(a) An amount equal to that part of the allocation which represents 1.25 cents of the tax per gallon must be used exclusively for the service and redemption of revenue bonds issued pursuant to NRS 373.131, for the construction, maintenance and repair of county roads, and for the purchase of equipment for that construction, maintenance and repair, under the direction of the boards of county commissioners of the several counties, and must not be used to defray expenses of administration.

(b) An amount equal to that part of the allocation which represents 2.35 cents of the tax per gallon must be allocated to the county, if there are no incorporated cities in the county, or, if there is at least one incorporated city in the county, allocated monthly by the Department to the county and each incorporated city in the county using, except as otherwise provided in paragraph (c), the following formula:

(1) Determine the average monthly amount the county and each incorporated city in the county received in the fiscal year ending on June 30, 2005, and allocate to the county and each incorporated city in the county that amount, or if the total amount to be allocated is less than that amount, allocate to the county and each incorporated city in the county a percentage of the total amount to be allocated that is equal to the percentage of the total amount allocated to that county or incorporated city, as applicable, in the fiscal year ending on June 30, 2005.

(2) If the total amount to be allocated is greater than the average monthly amount the county and all incorporated cities within the county received in the fiscal year ending on June 30, 2005, determine for the county and each incorporated city in the county an amount from the total amount to be allocated using the following formula:

(I) One-fourth in proportion to total area.

(II) One-fourth in proportion to population.

(III) One-fourth in proportion to the total mileage of improved roads and streets maintained by the county or incorporated city in the county, as applicable.

(IV) One-fourth in proportion to vehicle miles of travel on improved roads and streets maintained by the county or incorporated city in the county, as applicable.

➔ For the purpose of applying the formula, the area of the county excludes the area included in any incorporated city.

(3) Identify whether the county or any incorporated city in the county had an amount determined pursuant to subparagraph (2) that was greater than the amount allocated to the county or incorporated city, as applicable, pursuant to subparagraph (1) and, if so:

(II) Add the amounts determined pursuant to sub-subparagraph (I) for the county and all incorporated cities in the county.

(5) Subtract the amount determined pursuant to sub-subparagraph (II) of subparagraph (4) from the amount determined pursuant to sub-subparagraph (II) of subparagraph (3).

(6) Divide the amount determined pursuant to sub-subparagraph (I) of subparagraph (3) for the county and each incorporated city in the county by the sum determined pursuant to sub-subparagraph (II) of subparagraph (3) for the county and all incorporated cities in the county to determine the county's and each incorporated city's percentage share of the sum determined pursuant to sub-subparagraph (II) of subparagraph (3).

(7) In addition to the allocation made pursuant to subparagraph (1), allocate to the county and each incorporated city in the county that is identified pursuant to subparagraph (3) a percentage of the total amount determined pursuant to subparagraph (5) that is equal to the percentage determined pursuant to subparagraph (6).

(c) At the end of each fiscal year, the Department shall:

(1) Determine the total amount to be allocated to a county and each incorporated city within the county pursuant to paragraph (b) for the current fiscal year; and

(2) Use the amount equal to that part of the allocation which represents 2.35 cents per gallon of the proceeds of the tax paid by a dealer, supplier or user for June of the current fiscal year to allocate to a county and each incorporated city in the county an amount determined pursuant to paragraph (d).

(d) If the total amount to be allocated to a county and all incorporated cities in the county determined pursuant to subparagraph (1) of paragraph (c):

(1) Does not exceed the total amount that was received by the county and all the incorporated cities in the county for the fiscal year ending on June 30, 2005, the Department shall adjust the final monthly amount allocated to the county and each incorporated city in the county so that the county and each incorporated city is allocated a percentage of the total amount to be allocated that is equal to the percentage of the total amount allocated to that county or incorporated city, as applicable, in the fiscal year ending on June 30, 2005.

(2) Exceeds the total amount that was received by the county and all incorporated cities in the county for the fiscal year ending on June 30, 2005, the Department shall:

(I) Identify the total amount allocated to the county and each incorporated city in the county for the fiscal year ending on June 30, 2005, and the total amount for the current fiscal year determined pursuant to subparagraph (1) of paragraph (c);

(II) Apply the formula set forth in subparagraph (2) of paragraph (b) using the amounts in sub-subparagraph (I), instead of the monthly amounts, to determine the total allocations to be made to the county and the incorporated cities in the county for the current fiscal year; and

(III) Adjust the final monthly allocation to be made to the county and each incorporated city in the county to ensure that the total allocations for the current fiscal year equal the amounts determined pursuant to sub-subparagraph (II).

Such a request must be submitted to the Committee not later than October 15.

10. The Committee shall hold a public hearing and review any request it receives pursuant to subsection 9 and determine whether an adjustment to the estimates is appropriate on or before December 31 of the year it receives a request pursuant to subsection 9. Any determination made by the Committee pursuant to this subsection is conclusive.
