CHAPTER.....

AN ACT relating to transportation; authorizing certain officials in each county responsible for the maintenance and repair of certain roads to establish a Complete Streets program for retrofitting certain roads to improve access to those roads by all users; allowing a person who is registering or renewing the registration of a vehicle at a kiosk or via the Internet to make a voluntary contribution at that time to the Complete Streets program in his or her county; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, in a county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties), the board of county highway commissioners is authorized to construct, repair and maintain public highways and roads within the county. (NRS 403.090) Existing law also provides that a county may, by ordinance, create a regional transportation commission if a streets and highways plan has been adopted by the county or regional planning commission. (NRS 277A.170) **Section 5** of this bill allows a regional transportation commission to adopt a policy for a Complete Streets program, which means a program for the retrofitting of streets or highways under the jurisdiction of the commission for the primary purpose of adding or significantly repairing facilities that provide street or highway access considering all users, including, without limitation, pedestrians, bicycle riders, persons with a disability, persons who use public transportation and motorists. **Section 4.8** of this bill allows the board of county commissioners, in a county whose population is 100,000 or more (currently Clark and Washoe Counties) and in which a regional transportation commission does not exist, to adopt a Complete Streets program. **Section 9** of this bill allows the board of county highway commissioners, in a county whose population is less than 100,000 and in which a regional transportation commission does not exist, to adopt a Complete Streets program.

Sections 2 and 3 of this bill require the Department of Motor Vehicles to include on each application for vehicle registration or renewal of registration that is completed at a kiosk or via the Internet notice of a nonrefundable and voluntary \$2 contribution to be made to the Complete Streets program in the county where the vehicle is to be registered if the person registering the vehicle or renewing the registration indicates on that application that he or she wishes to opt in to making the contribution. **Section 1** of this bill requires the Department of Motor Vehicles to distribute monthly the money collected from the voluntary contributions to the transportation officials in the respective counties. **Section 1** also authorizes the Department to retain 1 percent of the money collected as reimbursement for the costs of collecting and distributing the money.

Sections 4.8, 5 and 9 require that a board of county commissioners, regional transportation commission or a board of county highway commissioners which receives money from the Department of Motor Vehicles for a Complete Streets program use that money only for projects that are a part of such a program.

Section 16.5 of this bill requires the Director of the Department of Motor Vehicles to determine when sufficient resources are available for the Department to

carry out the provisions of this bill, and to provide notice of that fact. **Section 17** of this bill provides that this bill becomes effective: (1) upon passage and approval, for the purpose of adopting regulations and performing other preparatory administrative tasks; and (2) for all other purposes, upon the earlier of October 1, 2015, or the date on which the Director provides notice that sufficient resources are available for the Department to carry out the provisions of this bill.
