ASSEMBLY, No. 1728

with Senate Floor Amendments
(Proposed by Senator STANFIELD)

ADOPTED: JUNE 26, 2023

These Senate Floor Amendments clarify that a majority of the members of Human Trafficking Commission (commission) constitutes a quorum for purposes of the Commission performing any duty or exercising any of its powers. The amendment removes the requirement that a majority of the “authorized membership” be required for a quorum so as to prevent, in the absence or vacancy of any members, the interruption of the commission’s statutory mandate. The amendments also make minor corrections for punctuation.
