FISCAL NOTE: Effect on Local Government: No.

Effect on the State: No.

EXPLANATION - Matter in bolded italics is new; matter between brackets formitted material is material to be omitted.

AN ACT relating to the protection of minors; requiring a person that operates an online platform, Internet website or other Internet-based service that, as its primary business, publishes or makes available material that is harmful to minors to establish an age verification system to verify the age of prospective users; prohibiting such persons from allowing a prospective user to access material that is harmful to minors under certain circumstances; establishing civil penalties; authorizing the Attorney General to bring a civil action to recover such penalties; and providing other matters properly relating thereto.

#### **Legislative Counsel's Digest:**

Existing law prohibits a person from engaging in certain conduct relating to the exhibition and sale to minors of obscene material. (NRS 201.265) **Section 1** of this bill requires a person that operates an online platform, Internet website or other Internet-based service that, as its primary business, publishes or makes available material that is harmful to minors to establish an age verification system to determine whether a prospective user is a minor before allowing the prospective user to access material that is harmful to minors. **Section 1** also: (1) prescribes certain requirements relating to the security and privacy of any personal information collected under **section 1**; (2) authorizes the Attorney General to recover a civil penalty of not more than \$10,000 for each violation of **section 1**; and (3) authorizes the parent or guardian of a minor to bring a civil action for damages against a person who violates **section 1**. **Section 2** of this bill makes certain definitions prescribed by existing law applicable to **section 1**.

# THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** Chapter 603 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A person that operates an online platform, Internet website or other Internet-based service that, as its primary business, publishes or makes available material that is harmful to minors:

(a) Shall establish an age verification system to determine whether a prospective user of the platform, website or service is a minor before allowing the prospective user to access any material that is harmful to minors published or made available on the platform, website or service; and

(b) Shall not authorize a prospective user of the platform, website or service to access any material that is harmful to minors published or made available on the platform, website or service if the person knows or reasonably believes the prospective user to be a minor based on a determination made by the age verification system established pursuant to paragraph (a).

2. A person shall be deemed to be in compliance with the requirements of paragraph (a) of subsection 1 if the person establishes an age verification system that verifies that a user is 18

years of age or older by:

(a) Requiring the user to upload a copy of a governmentissued identification card or submit an electronic version of a government-issued identification card;

(b) Using any commercially reasonable method that relies on public or private transactional data to verify the age of the user; or

(c) Using a third-party age verification service to verify the age of the user.

3. A person that operates an online platform, Internet website or other Internet-based service that publishes or makes available material that is harmful to minors as its primary business:

(a) Is subject to the obligations and liabilities of chapter 603A of NRS with regard to the security and privacy of any personal information collected under this section; and

(b) Shall not use or retain any personal information collected under this section for any purpose except to:

(1) Verify the age of a prospective user; or

(2) Prove that the person has complied with the requirements of this section.

4. A person who willfully violates this section is subject to a civil penalty of not more than \$10,000 for each violation. The Attorney General may recover the penalty in a civil action brought in the name of the State of Nevada in any court of competent

jurisdiction. Any civil penalty collected pursuant to this section must be used for the purpose of enforcing the provisions of this section.

- 5. The parent or guardian of a minor may bring a civil action for damages against a person who violates this section. Upon prevailing in a civil action brought pursuant to this section, the parent or guardian may recover compensatory damages, reasonable attorney's fees and any punitive damages that the facts may warrant.
- 6. The provisions of this section do not apply to an Internet service provider, search engine or cloud service provider that provides access or connection to or from an online platform, Internet website or other Internet-based service that, as its primary business, publishes or makes available material that is harmful to minors.
  - 7. As used in this section:

- (a) "Government-issued identification card" includes, without limitation, a passport, driver's license, permanent resident card or tribal identification card.
- (b) "Harmful to minors" has the meaning ascribed to it in NRS 201.257.
  - **Sec. 2.** NRS 603.010 is hereby amended to read as follows:
- 603.010 As used in NRS 603.010 to 603.090, inclusive, *and* section 1 of this act, unless the context otherwise requires, the words and terms defined in NRS 603.020 and 603.030 have the meanings ascribed to them in those sections.
  - **Sec. 3.** This act becomes effective on January 1, 2026.
