(c)(i) of this section or, 9 if prior approval of the renovation pursuant to this section has not been 10 obtained, for any major renovation described in subdivision (2)(c)(ii) of 11 this section on the gross receipts for the labor of a contractor for any major addition, remodeling, restoration, repair, or renovation described 12 13 in this section as it existed prior to October 1, 2007. The refund 14 granted in this subsection shall be conditioned upon filing a claim for the refund on a form developed by the Tax Commissioner. The requirements 15 imposed by the Tax Commissioner shall be related to ensuring that the 16 project qualifies for the refund. Any information received pursuant to 17 the requirements of this subsection may be disclosed to any tax official 18 19 in this state. Any taxpayer who provides false information on the forms required by the Tax Commissioner for purposes of this subsection shall be 20 subject to the penalties provided in subsection (8) of section 77-2705. 21

(4)(a) A taxpayer may apply to the Tax Commissioner for approval
 that a proposed construction project meets the requirements for a major
 renovation described in subdivision (2)(c)(ii) of this section.

(b) The approval granted pursuant to this subsection shall be conditioned upon filing an application on a form developed by the Tax Commissioner with an application fee of five hundred dollars. The application fee shall be remitted to the State Treasurer for credit to the Department of Revenue Contractor Enforcement Fund. The application shall be supported by designs, plans, specifications, or other materials, signed by a licensed architect or engineer, that indicate the extent of the renovation, the work that is planned to be performed, and the square footage of the floor space that is to be renovated. Any requirements imposed by the Tax Commissioner shall be related to ensuring that the project qualifies for the exemption and the project is completed in substantial conformity with the designs, plans, specifications, or other materials submitted with the application.

7 (c) The Tax Commissioner shall approve or deny the application within sixty business days after receiving the application. Within sixty 8 9 days after the completion of the renovation, a licensed architect or 10 engineer shall certify to the Tax Commissioner that the renovation was completed in substantial conformity with the designs, plans, 11 specifications, or other materials submitted with the application or 12 13 shall amend the original application to describe the project as actually 14 completed.

15 <u>(d) Any information received pursuant to the requirements of this</u> 16 <u>subsection may be disclosed to any tax official in this state. Any person</u> 17 <u>who provides false information on the forms or plans, specifications, and</u> 18 <u>materials required by the Tax Commissioner for purposes of this</u> 19 <u>subsection shall be subject to the penalties provided in subsection (8)</u> 20 <u>of section 77-2705.</u>

(5) The provisions of this section shall not excuse any person from the obligation to collect sales tax on retail sales of property not annexed to real estate or from the obligation to pay the sales tax or remit the use tax on tools, services, and other materials consumed that are not annexed to real estate.

(6) (2) The Department of Revenue Contractor Enforcement Fund is
 created. Any money in the fund available for investment shall be invested
 by the state investment officer pursuant to the Nebraska Capital
 Expansion Act and the Nebraska State Funds Investment Act.

30 Sec. 16. Section 77-2708, Revised Statutes Cumulative Supplement,
31 2016, is amended to read:

-33-

1 77-2708 (1)(a) The sales and use taxes imposed by the Nebraska 2 Revenue Act of 1967 shall be due and payable to the Tax Commissioner 3 monthly on or before the twentieth day of the month next succeeding each 4 monthly period unless otherwise provided pursuant to the Nebraska Revenue 5 Act of 1967.

(b)(i) On or before the twentieth day of the month following each 6 monthly period or such other period as the Tax Commissioner may require, 7 a return for such period, along with all taxes due, shall be filed with 8 9 the Tax Commissioner in such form and content as the Tax Commissioner may prescribe and containing such information as the Tax Commissioner deems 10 necessary for the proper administration of the Nebraska Revenue Act of 11 1967. The Tax Commissioner, if he or she deems it necessary in order to 12 13 insure payment to or facilitate the collection by the state of the amount of sales or use taxes due, may require returns and payment of the amount 14 of such taxes for periods other than monthly periods in the case of a 15 particular seller, retailer, or purchaser, as the case may be. The Tax 16 17 Commissioner shall by rule and regulation require reports and tax payments from sellers, retailers, or purchasers depending on their yearly 18 tax liability. Except as required by the streamlined sales and use tax 19 agreement, annual returns shall be required if such sellers', retailers', 20 or purchasers' yearly tax liability is less than nine hundred dollars, 21 quarterly returns shall be required if their yearly tax liability is nine 22 23 hundred dollars or more and less than three thousand dollars, and monthly 24 returns shall be required if their yearly tax liability is three thousand 25 dollars or more. The Tax Commissioner shall have the discretion to allow an annual return for seasonal retailers, even when their yearly tax 26 liability exceeds the amounts listed in this subdivision. 27

The Tax Commissioner may adopt and promulgate rules and regulations to allow annual, semiannual, or quarterly returns for any retailer making monthly remittances or payments of sales and use taxes by electronic funds transfer or for any retailer remitting tax to the state pursuant to

-34-

the streamlined sales and use tax agreement. Such rules and regulations may establish a method of determining the amount of the payment that will result in substantially all of the tax liability being paid each quarter. At least once each year, the difference between the amount paid and the amount due shall be reconciled. If the difference is more than ten percent of the amount paid, a penalty of fifty percent of the unpaid amount shall be imposed.

