AN ACT

RELATING TO HEALTH CARE; AMENDING A SECTION OF THE NEW MEXICO
DRUG, DEVICE AND COSMETIC ACT TO ADD REGISTERED LAY MIDWIVES
AS PRACTITIONERS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

SECTION 1. Section 26-1-2 NMSA 1978 (being Laws 1967,
Chapter 23, Section 2, as amended) is amended to read:

"26-1-2. DEFINITIONS.--As used in the New Mexico Drug,
Device and Cosmetic Act:

A. "board" means the board of pharmacy or its duly
authorized agent;

B. "person" includes an individual, partnership,
corporation, association, institution or establishment;

C. "biological product" means any of the following
that is applicable to the prevention, treatment or cure of a
disease or condition of human beings:

- (1) a virus;
- (2) a therapeutic serum;
- (3) a toxin;
- (4) an antitoxin;
- (5) a vaccine;
- (6) blood;
- (7) a blood component or derivative;
- (8) an allergenic product;

1 (9) a protein, except any chemically
2 synthesized polypeptide;

3 (10) a product that is analogous to any of
4 the products listed in Paragraphs (1) through (9) of this
5 subsection; or

6 (11) arsphenamine, a derivative of
7 arsphenamine or any other trivalent organic arsenic compound;

8 D. "biosimilar" or "biosimilarity" means, in
9 reference to a biological product that the federal food and
10 drug administration has licensed, that:

11 (1) the biological product is highly similar
12 to the reference product notwithstanding minor differences in
13 clinically inactive components; and

14 (2) there are no clinically meaningful
15 differences between the biological product and the reference
16 product in terms of the safety, purity and potency of the
17 product;

18 E. "controlled substance" means a drug, substance
19 or immediate precursor enumerated in Schedules I through V of
20 the Controlled Substances Act;

21 F. "drug" means articles:

22 (1) recognized in an official compendium;

23 (2) intended for use in the diagnosis, cure,
24 mitigation, treatment or prevention of disease in humans or
25 other animals and includes the domestic animal biological

1 products regulated under the federal Animal Virus, Serum,
2 Toxin, Antitoxin Act, 37 Stat 832-833, 21 U.S.C. 151-158, and
3 the biological products applicable to humans regulated under
4 Federal 58 Stat 690, as amended, 42 U.S.C. 216, Section 351,
5 58 Stat 702, as amended, and 42 U.S.C. 262;

6 (3) other than food, that affect the
7 structure or any function of the human body or the bodies of
8 other animals; and

9 (4) intended for use as a component of
10 Paragraph (1), (2) or (3) of this subsection, but "drug" does
11 not include devices or their component parts or accessories;

12 G. "dangerous drug" means a drug, other than a
13 controlled substance enumerated in Schedule I of the
14 Controlled Substances Act, that because of a potentiality for
15 harmful effect or the method of its use or the collateral
16 measures necessary to its use is not safe except under the
17 supervision of a practitioner licensed by law to direct the
18 use of such drug and hence for which adequate directions for
19 use cannot be prepared. "Adequate directions for use" means
20 directions under which the layperson can use a drug or device
21 safely and for the purposes for which it is intended. A drug
22 shall be dispensed only upon the prescription or drug order
23 of a practitioner licensed by law to administer or prescribe
24 the drug if it:

25 (1) is a habit-forming drug and contains any

1 quantity of a narcotic or hypnotic substance or a chemical
2 derivative of such substance that has been found under the
3 federal act and the board to be habit forming;

4 (2) because of its toxicity or other
5 potential for harmful effect or the method of its use or the
6 collateral measures necessary to its use is not safe for use
7 except under the supervision of a practitioner licensed by
8 law to administer or prescribe the drug;

9 (3) is limited by an approved application by
10 Section 505 of the federal act to the use under the
11 professional supervision of a practitioner licensed by law to
12 administer or prescribe the drug;

13 (4) bears the legend: "Caution: federal
14 law prohibits dispensing without prescription.";

15 (5) bears the legend: "Caution: federal
16 law restricts this drug to use by or on the order of a
17 licensed veterinarian."; or

18 (6) bears the legend "RX only";

19 H. "counterfeit drug" means a drug that is
20 deliberately and fraudulently mislabeled with respect to its
21 identity, ingredients or sources. Types of such
22 pharmaceutical counterfeits may include:

23 (1) "identical copies", which are
24 counterfeits made with the same ingredients, formulas and
25 packaging as the originals but not made by the original

1 manufacturer;

2 (2) "look-alikes", which are products that
3 feature high-quality packaging and convincing appearances but
4 contain little or no active ingredients and may contain
5 harmful substances;

