

CHAPTER.....

AN ACT relating to cannabis; requiring a cannabis establishment agent to verify the age of a consumer before selling cannabis or a cannabis product to the consumer; setting forth the method by which the age verification is required to be performed; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing regulations of the Cannabis Compliance Board require a cannabis establishment agent, before selling cannabis or cannabis products to a consumer, to verify the age of the consumer by checking a government-issued identification containing a photograph of the consumer using an identification scanner approved by an appropriate agent of the Board to determine the validity of any government-issued identification. (Nevada Cannabis Compliance Regulations § 7.015) This bill codifies that requirement in statute.
