AN ACT relating to veterans; requiring the Director of the Department of Veterans Services to appoint an administrator or contract with a management company that must appoint an administrator for each veterans’ home in this State; authorizing the Director to establish veterans’ Adult Day Health Care facilities in this State; removing certain requirements regarding the locations at which veterans’ homes must be established in this State; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires the Director of the Department of Veterans Services to
2 appoint an administrator for each veterans’ home in this State. (NRS 417.147)
3 **Section 9** of this bill requires the Director to: (1) appoint such an administrator; or
4 (2) contract with a management company that must appoint such an administrator.
5 **Section 5** of this bill clarifies that an administrator is one who is appointed pursuant
6 to **section 9**. **Sections 7, 10 and 11** of this bill make conforming changes by
7 clarifying what type of administrator is affected by those sections.
8 Existing law authorizes the money deposited in the Veterans Home Account to
9 be spent to establish, manage and operate veterans’ homes in this State. (NRS
10 417.145) **Section 8** of this bill authorizes the money deposited in the Veterans
11 Home Account to be expended for the establishment, management, maintenance
12 and operation of veterans’ Adult Day Health Care facilities, if the Director chooses
13 to establish such facilities. **Sections 6 and 8-10** of this bill make conforming
14 changes. **Section 6** requires the Department of Veterans Services to provide annual

15 statistics regarding the number of veterans who receive care or other services at: (1)
16 a veterans' home operated by the State; and (2) if applicable, a veterans' Adult Day
17 Health Care facility operated by the State. **Section 8** requires money received from
18 certain sources for funding a veterans' Adult Day Health Care facility to be
19 deposited with the State Treasurer for credit to the Veterans Home Account.
20 **Section 9** requires the Director, if the Director has established a veterans' Adult
21 Day Health Care facility, to: (1) appoint a manager for each veterans' Adult Day
22 Health Care facility in this State; (2) take such other actions as are necessary for the
23 management, maintenance and operation of the veterans' Adult Day Health Care
24 facility; and (3) recommend a schedule of rates to the State Board of Examiners for
25 the use of services at each veterans' Adult Day Health Care facility. **Section 10**
26 creates a revolving account up to the amount of \$2,000 for each veterans' Adult
27 Day Health Care facility, if the Director has established such facilities, and
28 provides for the management of the revolving account.

29 Existing law requires the first veterans' home that is established in this State to
30 be established at a location in southern Nevada and requires that certain other
31 conditions be met in determining the location in southern Nevada. Existing law
32 further requires an additional veterans' home, if authorized, to be established in
33 northern Nevada. (NRS 417.147) **Section 9** removes these requirements, leaving
34 the Director with existing general authority to establish veterans' homes in this
35 State.
