

Assembly Bill No. 69—Committee on Revenue

CHAPTER.....

AN ACT relating to economic development; revising provisions relating to the membership of the Board of Economic Development; revising provisions governing the appointment of the Executive Director of the Office of Economic Development within the Office of the Governor; renaming and revising provisions relating to the Division of Motion Pictures within the Office of Economic Development; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law creates the Board of Economic Development, which is required to review and make recommendations on various aspects of economic development in Nevada. (NRS 231.033, 231.037) Under existing law, the Board consists of: (1) nine voting members, including the Governor, the Lieutenant Governor, the Secretary of State and six representatives of the private sector; and (2) two nonvoting members, which are the Chancellor of the Nevada System of Higher Education or his or her designee and the Director of the Department of Employment, Training and Rehabilitation. (NRS 231.033) **Section 2** of this bill adds the Director of the Department of Business and Industry as a nonvoting member of the Board. **Section 2** also clarifies that the requirements in existing law relating to a quorum and calling of meetings only apply to the voting members of the Board.

Existing law creates the Office of Economic Development within the Office of the Governor, the administrative and technical activities of which are directed and supervised by an Executive Director. (NRS 231.043, 231.047, 231.053) Under existing law, the Executive Director is required to be appointed by the Governor from a list of three persons recommended by the Board. (NRS 231.047) **Section 4** of this bill changes the number of names that the Board is required to recommend to a maximum of three persons.

Under existing law, the Office of Economic Development consists of the Division of Economic Development and the Division of Motion Pictures. (NRS 231.043) **Section 3** of this bill renames the Division of Motion Pictures as the Nevada Film Office.

Existing law requires the Division of Motion Pictures to formulate a program to promote the production of motion pictures in this State, which must include: (1) a directory of names of persons and governmental agencies in Nevada with the capacity to provide skills and facilities needed for the production of motion pictures; and (2) a library containing audiovisual recordings depicting available locations for the production of motion pictures in Nevada. (NRS 231.127) **Section 1** of this bill removes limitations on the types of motion pictures covered by the program in existing law and includes commercials and other audiovisual media within the program. (NRS 231.020) **Section 5** of this bill removes the requirement for the development of a library of audiovisual recordings of available locations and instead requires that the directory of names and available locations be made available on the Internet website of the Nevada Film Office.

Existing law requires a motion picture company to register with the Division of Motion Pictures before commencing production of a motion picture in Nevada. Under existing law, the registration is required to be signed by the Administrator of the Division of Motion Pictures or, in a county whose population is 700,000 or

more (currently Clark County), by the head of the department or agency within the county which is authorized to issue business licenses on behalf of the county. (NRS 231.128) **Section 6** of this bill eliminates the alternate signature required in larger counties, and therefore all registrations are required to be signed by the Administrator. **Sections 5 and 6** of this bill change the term “motion picture company” to “media production company.”
