Legislative Counsel’s Digest:

1 Existing law authorizes the Nevada Gaming Commission to issue licenses to
2 certain persons for the operation of inter-casino linked systems. (NRS 463.170)
3 Existing law requires an operator of an inter-casino linked system to pay an initial
4 licensing fee of \$500 and an annual renewal fee of \$500, in addition to the
5 proportionate share of certain other licensing fees. (NRS 463.245, 463.370,
6 463.3715, 463.375, 463.385, 463.3855) Existing law defines an “operator of an
7 inter-casino linked system” as a person who under certain agreements places and
8 operates an inter-casino linked system upon the premises of two or more licensed
9 gaming establishments and who is authorized to share in the revenue from the
10 linked games without needing a license to conduct gaming at the establishment.
11 (NRS 463.01805) Moreover, existing law defines an “inter-casino linked system”

12 as a network of electronically interfaced similar games located at two or more
13 licensed gaming establishments and linked to conduct gaming activities, contests or
14 tournaments. (NRS 463.01643)

15 Existing law defines “associated equipment” as any equipment or certain
16 contrivances, components or machines used remotely or directly in connection with
17 gaming, any game, race book or sports pool that would not otherwise be classified
18 as a gaming device. (NRS 463.0136) Existing law defines “manufacturer” to mean
19 any person who operates, carries on, conducts or maintains any form of
20 manufacture. (NRS 463.0172) Moreover, existing law defines “manufacture” to
21 include: (1) manufacturing, producing, programming, designing, controlling the
22 design of or making modifications to associated equipment; (2) directing or
23 controlling the methods and processes used to design, develop, program, assemble,
24 produce, fabricate, compose and combine the components and other tangible
25 objects of associated equipment; (3) assembling, or controlling the assembly of
26 associated equipment; or (4) assuming responsibility for any such act.
27 (NRS 463.01715)

28 **Section 2** of this bill revises the definition of “associated equipment” to include
29 inter-casino linked systems, thereby making inter-casino linked systems subject to
30 the same regulation and control as associated equipment, except that **section 9** of
31 this bill retains certain provisions related to the authority of the Commission to
32 adopt certain regulations related to inter-casino linked systems. **Sections 1, 4, 6-8,**
33 **10-13, 15-19, 21 and 23** of this bill remove or repeal all other provisions with
34 individual references to inter-casino linked systems.

35 Existing law: (1) requires manufacturers and distributors of associated
36 equipment to register with the Nevada Gaming Control Board under certain
37 circumstances; (2) establishes a maximum fee of \$1,000 for any application,
38 issuance or renewal of such registration; and (3) authorizes the Board to require any
39 person who is not otherwise required to be licensed as a manufacturer or distributor
40 of associated equipment, and who is directly or indirectly involved in the sale,
41 transfer or offering for use or play in Nevada of associated equipment, to file an
42 application for a finding of suitability. (NRS 463.665) **Section 20** of this bill: (1)
43 requires persons who have a significant involvement in the manufacturing or
44 distribution of associated equipment to register with the Board under certain
45 circumstances; (2) removes the limitation on the fee that may be charged for the
46 application or renewal of registration for a manufacturer or distributor of associated
47 equipment; and (3) removes the authorization for a finding of suitability for certain
48 persons involved in the sale, transfer or offering for use or play in Nevada of
49 associated equipment.

50 Existing law defines the terms “game” or “gambling game” to include a game
51 or device approved by the Commission. (NRS 463.0152) **Section 3** of this bill
52 revises this definition to include a game or device approved by the Board instead of
53 the Commission.

54 Existing law defines the terms “associated equipment,” “game” or “gambling
55 game” and “gambling device” to include references to electromechanical
56 contrivances, components, machines, devices, displays or units, as applicable.
57 (NRS 463.0136, 463.0152, 463.0155) **Sections 2, 3 and 5** of this bill revise these
58 definitions by removing certain electromechanical references.

59 Existing law imposes an excise tax on admission to certain facilities where
60 there is live entertainment and provides that the rate of the tax is 9 percent of the
61 admission charge to the facility. Existing law requires: (1) each admissions ticket to
62 any such facility to display the admission charge on the ticket; or (2) the seller of
63 the ticket to display the admission charge at the box office or other like place. (NRS
64 368A.200) Existing law defines “admission charge” as the total amount of
65 consideration paid for the right or privilege to enter or have access to live
66 entertainment at a facility. (NRS 368A.020) **Section 22** of this bill requires the

67 admission ticket or the seller to display the amount of the live entertainment tax,
68 instead of the admission charge, if the ticket is for admission to a facility for live
69 entertainment in certain licensed gaming establishments.

70 Existing law authorizes certain business entities to place race book and sports
71 pool wagers under certain circumstances. Existing law also authorizes the
72 Commission to adopt regulations governing the acceptance of such wagers. (NRS
73 463.800) **Section 23** of this bill repeals this provision. **Section 14** of this bill makes
74 a conforming change to reflect the repealed section.

75 Existing law regulates the personnel of labor organizations for gaming casino
76 employees. (Chapter 463A of NRS) **Section 23** repeals the provisions of chapter
77 463A of NRS.

7 described in this subsection are refunded and if the amount required
8 to pay the principal of and interest on the refunding bonds in any
9 fiscal year during the term of the bonds is less than the amount that
10 would have been required in the same fiscal year to pay the
11 principal of and the interest on the original bonds if they had not
12 been refunded, there is appropriated to the Nevada System of Higher
13 Education an amount sufficient to pay the principal of and interest
14 on the original bonds, as if they had not been refunded. The amount
15 required to pay the principal of and interest on the refunding bonds
16 must be used for that purpose from the amount appropriated. The
17 amount equal to the saving realized in that fiscal year from the
18 refunding must be used by the Nevada System of Higher Education
19 to defray, in whole or in part, the expenses of operation and
20 maintenance of the facilities acquired in part with the proceeds of
21 the original bonds.

22 7. After the requirements of subsection 6 have been met for
23 each fiscal year, when specific projects are authorized by the
24 Legislature, money in the Capital Construction Fund for Higher
25 Education and the Special Capital Construction Fund for Higher
26 Education must be transferred by the State Controller and the State
27 Treasurer to the State Public Works Board for the construction of
28 capital improvement projects for the Nevada System of Higher
29 Education, including, but not limited to, capital improvement
30 projects for the community colleges of the Nevada System of
31 Higher Education. As used in this subsection, "construction"
32 includes, but is not limited to, planning, designing, acquiring and
33 developing a site, construction, reconstruction, furnishing,
34 equipping, replacing, repairing, rehabilitating, expanding and
35 remodeling. Any money remaining in either Fund at the end of a
36 fiscal year does not revert to the State General Fund but remains in
37 those Funds for authorized expenditure.

38 8. The money deposited in the State Education Fund under this
39 section must be apportioned as provided in NRS 387.030 among the
40 several school districts and charter schools of the State at the times
41 and in the manner provided by law.

42 9. The Board of Regents of the University of Nevada may use
43 any money in the Capital Construction Fund for Higher Education
44 and the Special Capital Construction Fund for Higher Education for
45 the payment of interest and amortization of principal on bonds and

1 other securities, whether issued before, on or after July 1, 1979, to
2 defray in whole or in part the costs of any capital project authorized
3 by the Legislature.
