14 administrative processing fee not to exceed twenty-five dollars if
15 the information is not timely received or the money is delinquent. In
16 addition, the board may charge a late fee of thirty-eight thousandths
17 of one percent of the amount required to be submitted pursuant to
18 this section for each day such amount has not been received. Such
19 director shall promptly thereafter remit the same to the State

6 (6) Not later than January 1 of each year, the State
7 Treasurer shall transfer to the fund the amount certified by the
8 board as being necessary to pay the cost of any benefits accrued
9 during the fiscal year ending the previous June 30 in excess of
10 member contributions for that fiscal year and court fees as provided
11 in subsection (3) of this section and fees pursuant to sections
12 25-2804, 33-103, 33-103.01, 33-106, 33-106.02, 33-123, 33-125,
13 33-126.02, 33-126.03, and 33-126.06 and directed to be remitted to
14 the fund, if any, for that fiscal year plus any required
15 contributions of the state as provided in subsection (9) of this
16 section.

17 (7) Benefits under the retirement system to members or to
18 their beneficiaries shall be paid from the fund.

19 (8) Any member who is making contributions to the fund on
20 December 25, 1969, may, on or before June 30, 1970, elect to become a
21 future member by delivering written notice of such election to the
22 board.

23 (9) Not later than January 1 of each year, the State
24 Treasurer shall transfer to the fund an amount, determined on the
25 basis of an actuarial valuation as of the previous June 30 and

1 certified by the board, to fully fund the unfunded accrued
2 liabilities of the retirement system as of June 30, 1988, by level
3 payments up to January 1, 2000. Such valuation shall be on the basis
4 of actuarial assumptions recommended by the actuary, approved by the
5 board, and kept on file with the board. For the fiscal year beginning
6 July 1, 2002, and each fiscal year thereafter, the actuary for the
7 board shall perform an actuarial valuation of the system using the
8 entry age actuarial cost method. Under this method, the actuarially
9 required funding rate is equal to the normal cost rate, plus the
10 contribution rate necessary to amortize the unfunded actuarial
11 accrued liability on a level payment basis. The normal cost under
12 this method shall be determined for each individual member on a level
13 percentage of salary basis. The normal cost amount is then summed for
14 all members. The initial unfunded actual accrued liability as of July
15 1, 2002, if any, shall be amortized over a twenty-five-year period.
16 Prior to July 1, 2006, changes in the funded actuarial accrued
17 liability due to changes in benefits, actuarial assumptions, the
18 asset valuation method, or actuarial gains or losses shall be
19 measured and amortized over a twenty-five-year period beginning on
20 the valuation date of such change. Beginning July 1, 2006, any
21 existing unfunded liabilities shall be reinitialized and amortized
22 over a thirty-year period, and during each subsequent actuarial
23 valuation, changes in the funded actuarial accrued liability due to
24 changes in benefits, actuarial assumptions, the asset valuation
25 method, or actuarial gains or losses shall be measured and amortized

1 over a thirty-year period beginning on the valuation date of such
2 change. If the unfunded actuarial accrued liability under the entry
3 age actuarial cost method is zero or less than zero on an actuarial
4 valuation date, then all prior unfunded actuarial accrued liabilities
5 shall be considered fully funded and the unfunded actuarial accrued
6 liability shall be reinitialized and amortized over a thirty-year
7 period as of the actuarial valuation date. If the actuarially
8 required contribution rate exceeds the rate of all contributions
9 required pursuant to the Judges Retirement Act, there shall be a
10 supplemental appropriation sufficient to pay for the differences
11 between the actuarially required contribution rate and the rate of
12 all contributions required pursuant to the Judges Retirement Act.

13 (10) The state or county shall pick up the member
14 contributions required by this section for all compensation paid on
15 or after January 1, 1985, and the contributions so picked up shall be
16 treated as employer contributions in determining federal tax
17 treatment under the Internal Revenue Code as defined in section
18 49-801.01, except that the state or county shall continue to withhold
19 federal income taxes based upon these contributions until the
20 Internal Revenue Service or the federal courts rule that, pursuant to
21 section 414(h) of the code, these contributions shall not be included
22 as gross income of the member until such time as they are distributed
23 or made available. The state or county shall pay these member
24 contributions from the same source of funds which is used in paying
25 earnings to the member. The state or county shall pick up these

1 contributions by a compensation deduction through a reduction in the
2 compensation of the member. Member contributions picked up shall be
3 treated for all purposes of the Judges Retirement Act in the same
4 manner and to the extent as member contributions made prior to the
5 date picked up.

6 Sec. 2. In addition to the fees provided for in sections
7 33-106 and 33-123, the clerk of the court shall collect an additional
8 four dollars in docket fees for all civil cases. The fee shall be
9 remitted to the State Treasurer on forms prescribed by the State
10 Treasurer within ten days after the close of each calendar quarter.
11 The State Treasurer shall credit the fee to the general fund of the
12 county of the judicial district in which the civil case was filed. If
13 more than one county is contained within a judicial district, the
14 State Treasurer shall credit the fee to the general fund of each
15 county in proportion to the number of acres of school lands within
16 each county.
