Legislative Counsel's Digest:

The Legislature appropriated various sums of money for the support of the government of the State of Nevada during the 2009 Legislative Session. **Sections 1-7** of this bill reduce certain appropriations for Fiscal Years 2009-2010 and 2010-2011. **Sections 8 and 9** of this bill authorize expenditures of money by certain

officers, departments, boards, agencies, commissions and institutions that were not appropriated in part because of additional or increased fees they are authorized to collect. The additional expenditures reflect an offset for some of the reductions to appropriations. For example, **section 7** reduces the appropriation previously made to the Nevada Gaming Commission and the State Gaming Control Board. **Section 8** then increases the expenditures of the State Gaming Control Board to reflect an amount that the Board is expected to collect from increasing the hourly rate charged for investigations of applicants for licenses, findings of suitability or approval under the provisions of the Nevada Gaming Control Act who have not previously received a license, finding of suitability or other required approval under the Act. The authorized expenditures must be made in accordance with the provisions of the State Budget Act. (NRS 353.150-353.245)

Sections 11, 12 and 13 of this bill transfer money appropriated from the State General Fund to the Nevada System of Higher Education and the Department of Corrections from Fiscal Year 2009-2010 to Fiscal Year 2010-2011.

Sections 14 and 15 of this bill transfer certain sums allocated for projects of the State Public Works Board to other projects.

Section 16 of this bill requires the Executive, Legislative and Judicial Departments of State Government to identify any additional reductions that may be made from renegotiating certain contracts.

Section 17 of this bill specifically authorizes the Executive Department to identify additional reductions in amounts appropriated for contract services and building leases and transfer those amounts to Category 93, Reserve for Reversion.

Section 18 of this bill requires the Clean Water Coalition, an entity created pursuant to interlocal agreement by the Clark County Water Reclamation District and the Cities of Henderson, Las Vegas and North Las Vegas, to make a transfer payment to the State Controller for deposit in the State General Fund for unrestricted State General Fund use.

Existing law provides that the Nevada Supreme Court may adopt rules providing for voluntary mediation with respect to a homeowner who is not in default but is at risk of default. (NRS 2.125) **Section 19** of this bill provides that the Nevada Supreme Court may adopt rules providing for voluntary mediation with respect to a small business whose commercial property is in default.

Sections 20-30, 39 and 48-52 of this bill increase the amount of certain fees collected by the Secretary of State for filings, registrations, certificates, notices or other documents required to be provided to the Office of the Secretary of State. (NRS 78.780, 80.050, 86.561, 87.470, 87A.315, 87A.645, 88.415, 88.607, 88A.900, 90.360, 104.9525, 240.1657, 600.340, 600.355, 600.360, 600.370, 600.395)

(NRS 116.630)

Existing law requires the Secretary of State to charge and collect a fee for the filing of a certificate of domestic partnership, which must not exceed the amount estimated to cover the cost incurred by the Secretary of State for the issuance of the certificate and any other associated administrative costs. Existing law further

requires the Secretary of State to account for the fees received for associated administrative costs separately and use those fees solely to pay for expenses related to the registration of domestic partnerships. **Section 33** of this bill requires the Secretary of State to reconcile the fees received for associated administrative costs and the expenses of administering the registration of domestic partnerships and deposit any excess fees received for credit to the State General Fund at the end of each fiscal year. (NRS 122A.100)

Existing law provides that a justice or judge may impose an administrative assessment as part of the sentence for violation of a misdemeanor by a person who pleads or is found guilty or guilty but mentally ill. **Section 34** of this bill increases the amount of the administrative assessment and provides for a portion of such assessments to be credited to the State General Fund. (NRS 240.018)

Existing law authorizes certain state entities to seek a temporary advance from the State General Fund for authorized expenses if the collection of expected revenue is delayed. (NRS 353.347-353.359) **Sections 41 and 42** of this bill authorize certain state entities whose legislative appropriations have been reduced and whose claims must be paid from the collection of certain fees, assessments or other receipts to seek a temporary advance from the State General Fund for authorized expenses if the collection of expected revenue is delayed.

(NRS 517.230) **Section 47** of this bill imposes an additional fee on the filing of such an affidavit if the entity holding the mining claim holds 11 or more mining claims in this State.

Sections 59-63 of this bill make appropriations to the Department of Health and Human Services, the Secretary of State, the State Gaming Control Board and the Legislative Fund.

The 2009 Session of the Legislature appropriated money from the State General Fund to the State Distributive School Account for the basic support guarantees of school districts and otherwise for the support of the system of public education for the 2009-2011 biennium. (Chapter 389, Statutes of Nevada 2009, at p. 2126) **Sections 53-57** of this bill reduce the basic support guarantees of all the 17 county school districts and otherwise make adjustments to address the budget shortfall.
