-42-

1 the procedures prescribed in subsections (2) through (6) of this section, not to meet state accreditation or approval requirements shall be based 2 upon evidence that such schools offer a program of instruction leading to 3 4 the acquisition of basic skills in the language arts, mathematics, science, social studies, and health. Such rules and regulations may 5 include a provision for the visitation of such schools and regular 6 7 achievement testing of students attending such schools in order to insure that such schools are offering instruction in the basic skills listed in 8 9 this subsection. Any arrangements for visitation or testing shall be made through a parent representative of each such school. The results of such 10 testing may be used as evidence that such schools are offering 11 instruction in such basic skills but shall not be used to measure, 12 compare, or evaluate the competency of students at such schools. 13

(3) The provisions of subsections (3) through (6) of this section 14 shall apply to any private, denominational, or parochial school in the 15 16 State of Nebraska which elects not to meet state accreditation or approval requirements. Elections pursuant to such subsections shall be 17 effective when a statement is received by the Commissioner of Education 18 signed by the parents or legal guardians of all students attending such 19 private, denominational, or parochial school, stating that (a) either 20 specifically (i) the requirements for approval and accreditation required 21 by law and the rules and regulations adopted and promulgated by the State 22 23 Board of Education violate sincerely held religious beliefs of the 24 parents or legal guardians or (ii) the requirements for approval and 25 accreditation required by law and the rules and regulations adopted and promulgated by the State Board of Education interfere with the decisions 26 of the parents or legal guardians in directing the student's education, 27 28 (b) an authorized representative of such parents or legal guardians will at least annually submit to the Commissioner of Education the information 29 necessary to prove that the requirements of subdivisions (4)(a) through 30 (c) of this section are satisfied, (c) the school offers the courses of 31

-43-

1 instruction required by subsections (2), (3), and (4) of this section, 2 and (d) the parents or legal guardians have satisfied themselves that 3 individuals monitoring instruction at such school are qualified to 4 monitor instruction in the basic skills as required by subsections (2), 5 (3), and (4) of this section and that such individuals have demonstrated 6 an alternative competency to monitor instruction or supervise students 7 pursuant to subsections (3) through (6) of this section.

8 (4) Each such private, denominational, or parochial school shall (a) 9 meet minimum requirements relating to health, fire, and safety standards prescribed by state law and the rules and regulations of the State Fire 10 Marshal, (b) report attendance pursuant to section 79-201, (c) maintain a 11 sequential program of instruction designed to lead to basic skills in the 12 language arts, mathematics, science, social studies, and health, and (d) 13 14 comply with the immunization requirements in section 79-217 if the statement signed by the parents or legal guardians 15 indicate a nonreligious reason pursuant to subdivision (3)(a)(ii) of this section 16 for the student attending a private, denominational, or parochial school 17 which elects not to meet state accreditation or approval requirements. 18 19 The State Board of Education shall establish procedures for receiving information and reports required by subsections (3) through (6) of this 20 section from authorized parent representatives who may act as agents for 21 parents or legal guardians of students attending such school and for 22 individuals monitoring instruction in the basic skills required by 23 subsections (2), (3), and (4) of this section. 24

Such evidence may include educational transcripts, diplomas, and other information regarding the formal educational background of such 6 individuals. Information concerning test results, transcripts, diplomas, 7 and other evidence of formal education may be transmitted to the State 8 9 Department of Education by authorized representatives of parents or legal guardians. The results of such testing or alternative evaluation of 10 individuals who monitor the instruction of students attending such 11 schools may be used as evidence of whether or not such schools are 12 13 offering adequate instruction in the basic skills prescribed in subsections (2), (3), and (4) of this section but shall not be used to 14 prohibit any such school from employing such individuals. Failure of a 15 16 monitor, who is tested for the purpose of satisfying in whole or in part the requirements of subsections (3) through (6) of this section, to 17 attain a score equal to or exceeding both the state or national average 18 19 score or rating on appropriate subject matter components of recognized teacher competency examinations designated by the State Board of 20 Education may be by itself sufficient proof that such school does not 21 22 offer adequate instruction in the basic skills prescribed in subsections (3) and (4) of this section. 23

24 (6) The demonstration of competency to monitor instruction in a private, denominational, or parochial school which has elected not to 25 meet state accreditation or approval requirements shall in no way 26 constitute or be construed to grant a license, permit, or certificate to 27 28 teach in the State of Nebraska. Any school which elects not to meet state accreditation or approval requirements and does not meet the requirements 29 of subsections (2) through (6) of this section shall not be deemed a 30 school for purposes of section 79-201, and the parents or legal guardians 31
