**Legislative Counsel’s Digest:**

1 The Nevada Constitution requires the State Treasurer to perform such duties as  
2 may be prescribed by law. (Nev. Const. Art. 5, § 22) **Section 8** of this bill: (1)  
3 establishes the Nevada Baby Bonds Program and the Nevada Baby Bonds Trust  
4 Fund; and (2) requires the State Treasurer to administer the Program and Trust  
5 Fund. **Sections 6 and 7** of this bill, respectively, define the terms “Program” and  
6 “Trust Fund.”

7 **Section 4** of this bill establishes that a “designated beneficiary” under the  
8 Program is a natural person born in this State on or after January 1, 2026, whose  
9 birth was subject to medical coverage provided under Medicaid, as defined in  
10 **section 5** of this bill, or the Children’s Health Insurance Program, as defined in  
11 **section 3** of this bill.

12 **Section 9** of this bill requires the State Treasurer, within the limits of money  
13 made available for this purpose, to credit \$3,200 in the Trust Fund to each  
14 designated beneficiary. If the money available in the Trust Fund is insufficient to  
15 cover all designated beneficiaries for a particular year, **section 9** requires the State  
16 Treasurer to: (1) determine the appropriate number of designated beneficiaries for

17 whom money is available; and (2) select by lottery the designated beneficiaries who  
18 will receive a credit of \$3,200 in the Trust Fund.

19 **Section 9** authorizes a designated beneficiary to submit a claim to the State  
20 Treasurer to receive money credited to the designated beneficiary in the Trust Fund  
21 if the designated beneficiary: (1) is at least 18 but less than 30 years of age; (2) has

23 submission of the claim; (3) attests that he or she will use the money for certain  
24 purposes; and (4) has successfully completed a course in financial literacy approved  
25 by the State Treasurer.

26 **Section 10** of this bill requires the State Treasurer to provide an annual  
27 statement to each designated beneficiary, which includes certain information.

28 **Section 11** of this bill provides that, with certain exceptions, any money  
29 deposited into the Trust Fund must not be used to calculate the personal assets of a  
30 designated beneficiary for purposes of determining eligibility of the designated  
31 beneficiary for: (1) any disability, medical or other health benefits administered by  
32 this State; or (2) any student loan program, student grant program or other student  
33 financial aid program administered by this State.

34 **Section 12** of this bill: (1) sets forth certain requirements and limitations on the  
35 State Treasurer in investing and reinvesting the money in the Trust Fund; and (2)  
36 authorizes the State Treasurer to enter into certain contracts and procure insurance  
37 for the Trust Fund, apply for, accept and expend any gifts, grants and donations and  
38 take any other action necessary to carry out the provisions of law related to the  
39 Program.

40 **Sections 13 and 15** of this bill provide, with certain exceptions, that all  
41 information about a designated beneficiary which is contained in a record or file in  
42 the possession, control or custody of the State Treasurer is confidential.

43 **Section 14** of this bill authorizes the State Treasurer to adopt any regulations  
44 necessary to carry out the provisions of law relating to the Program, including,  
45 without limitation, requirements relating to the course in financial literacy for  
46 designated beneficiaries required by **section 9**.

47 **Section 16** of this bill makes an appropriation to the Nevada Baby Bonds Trust  
48 Fund.

7 711.600, *section 13 of this act*, sections 35, 38 and 41 of chapter  
8 478, Statutes of Nevada 2011 and section 2 of chapter 391, Statutes  
9 of Nevada 2013 and unless otherwise declared by law to be  
10 confidential, all public books and public records of a governmental  
11 entity must be open at all times during office hours to inspection by  
12 any person, and may be fully copied or an abstract or memorandum  
13 may be prepared from those public books and public records. Any  
14 such copies, abstracts or memoranda may be used to supply the  
15 general public with copies, abstracts or memoranda of the records or  
16 may be used in any other way to the advantage of the governmental  
17 entity or of the general public. This section does not supersede or in  
18 any manner affect the federal laws governing copyrights or enlarge,  
19 diminish or affect in any other manner the rights of a person in any  
20 written book or record which is copyrighted pursuant to federal law.

21 2. A governmental entity may not reject a book or record  
22 which is copyrighted solely because it is copyrighted.

23 3. A governmental entity that has legal custody or control of a  
24 public book or record shall not deny a request made pursuant to  
25 subsection 1 to inspect or copy or receive a copy of a public book or  
26 record on the basis that the requested public book or record contains  
27 information that is confidential if the governmental entity can  
28 redact, delete, conceal or separate, including, without limitation,  
29 electronically, the confidential information from the information  
30 included in the public book or record that is not otherwise  
31 confidential.

32 4. If requested, a governmental entity shall provide a copy of a  
33 public record in an electronic format by means of an electronic  
34 medium. Nothing in this subsection requires a governmental entity  
35 to provide a copy of a public record in an electronic format or by  
36 means of an electronic medium if:

- 37 (a) The public record:
- 38 (1) Was not created or prepared in an electronic format; and
  - 39 (2) Is not available in an electronic format; or
- 40 (b) Providing the public record in an electronic format or by  
41 means of an electronic medium would:
- 42 (1) Give access to proprietary software; or
  - 43 (2) Require the production of information that is confidential
  - 44 and that cannot be redacted, deleted, concealed or separated from
  - 45 information that is not otherwise confidential.

1 5. An officer, employee or agent of a governmental entity who  
2 has legal custody or control of a public record:

3 (a) Shall not refuse to provide a copy of that public record in the  
4 medium that is requested because the officer, employee or agent has  
5 already prepared or would prefer to provide the copy in a different  
6 medium.

7 (b) Except as otherwise provided in NRS 239.030, shall, upon  
8 request, prepare the copy of the public record and shall not require  
9 the person who has requested the copy to prepare the copy himself  
10 or herself.
