AN ACT relating to economic development; revising provisions relating to the membership of the Board of Economic Development; revising provisions governing the appointment of the Executive Director of the Office of Economic Development within the Office of the Governor; renaming and revising provisions relating to the Division of Motion Pictures within the Office of Economic Development; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law creates the Board of Economic Development, which is required to review
2 and make recommendations on various aspects of economic development in Nevada. (NRS
3 231.033, 231.037) Under existing law, the Board consists of: (1) nine voting members,
4 including the Governor, the Lieutenant Governor, the Secretary of State and six
5 representatives of the private sector; and (2) two nonvoting members, which are the
6 Chancellor of the Nevada System of Higher Education or his or her designee and the Director
7 of the Department of Employment, Training and Rehabilitation. (NRS 231.033) **Section 2** of
8 this bill adds the Director of the Department of Business and Industry as a nonvoting member
9 of the Board. **Section 2** also clarifies that the requirements in existing law relating to a
10 quorum and calling of meetings only apply to the voting members of the Board.

11 Existing law creates the Office of Economic Development within the Office of the
12 Governor, the administrative and technical activities of which are directed and supervised by
13 an Executive Director. (NRS 231.043, 231.047, 231.053) Under existing law, the Executive
14 Director is required to be appointed by the Governor from a list of three persons
15 recommended by the Board. (NRS 231.047) **Section 4** of this bill changes the number of
16 names that the Board is required to recommend to a maximum of three persons.

17 Under existing law, the Office of Economic Development consists of the Division of
18 Economic Development and the Division of Motion Pictures. (NRS 231.043) **Section 3** of this
19 bill renames the Division of Motion Pictures as the Nevada Film Office.

20 Existing law requires the Division of Motion Pictures to formulate a program to promote
21 the production of motion pictures in this State, which must include: (1) a directory of names
22 of persons and governmental agencies in Nevada with the capacity to provide skills and

23 facilities needed for the production of motion pictures; and (2) a library containing
 24 audiovisual recordings depicting available locations for the production of motion pictures in
 25 Nevada. (NRS 231.127) **Section 1** of this bill removes limitations on the types of motion
 26 pictures covered by the program in existing law and includes commercials and other
 27 audiovisual media within the program. (NRS 231.020) **Section 5** of this bill removes the
 28 requirement for the development of a library of audiovisual recordings of available locations
 29 and instead requires that the directory of names and available locations be made available on
 30 the Internet website of the Nevada Film Office.

31 Existing law requires a motion picture company to register with the Division of Motion
 32 Pictures before commencing production of a motion picture in Nevada. Under existing law,
 33 the registration is required to be signed by the Administrator of the Division of Motion
 34 Pictures or, in a county whose population is 700,000 or more (currently Clark County), by the
 35 head of the department or agency within the county which is authorized to issue business
 36 licenses on behalf of the county. (NRS 231.128) **Section 6** of this bill eliminates the alternate
 37 signature required in larger counties, and therefore all registrations are required to be signed
 38 by the Administrator. **Sections 5 and 6** of this bill change the term “motion picture company”
 39 to “media production company.”
