

CHAPTER.....

AN ACT relating to medical marijuana; providing for the administration and enforcement of taxes on the sale of marijuana, edible marijuana products and marijuana-infused products by medical marijuana establishments; eliminating certain duties of the Department of Taxation relating to the rates of such taxes; providing for the collection of a fee by an agency of a local government from a medical marijuana establishment for certain costs of the agency; authorizing an independent contractor to provide labor to a medical marijuana establishment in certain circumstances; providing penalties; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law imposes taxes on: (1) the sale of controlled substances, which are defined to exclude marijuana, edible marijuana products and marijuana-infused products; and (2) the wholesale and retail sales of marijuana, edible marijuana products and marijuana-infused products by medical marijuana establishments. (NRS 372A.070, 372A.075) **Sections 4-21** of this bill generally provide for the administration and enforcement of the taxes imposed on sales by medical marijuana establishments. **Section 10** adopts by reference provisions of general applicability relating to the payment, collection, administration and enforcement of taxes. **Sections 11 and 12** require that a taxpayer maintain certain records and provide for the inspection of those records by the Department of Taxation or its authorized representative. **Sections 1 and 2** of this bill and **sections 13-15** adopt provisions governing penalties for failure to pay, claims for refunds and credits, and the payment of interest on any overpayment of the tax on medical marijuana. **Section 16** sets forth the procedure by which the denial of a claim for a refund or credit may be appealed to the Nevada Tax Commission and provides that the Commission's final decision on an appeal is a final decision for the purposes of judicial review pursuant to the Nevada Administrative Procedure Act. **Section 17** denies standing to commence or maintain a proceeding for judicial review to anyone other than the person who made the disputed payment. If judgment is rendered for the claimant in such a proceeding, **section 18** provides for the allowance and computation of interest on the amount found to have been erroneously or illegally collected. **Section 19** prohibits proceedings to prevent or enjoin the collection of the tax and requires that a timely claim for a refund or credit be made as a prerequisite to any proceeding for the recovery of a refund. **Section 20** makes it a gross misdemeanor for any person to file a false or fraudulent return or engage in other conduct with intent to defraud the State or evade payment of the tax. **Section 21** provides that the remedies of the State relating to the administration of the tax are cumulative, meaning that the pursuit of one remedy by the Department or the Attorney General does not preclude the pursuit of any other authorized remedy.

Under existing law, the Department is required regularly to review the rates of the taxes imposed on sales by medical marijuana establishments and make recommendations to the Legislature regarding adjustments of those rates. (NRS 372A.075) **Section 23** of this bill eliminates that requirement. With that exception,

**sections 22-28** of this bill reflect a reorganization of the provisions of chapter 372A of NRS, but make no substantive changes.

Under existing law, an applicant for the issuance or renewal of a medical marijuana establishment registration certificate must submit proof that it has complied with the zoning restrictions and applicable building requirements of the local governmental authority for the place it will be located. (NRS 453A.322) Additionally, in a local governmental jurisdiction that issues business licenses, the issuance of a medical marijuana establishment registration certificate is provisional until the establishment complies with all applicable local governmental ordinances or rules and receives a business license. (NRS 453A.326) **Section 29** of this bill requires an agency of a local government that performs inspections, reviews or other tasks related to ensuring that a medical marijuana establishment complies with all applicable local governmental ordinances or rules to maintain records of: (1) the hours its employees spend on these inspections, reviews and tasks; (2) the rate of pay of such employees; and (3) the share of any costs for equipment for the agency attributable to the establishment. **Section 29** requires the agency to provide these records to the establishment within 30 days after performing such inspections, reviews or tasks and requires the establishment to pay a fee to the agency equal to the actual costs of the agency to perform the inspections, reviews and tasks. **Section 29** requires that the proceeds of such a fee be expended only to pay the costs to perform such inspections, reviews and tasks and prohibits the proceeds from supplanting other support for the agency.

Under existing law, a person must register with the Division of Public and Behavioral Health of the Department of Health and Human Services as a medical marijuana establishment agent before volunteering or working at a medical marijuana establishment. (NRS 453A.332) **Sections 30, 31 and 33** of this bill allow an independent contractor and its employees to register as medical marijuana establishment agents and provide labor to a medical marijuana establishment.