6 (3) "rejects", which are drugs that have
7 been rejected by the manufacturer for not meeting quality
8 standards; and

9 (4) "relabels", which are drugs that have
10 passed their expiration dates or have been distributed by
11 unauthorized foreign sources and may include placebos created
12 for late-phase clinical trials;

13 I. "device", except when used in Subsection R of
14 this section and in Subsection G of Section 26-1-3,
15 Subsection L and Paragraph (4) of Subsection A of Section
16 26-1-11 and Subsection C of Section 26-1-24 NMSA 1978, means
17 an instrument, apparatus, implement, machine, contrivance,
18 implant, in vitro reagent or other similar or related
19 article, including any component, part or accessory, that is:

20 (1) recognized in an official compendium;

21 (2) intended for use in the diagnosis of
22 disease or other conditions or in the cure, mitigation,
23 treatment or prevention of disease in humans or other
24 animals; or

25 (3) intended to affect the structure or a

1 function of the human body or the bodies of other animals and
2 that does not achieve any of its principal intended purposes
3 through chemical action within or on the human body or the
4 bodies of other animals and that is not dependent on being
5 metabolized for achievement of any of its principal intended
6 purposes;

7 J. "prescription" means an order given
8 individually for the person for whom prescribed, either
9 directly from a licensed practitioner or the practitioner's
10 agent to the pharmacist, including by means of electronic
11 transmission, or indirectly by means of a written order
12 signed by the prescriber, and bearing the name and address of
13 the prescriber, the prescriber's license classification, the
14 name and address of the patient, the name and quantity of the
15 drug prescribed, directions for use and the date of issue;

16 K. "practitioner" means a certified advanced
17 practice chiropractic physician, physician, doctor of
18 oriental medicine, dentist, veterinarian, euthanasia
19 technician, certified nurse practitioner, clinical nurse
20 specialist, pharmacist, pharmacist clinician, certified
21 nurse-midwife, physician assistant, prescribing
22 psychologist, dental hygienist, optometrist or other person
23 licensed or certified to prescribe and administer drugs that
24 are subject to the New Mexico Drug, Device and Cosmetic Act.
25 "Practitioner" also means a registered lay midwife licensed

1 by the department of health who is certified or licensed in
2 accordance with department of health rules to procure, carry
3 and administer drugs that are subject to the New Mexico Drug,
4 Device and Cosmetic Act;

5 L. "cosmetic" means:

6 (1) articles intended to be rubbed, poured,
7 sprinkled or sprayed on, introduced into or otherwise applied
8 to the human body or any part thereof for cleansing,
9 beautifying, promoting attractiveness or altering the
10 appearance; and

11 (2) articles intended for use as a component
12 of any articles enumerated in Paragraph (1) of this
13 subsection, except that the term shall not include soap;

14 M. "interchangeable biological product" means a
15 biological product that the federal food and drug
16 administration has licensed and:

17 (1) has determined that the biological
18 product is biosimilar to the reference product and can be
19 expected to produce the same clinical result as the reference
20 product in any given patient;

21 (2) for a biological product that is
22 administered more than once to an individual and:

23 (a) has determined to have been
24 administered more than once to the individual; or

25 (b) for which the risk in terms of

1 safety or diminished efficacy of alternating or switching
2 between use of the biological product and the reference
3 product is not greater than the risk of using the reference
4 product without alternation or switching; or

5 (3) has determined to be therapeutically
6 equivalent as set forth in the latest edition or supplement
7 to the federal food and drug administration's approved drug
8 products with therapeutic equivalence evaluations;

9 N. "official compendium" means the official United
10 States pharmacopeia and national formulary or the official
11 homeopathic pharmacopoeia of the United States or any
12 supplement to either of them;

13 O. "label" means a display of written, printed or
14 graphic matter upon the immediate container of an article. A
15 requirement made by or under the authority of the New Mexico
16 Drug, Device and Cosmetic Act that any word, statement or
17 other information appear on the label shall not be considered
18 to be complied with unless the word, statement or other
19 information also appears on the outside container or wrapper,
20 if any, of the retail package of the article or is easily
21 legible through the outside container or wrapper;

22 P. "immediate container" does not include package
23 liners;

24 Q. "labeling" means all labels and other written,
25 printed or graphic matter:

1 (1) on an article or its containers or
2 wrappers; or

3 (2) accompanying an article;

4 R. "misbranded" means a label to an article that
5 is misleading. In determining whether the label is
6 misleading, there shall be taken into account, among other
7 things, not only representations made or suggested by
8 statement, word, design, device or any combination of the
9 foregoing, but also the extent to which the label fails to
10 reveal facts material in the light of such representations or
11 material with respect to consequences that may result from
12 the use of the article to which the label relates under the
13 conditions of use prescribed in the label or under such
14 conditions of use as are customary or usual;