(ii) For purposes of the sales tax, a return shall be filed by every 8 9 retailer liable for collection from a purchaser and payment to the state 10 of the tax, except that a combined sales tax return may be filed for all licensed locations which are subject to common ownership. For purposes of 11 this subdivision, common ownership means the same person or persons own 12 13 eighty percent or more of each licensed location. For purposes of the use tax, a return shall be filed by every retailer engaged in business in 14 this state and by every person who has purchased property, the storage, 15 use, or other consumption of which is subject to the use tax, but who has 16 17 not paid the use tax due to a retailer required to collect the tax.

(iii) The Tax Commissioner may require that returns be signed by the
person required to file the return or by his or her duly authorized agent
but need not be verified by oath.

(iv) A taxpayer who keeps his or her regular books and records on a 21 cash basis, an accrual basis, or any generally recognized accounting 22 basis which correctly reflects the operation of the business may file the 23 24 sales and use tax returns required by the Nebraska Revenue Act of 1967 on 25 the same accounting basis that is used for the regular books and records, except that on credit, conditional, and installment sales, the retailer 26 who keeps his or her books on an accrual basis may report such sales on 27 28 the cash basis and pay the tax upon the collections made during each month. If a taxpayer transfers, sells, assigns, or otherwise disposes of 29 an account receivable, he or she shall be deemed to have received the 30 full balance of the consideration for the original sale and shall be 31

-35-

liable for the remittance of the sales tax on the balance of the total 1 sale price not previously reported, except that such transfer, sale, 2 assignment, or other disposition of an account receivable by a retailer 3 4 to a subsidiary shall not be deemed to require the retailer to pay the sales tax on the credit sale represented by the account transferred prior 5 to the time the customer makes payment on such account. If the subsidiary 6 does not obtain a Nebraska sales tax permit, the taxpayer shall obtain a 7 surety bond in favor of the State of Nebraska to insure payment of the 8 9 tax and any interest and penalty imposed thereon under this section in an amount not less than two times the amount of tax payable on outstanding 10 accounts receivable held by the subsidiary as of the end of the prior 11 calendar year. Failure to obtain either a sales tax permit or a surety 12 13 bond in accordance with this section shall result in the payment on the next required filing date of all sales taxes not previously remitted. 14 When the retailer has adopted one basis or the other of reporting credit, 15 16 conditional, or installment sales and paying the tax thereon, he or she 17 will not be permitted to change from that basis without first having notified the Tax Commissioner. 18

(c) Except as provided in the streamlined sales and use tax 19 agreement, the taxpayer required to file the return shall deliver or mail 20 any required return together with a remittance of the net amount of the 21 tax due to the office of the Tax Commissioner on or before the required 22 filing date. Failure to file the return, filing after the required filing 23 24 date, failure to remit the net amount of the tax due, or remitting the net amount of the tax due after the required filing date shall be cause 25 for a penalty, in addition to interest, of ten percent of the amount of 26 tax not paid by the required filing date or twenty-five dollars, 27 whichever is greater, unless the penalty is being collected under 28 subdivision (1)(i), (1)(j)(i), or (1)(k)(i) of section 77-2703 by a 29 county treasurer or the Department of Motor Vehicles, in which case the 30 31 penalty shall be five dollars.

-36-

1 (d) The taxpayer shall deduct and withhold, from the taxes otherwise 2 due from him or her on his or her tax return, two and one-half percent of 3 the first three thousand dollars remitted each month to reimburse himself 4 or herself for the cost of collecting the tax. Taxpayers filing a 5 combined return as allowed by subdivision (1)(b)(ii) of this subsection 6 shall compute such collection fees on the basis of the receipts and 7 liability of each licensed location.

8 (2)(a) If the Tax Commissioner determines that any sales or use tax 9 amount, penalty, or interest has been paid more than $once_{\tau}$ or has been 10 erroneously or illegally collected or computed, or has been paid and the purchaser qualifies for a refund under section 77-2708.01, the Tax 11 Commissioner shall set forth that fact in his or her records and the 12 13 excess amount collected or paid may be credited on any sales, use, or income tax amounts then due and payable from the person under the 14 Nebraska Revenue Act of 1967. Any balance may be refunded to the person 15 16 by whom it was paid or his or her successors, administrators, or 17 executors.

