

Assembly Bill No. 457–Committee
on Growth and Infrastructure

CHAPTER.....

AN ACT relating to license plates; removing the requirement for the Department of Motor Vehicles to automatically reissue certain license plates every 8 years; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Department of Motor Vehicles to: (1) furnish to every owner whose vehicle is required to be registered two license plates for a motor vehicle other than a motorcycle or moped, and one license plate for all other vehicles, including, without limitation, a trailer; and (2) automatically reissue a license plate or plates issued by the Department every 8 years, subject to certain exceptions applicable to special license plates. (NRS 482.2065, 482.265, 482.266, 482.2705, 482.274, 482.368, 482.379, 482.37901) Existing law also authorizes a person to whom license plates are issued to apply for and obtain from the Department a duplicate or substitute license plate if any license plate issued to that person is lost, mutilated or illegible. (NRS 482.285) **Sections 1 and 2** of this bill remove the requirement for the Department to automatically reissue license plates every 8 years, thus requiring any person who wishes to receive a duplicate or substitute license plate or plates to apply for any such plate or plates according to existing law governing the issuance of duplicate or substitute license plates. (NRS 482.285) **Sections 3-10** of this bill make conforming changes which remove other references to the requirement to automatically reissue certain license plates every 8 years, consistent with the provisions of **sections 1 and 2**.