15 S. "advertisement" means all representations
16 disseminated in any manner or by any means, other than by
17 labeling, for the purpose of inducing, or that are likely to
18 induce, directly or indirectly, the purchase of drugs,
19 devices or cosmetics;

20 T. "antiseptic", when used in the labeling or
21 advertisement of an antiseptic, shall be considered to be a
22 representation that it is a germicide, except in the case of
23 a drug purporting to be or represented as an antiseptic for
24 inhibitory use as a wet dressing, ointment, dusting powder or
25 such other use as involves prolonged contact with the body;

1 U. "new drug" means a drug:

2 (1) the composition of which is such that
3 the drug is not generally recognized, among experts qualified
4 by scientific training and experience to evaluate the safety
5 and efficacy of drugs, as safe and effective for use under
6 the conditions prescribed, recommended or suggested in the
7 labeling thereof; or

8 (2) the composition of which is such that
9 the drug, as a result of investigation to determine its
10 safety and efficacy for use under such conditions, has become
11 so recognized, but that has not, otherwise than in such
12 investigations, been used to a material extent or for a
13 material time under such conditions;

14 V. "contaminated with filth" applies to a drug,
15 device or cosmetic not securely protected from dirt, dust
16 and, as far as may be necessary by all reasonable means, from
17 all foreign or injurious contaminations, or a drug, device or
18 cosmetic found to contain dirt, dust, foreign or injurious
19 contamination or infestation;

20 W. "selling of drugs, devices or cosmetics" shall
21 be considered to include the manufacture, production,
22 processing, packing, exposure, offer, possession and holding
23 of any such article for sale and the sale and the supplying
24 or applying of any such article in the conduct of a drug or
25 cosmetic establishment;

1 X. "color additive" means a material that:

2 (1) is a dye, pigment or other substance
3 made by a process of synthesis or similar artificie or
4 extracted, isolated or otherwise derived, with or without
5 intermediate or final change of identity, from a vegetable,
6 mineral, animal or other source; or

7 (2) when added or applied to a drug or
8 cosmetic or to the human body or a part thereof, is capable,
9 alone or through reaction with other substances, of imparting
10 color thereto; except that such term does not include any
11 material that has been or hereafter is exempted under the
12 federal act;

13 Y. "federal act" means the Federal Food, Drug, and
14 Cosmetic Act;

15 Z. "restricted device" means a device for which
16 the sale, distribution or use is lawful only upon the written
17 or oral authorization of a practitioner licensed by law to
18 administer, prescribe or use the device and for which the
19 federal food and drug administration requires special
20 training or skills of the practitioner to use or prescribe.
21 This definition does not include custom devices defined in
22 the federal act and exempt from performance standards or
23 premarket approval requirements under Section 520(b) of the
24 federal act;

25 AA. "prescription device" means a device that,

1 because of its potential for harm, the method of its use or
2 the collateral measures necessary to its use, is not safe
3 except under the supervision of a practitioner licensed in
4 this state to direct the use of such device and for which
5 "adequate directions for use" cannot be prepared, but that
6 bears the label: "Caution: federal law restricts this
7 device to sale by or on the order of a _____", the blank
8 to be filled with the word "physician", "physician
9 assistant", "certified advanced practice chiropractic
10 physician", "doctor of oriental medicine", "dentist",
11 "veterinarian", "euthanasia technician", "certified nurse
12 practitioner", "clinical nurse specialist", "pharmacist",
13 "pharmacist clinician", "certified nurse-midwife", "dental
14 hygienist", "registered lay midwife" or "optometrist" or with
15 the descriptive designation of any other practitioner
16 licensed in this state to use or order the use of the device;

17 BB. "valid practitioner-patient relationship"
18 means a professional relationship, as defined by the
19 practitioner's licensing board, between the practitioner and
20 the patient;

21 CC. "pedigree" means the recorded history of a
22 drug;

23 DD. "drug order" means an order either directly
24 from a licensed practitioner or the practitioner's agent to
25 the pharmacist, including by means of electronic transmission

1 or indirectly by means of a written order signed by the
2 licensed practitioner or the practitioner's agent, and
3 bearing the name and address of the practitioner and the
4 practitioner's license classification and the name and
5 quantity of the drug or device ordered for use at an
6 inpatient or outpatient facility; and

7 EE. "reference product" means the single
8 biological product against which a biosimilar was evaluated in
9 its marketing application to the federal food and drug
10 administration."