(b) No refund shall be allowed unless a claim therefor is filed with 18 19 the Tax Commissioner by the person who made the overpayment or his or her attorney, executor, or administrator within three years from the required 20 filing date following the close of the period for which the overpayment 21 was made, within six months after any determination becomes final under 22 23 section 77-2709, or within six months from the date of overpayment with 24 respect to such determinations, whichever of these three periods expires 25 later, unless the credit relates to a period for which a waiver has been given. Failure to file a claim within the time prescribed in this 26 subsection shall constitute a waiver of any demand against the state on 27 account of overpayment. 28

(c) Every claim shall be in writing on forms prescribed by the Tax
Commissioner and shall state the specific amount and grounds upon which
the claim is founded. No refund shall be made in any amount less than two

-37-

1 dollars.

(d) The Tax Commissioner shall allow or disallow a claim within one 2 hundred eighty days after it has been filed. A request for a hearing 3 shall constitute a waiver of the one-hundred-eighty-day period. The 4 claimant and the Tax Commissioner may also agree to extend the one-5 hundred-eighty-day period. If a hearing has not been requested and the 6 Tax Commissioner has neither allowed nor disallowed a claim within either 7 the one hundred eighty days or the period agreed to by the claimant and 8 9 the Tax Commissioner, the claim shall be deemed to have been allowed.

(e) Within thirty days after disallowing any claim in whole or in
part, the Tax Commissioner shall serve notice of his or her action on the
claimant in the manner prescribed for service of notice of a deficiency
determination.

(f) Within thirty days after the mailing of the notice of the Tax Commissioner's action upon a claim filed pursuant to the Nebraska Revenue Act of 1967, the action of the Tax Commissioner shall be final unless the taxpayer seeks review of the Tax Commissioner's determination as provided in section 77-27,127.

(g) Upon the allowance of a credit or refund of any sum erroneously 19 or illegally assessed or collected, of any penalty collected without 20 authority, or of any sum which was excessive or in any manner wrongfully 21 collected, interest shall be allowed and paid on the amount of such 22 credit or refund at the rate specified in section 45-104.02, as such rate 23 24 may from time to time be adjusted, from the date such sum was paid or 25 from the date the return was required to be filed, whichever date is later, to the date of the allowance of the refund or, in the case of a 26 credit, to the due date of the amount against which the credit is 27 28 allowed, but in the case of a voluntary and unrequested payment in excess of actual tax liability or a refund under section 77-2708.01, no interest 29 shall be allowed when such excess is refunded or credited. 30

31 (h) No suit or proceeding shall be maintained in any court for the

-38-

recovery of any amount alleged to have been erroneously or illegally
 determined or collected unless a claim for refund or credit has been duly
 filed.

4 (i) The Tax Commissioner may recover any refund or part thereof 5 which is erroneously made and any credit or part thereof which is 6 erroneously allowed by issuing a deficiency determination within one year 7 from the date of refund or credit or within the period otherwise allowed 8 for issuing a deficiency determination, whichever expires later.

9 (j)(i) Credit shall be allowed to the retailer, contractor, or repairperson for sales or use taxes paid pursuant to the Nebraska Revenue 10 Act of 1967 on any deduction taken that is attributed to bad debts not 11 including interest. Bad debt has the same meaning as in 26 U.S.C. 166, as 12 such section existed on January 1, 2003. However, the amount calculated 13 pursuant to 26 U.S.C. 166 shall be adjusted to exclude: Financing charges 14 or interest; sales or use taxes charged on the purchase price; 15 uncollectible amounts on property that remains in the possession of the 16 seller until the full purchase price is paid; and expenses incurred in 17 attempting to collect any debt and repossessed property. 18

(ii) Bad debts may be deducted on the return for the period during 19 which the bad debt is written off as uncollectible in the claimant's 20 books and records and is eligible to be deducted for federal income tax 21 purposes. A claimant who is not required to file federal income tax 22 returns may deduct a bad debt on a return filed for the period in which 23 24 the bad debt is written off as uncollectible in the claimant's books and 25 records and would be eligible for a bad debt deduction for federal income tax purposes if the claimant was required to file a federal income tax 26 27 return.

(iii) If a deduction is taken for a bad debt and the debt is
subsequently collected in whole or in part, the tax on the amount so
collected must be paid and reported on the return filed for the period in
which the collection is made.

-39-

1 (iv) When the amount of bad debt exceeds the amount of taxable sales 2 for the period during which the bad debt is written off, a refund claim 3 may be filed within the otherwise applicable statute of limitations for 4 refund claims. The statute of limitations shall be measured from the due 5 date of the return on which the bad debt could first be claimed.

