AN ACT relating to education; establishing a credit against the modified business tax for taxpayers who donate money to a scholarship organization; setting forth certain requirements for a scholarship organization and for schools that receive grants from a scholarship organization; requiring a scholarship organization to submit an annual report to the Department of Education; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, financial institutions and other employers are required to pay an excise tax (the modified business tax) on wages paid by them. (NRS 363A.130, 363B.110) With respect to that tax, **section 4** of this bill establishes a tax credit equal to an amount approved by the Department of Taxation, which must not exceed the amount of any donation of money made by a taxpayer to a scholarship organization. To claim the tax credit, **section 4** requires a scholarship organization to apply to the Department for approval of the credit for a taxpayer who intends to make a donation to the scholarship organization. If the Department approves the application, the scholarship organization must provide notice to the prospective donor, who must make the donation within 30 days after receiving the notice. If the donor does not make the donation within the requisite period, the donor forfeits eligibility for the credit. The Department: (1) must approve or deny applications for the tax credit in the order in which the applications are received by the Department; and (2) is authorized to approve applications for each fiscal year until the amount of the tax credits approved for the fiscal year is the amount authorized by statute for that fiscal year. For Fiscal Year 2015-2016, the amount authorized is \$5 million. The amount authorized for each succeeding fiscal year is 110 percent of the amount authorized for the immediately preceding fiscal year.

Section 5 of this bill provides that a scholarship organization: (1) must be exempt from taxation pursuant to section 501(c)(3) of the Internal Revenue Code (26 U.S.C. § 501 (c)(3)); (2) must not own or operate any school that receives grants pursuant to **sections 2-6** of this bill; (3) must accept donations and may also solicit and accept gifts and grants in addition to donations; (4) must not expend for administrative expenses more than 5 percent of the money it receives; (5) must provide grants on behalf of pupils who are members of a household with a household income which is not more than 300 percent of the federally designated level signifying poverty to attend schools in this State, including private schools, chosen by the parents or legal guardians of those pupils; (6) must not limit to a single school the schools for which it provides grants; and (7) must not limit grants to specific pupils. **Section 5** also requires the maximum amount of a grant provided by the scholarship organization to be adjusted each fiscal year in an amount corresponding to the percentage of increase in the Consumer Price Index published by the United States Department of Labor for the preceding calendar year. With respect to donations, gifts and grants governed by this bill, **section 5** also requires the organization to provide each person who makes a donation, gift or grant with an affidavit attesting to certain information. For each pupil who is a beneficiary of a grant, **section 5** requires that the school in which the pupil is enrolled maintain a record of the pupil's academic progress in such a manner that the information may be aggregated for all such pupils enrolled in the school.

Section 6 requires a scholarship organization to submit an annual report to the Department of Education concerning the donations, gifts and grants received by the organization and the grants made by it during the preceding year. **Sections 7 and 8** of this bill provide specifically for application of the credit against the taxes affected by this bill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 385 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 6, inclusive, of this act.

Sec. 2. *Sections 2 to 6, inclusive, of this act may be cited as the Nevada Educational Choice Scholarship Program.*

Sec. 3. *As used in sections 2 to 6, inclusive, of this act, unless the context otherwise requires, “scholarship organization” means an organization in this State that meets the requirements set forth in section 5 of this act.*

Sec. 4. *1. Any taxpayer who is required to pay a tax pursuant to NRS 363A.130 or 363B.110 may receive a credit against the tax otherwise due for any donation of money made by the taxpayer to a scholarship organization in the manner provided by this section.*

2. To receive the credit authorized by subsection 1, a taxpayer who intends to make a donation of money to a scholarship organization must, before making such a donation, notify the scholarship organization of the taxpayer’s intent to make the donation and to seek the credit authorized by subsection 1. A scholarship organization shall, before accepting any such donation, apply to the Department of Taxation for approval of the credit authorized by subsection 1 for the donation. The Department of Taxation shall, within 20 days after receiving the application, approve or deny the application and provide to the scholarship organization notice of the decision and, if the application is approved, the amount of the credit authorized. Upon receipt of notice that the application has been approved, the scholarship organization shall provide notice of the approval to the taxpayer who must, not later than 30 days after receiving the notice, make the donation of money to the scholarship organization. If the taxpayer does not make the donation of money to the scholarship organization within 30 days after receiving the notice, the scholarship organization shall provide notice of the

failure to the Department of Taxation and the taxpayer forfeits any claim to the credit authorized by subsection 1.

3. The Department of Taxation shall approve or deny applications for the credit authorized by subsection 1 in the order in which the applications are received. The Department of Taxation may, for each fiscal year, approve applications for the credit authorized by subsection 1 until the total amount of the credits authorized by subsection 1 and approved by the Department of Taxation is:

(a) For Fiscal Year 2015-2016, \$5,000,000;

(b) For Fiscal Year 2016-2017, \$5,500,000; and

(c) For each succeeding fiscal year, an amount equal to 110 percent of the amount authorized for the immediately preceding fiscal year.

↳ The amount of any credit which is forfeited pursuant to subsection 2 must not be considered in calculating the amount of credits authorized for any fiscal year.

4. If a taxpayer applies to and is approved by the Department of Taxation for the credit authorized by subsection 1, the amount of the credit provided by this section is equal to the amount approved by the Department of Taxation pursuant to subsection 2, which must not exceed the amount of the donation made by the taxpayer to a scholarship organization. The total amount of the credit applied against the taxes described in subsection 1 and otherwise due from a taxpayer must not exceed the amount of the donation.

5. If the amount of the tax described in subsection 1 and otherwise due from a taxpayer is less than the credit to which the taxpayer is entitled pursuant to this section, the taxpayer may, after applying the credit to the extent of the tax otherwise due, carry the balance of the credit forward for not more than 5 years after the end of the calendar year in which the donation is made or until the balance of the credit is applied, whichever is earlier.

On May 1 of each year, the Department of Education shall determine the amount of increase required by this subsection, establish the adjusted amounts to take effect on July 1 of that year and notify each scholarship organization of the adjusted amounts.
