Legislative Counsel’s Digest:

1 Existing law sets forth various procedures for public purchasing by state

6 This bill provides for the disposition of money received by the State in the form
7 of rebates for purchases made by using charge cards issued to using agencies or
8 their authorized representatives, commonly known as “procurement cards,” where
9 the disposition is not otherwise prohibited by law or any other restriction on the use
10 or disposition of the money used for such a purchase. Under the provisions of this
11 bill, after deducting administrative costs: (1) 50 percent of any such rebate must be
12 deposited into the Account to Stabilize the Operation of the State Government; and
13 (2) the other 50 percent must be given to the using agency that made the purchase.
14 Such money deposited into the Rainy Day Fund must not be used to replace or
15 supplant funding from other sources. Also, such money received by the using
16 agency: (1) must not be used to replace or supplant funding from other sources; and
17 (2) may be used at the discretion of the head of the agency.
