

Assembly Bill No. 236—Committee on  
Health and Human Services

CHAPTER.....

AN ACT relating to child welfare; authorizing the director of an agency which provides child welfare services or certain designees to request the education records of a pupil who is in the custody of the agency; requiring a public or private school or school district to comply with such a request; providing that the board of trustees of a school district, the governing body of a charter school or the governing body of a private school may be joined as a party in a proceeding concerning the protection of a child for failing to comply with such a request; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing state and federal law prohibits a public school from releasing the education records of a pupil without the written consent of the parent of the pupil, except in certain circumstances. (20 U.S.C. § 1232g; NRS 392.029) Federal law creates an exception to that prohibition for a representative of a state or local child welfare agency who has a right to access a pupil's case plan. (20 U.S.C. § 1232g(b)(1)(L)) **Section 1** of this bill authorizes the director of an agency which provides child welfare services or his or her designee who is responsible for the supervision of the case plan of a child in the custody of the agency to request from a public or private school or school district any education records concerning the child. **Section 1** also prohibits a person who requests such education records from disclosing the records except as authorized by law. If such a request for education records is made, **section 1** requires the agency which provides child welfare services and the board of trustees of the school district, the governing body of the charter school or the governing body of the private school, as applicable, to enter into a memorandum of understanding which sets forth the terms for use of the education records and any required training concerning federal law governing such use. **Sections 6 and 7** of this bill require a public or private school or school district to comply with such a request, and provide that any failure to comply may result in the board of trustees or governing body, as applicable, being joined as a party in a proceeding concerning the protection of the child.