6 (v) If filing responsibilities have been assumed by a certified 7 service provider, the service provider may claim, on behalf of the 8 retailer, any bad debt allowance provided by this section. The certified 9 service provider shall credit or refund the full amount of any bad debt 10 allowance or refund received to the retailer.

(vi) For purposes of reporting a payment received on a previously claimed bad debt, any payments made on a debt or account are applied first proportionally to the taxable price of the property or service and the sales tax thereon, and secondly to interest, service charges, and any other charges.

(vii) In situations in which the books and records of the party
claiming the bad debt allowance support an allocation of the bad debts
among the member states in the streamlined sales and use tax agreement,
the state shall permit the allocation.

20 Sec. 17. Section 77-2715, Revised Statutes Cumulative Supplement, 21 2016, is amended to read:

22 77-2715 (1) A tax is hereby imposed for each taxable year on the entire income of every resident individual and on the income of every 23 24 nonresident individual and partial-year resident individual which is derived from sources within this state, except that any individual who 25 has additions to adjusted gross income pursuant to section 77-2716 of 26 less than five thousand dollars shall not have an individual income tax 27 liability after nonrefundable credits under the Nebraska Revenue Act of 28 1967 that exceeds his or her individual income tax liability before 29 credits under the Internal Revenue Code of 1986. 30

31 (2)(a) For taxable years beginning or deemed to begin <u>on or after</u>

-40-

January 1, 2018 before January 1, 2014, the tax for each resident 1 2 individual shall be a percentage of such individual's federal adjusted gross income as modified in sections 77-2716 and 77-2716.01, plus a 3 4 percentage of the federal alternative minimum tax and the federal tax on premature or lump-sum distributions from qualified retirement plans. The 5 additional taxes shall be recomputed by (i) substituting Nebraska taxable 6 income for federal taxable income, (ii) calculating what the federal 7 alternative minimum tax would be on Nebraska taxable income and adjusting 8 9 such calculations for any items which are reflected differently in the determination of federal taxable income, and (iii) applying Nebraska 10 rates to the result. The federal credit for prior year minimum tax, after 11 the recomputations required by the act, shall be allowed as a reduction 12 in the income tax due. 13

(b) For taxable years beginning or deemed to begin before January 1, 14 2018 on or after January 1, 2014, the tax for each resident individual 15 shall be a percentage of such individual's federal adjusted gross income 16 as modified in sections 77-2716 and 77-2716.01, plus a percentage of the 17 federal tax on premature or lump-sum distributions from qualified 18 retirement plans. The additional taxes 19 shall be recomputed by substituting Nebraska taxable income for federal taxable income and 20 applying Nebraska rates to the result. 21

22 (3) The tax for each nonresident individual and partial-year resident individual shall be the portion of the tax imposed on resident 23 24 individuals which is attributable to the income derived from sources within this state. The tax which is attributable to income derived from 25 sources within this state shall be determined by subtracting from the 26 liability to this state for a resident individual with the same total 27 income the credit for personal exemptions and multiplying the result by a 28 fraction, the numerator of which is the nonresident individual's or 29 partial-year resident individual's Nebraska adjusted gross income as 30 31 determined by section 77-2733 or 77-2733.01 and the denominator of which

-41-

1 is his or her total federal adjusted gross income, after first adjusting 2 each by the amounts provided in section 77-2716. If this determination 3 attributes more or less tax than is reasonably attributable to income 4 derived from sources within this state, the taxpayer may petition for or 5 the Tax Commissioner may require the employment of any other method to 6 attribute an amount of tax which is reasonable and equitable in the 7 circumstances.

8 (4) The tax for each estate and trust, other than trusts taxed as 9 corporations under the Internal Revenue Code of 1986, shall be as 10 determined under section 77-2717.

(5) A refund shall be allowed to the extent that the income tax paid by the individual, estate, or trust for the taxable year exceeds the income tax payable, except that no refund shall be made in any amount less than two dollars.

Sec. 18. Section 77-2715.03, Revised Statutes Cumulative Supplement,
2016, is amended to read:

17 77-2715.03 (1) For taxable years beginning or deemed to begin on or

18 (5) (4) Whenever the tax brackets or tax rates are changed by the 19 Legislature, the Tax Commissioner shall update the tax rate schedules to 20 reflect the new tax brackets or tax rates and shall publish such updated 21 schedules.

(6) (5) The Tax Commissioner shall prepare, from the rate schedules, 22 tax tables which can be used by a majority of the taxpayers to determine 23 24 their Nebraska tax liability. The design of the tax tables shall be determined by the Tax Commissioner. The size of the tax table brackets 25 may change as the level of income changes. The difference in tax between 26 two tax table brackets shall not exceed fifteen dollars. The Tax 27 28 Commissioner may build the personal exemption credit and standard 29 deduction amounts into the tax tables.
