3 liability to this state for a resident estate or trust with the same
4 total income by a fraction, the numerator of which is the nonresident
5 estate's or trust's Nebraska income as determined by sections 77-2724
6 and 77-2725 and the denominator of which is its total federal income
7 after first adjusting each by the amounts provided in section

3 shall be responsible for making the return for the estate or trust
4 for which he or she acts, whether the income be taxable to the estate
5 or trust or to the beneficiaries thereof. The fiduciary shall include
6 in the return a statement of each beneficiary's distributive share of
7 net income when such income is taxable to such beneficiaries.

8 (3) The beneficiaries of such estate or trust who are
9 residents of this state shall include in their income their
10 proportionate share of such estate's or trust's federal income and
11 shall reduce their Nebraska tax liability by their proportionate
12 share of the credits as provided in the Angel Investment Tax Credit
13 Act, the Historic Property Restoration and Reuse Act, the Nebraska

25 (b) a reduction of the Nebraska tax liability by his or her

1 proportionate share of the credits as provided in the Angel
2 Investment Tax Credit Act, the Historic Property Restoration and
3 Reuse Act, the Nebraska Advantage Microenterprise Tax Credit Act, and
4 the Nebraska Advantage Research and Development Act and shall execute
5 and forward to the fiduciary, on or before the original due date of
6 the Nebraska fiduciary return, an agreement which states that he or
7 she will file a Nebraska income tax return and pay income tax on all
8 income derived from or connected with sources in this state, and such
9 agreement shall be attached to the Nebraska fiduciary return for such
10 taxable year.

11 (5) In the absence of the nonresident beneficiary's
12 executed agreement being attached to the Nebraska fiduciary return,
13 the estate or trust shall remit a portion of such beneficiary's
14 income which was derived from or attributable to Nebraska sources
15 with its Nebraska return for the taxable year. The amount of
16 remittance, in such instance, shall be the highest individual income
17 tax rate determined under section 77-2715.02 multiplied by the
18 nonresident beneficiary's share of the estate or trust income which
19 was derived from or attributable to sources within this state. The
20 amount remitted shall be allowed as a credit against the Nebraska
21 income tax liability of the beneficiary.

22 (6) The Tax Commissioner may allow a nonresident
23 beneficiary to not file a Nebraska income tax return if the
24 nonresident beneficiary's only source of Nebraska income was his or
25 her share of the estate's or trust's income which was derived from or

1 attributable to sources within this state, the nonresident did not
2 file an agreement to file a Nebraska income tax return, and the
3 estate or trust has remitted the amount required by subsection (5) of
4 this section on behalf of such nonresident beneficiary. The amount
5 remitted shall be retained in satisfaction of the Nebraska income tax
6 liability of the nonresident beneficiary.

7 (7) For purposes of this section, unless the context
8 otherwise requires, simple trust shall mean any trust instrument
9 which (a) requires that all income shall be distributed currently to
10 the beneficiaries, (b) does not allow amounts to be paid, permanently
11 set aside, or used in the tax year for charitable purposes, and (c)
12 does not distribute amounts allocated in the corpus of the trust. Any
13 trust which does not qualify as a simple trust shall be deemed a
14 complex trust.

15 (8) For purposes of this section, any beneficiary of an
16 estate or trust that is a grantor trust of a nonresident shall be
17 disregarded and this section shall apply as though the nonresident
18 grantor was the beneficiary.
