AN ACT relating to property taxes; revising provisions governing appeals of the assessment of property to county boards of equalization and the State Board of Equalization; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law provides that under certain circumstances, the owner of real or
2 personal property that is placed on the secured or unsecured tax roll may file an
3 appeal concerning the assessment of the owner’s property with the county board of
4 equalization or the State Board of Equalization. (NRS 361.356, 361.357, 361.360)
5 Existing law further provides that if a person files such an appeal, on behalf of the
6 owner of the property, the person filing the appeal must provide to the county board
7 of equalization or the State Board of Equalization, as appropriate, written
8 authorization from the owner of the property that authorizes the person to file the
9 appeal. If the appeal is filed in a timely manner without the written authorization,
10 the person filing the appeal may provide the written authorization within 48 hours
11 after the deadline for filing the appeal. (NRS 361.362)

12 **Section 1** of this bill specifically provides that the term “owner” includes a
13 person who owns, controls or possesses taxable property or is otherwise responsible
14 for the payment of the taxes on the property or is an authorized representative of the
15 property. Thus, under **section 1**, any of these persons may file an appeal without
16 submitting the written authorization from the owner to file the appeal which is
17 required under existing law.

18 **Section 2** of this bill provides that if an appeal must be filed with the written
19 authorization from the owner to file the appeal but the assessor objects to the
20 written authorization, the assessor must give written notice of the objection to
21 the person who filed the appeal and that person may submit documentation to cure
22 the objection within 7 days after receipt of the notice.
