Introduced by Gloor, 35.

PURPOSE: The purpose of this resolution is to study issues surrounding the blending of various fuels in Nebraska and the impact of right to blend laws in other states. The study shall examine the following issues, including, but not limited to:

(3) How the Renewable Fuel Standard program, authorized under the federal Energy Policy Act of 2005 and expanded under the federal Energy Independence and Security Act of 2007, affects retail fuel prices; and

1. That the Natural Resources Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.
