AN ACT relating to sentencing; authorizing the modification of the sentence of certain prisoners released on parole under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Before the 2019 Legislative Session, former existing law authorized: (1) the
2 State Board of Parole Commissioners, upon the recommendation of the Division of
3 Parole and Probation of the Department of Public Safety, to petition the court of
4 original jurisdiction to modify the sentence of a person if the person had served
5 one-half of the period of parole or, if the person was sentenced to life
6 imprisonment, the person had served 10 consecutive years on parole; and (2) the
7 court of original jurisdiction to modify the sentence of the person by reducing the
8 maximum term of imprisonment, thereby resulting in the expiration of the sentence
9 of the person and the termination of his or her parole. During the 2019 Legislative
10 Session, the Legislature enacted Assembly Bill No. 236, which removed those
11 provisions. (Chapter 633, Statutes of Nevada 2019, at page 4382)

12 **Section 1** of this bill restores those provisions by reenacting them. **Section 2** of
13 this bill makes a conforming change to indicate the proper placement of **section 1**
14 in the Nevada Revised Statutes. **Section 3** of this bill clarifies that the changes in
15 this bill apply to offenses committed before, on or after July 1, 2023, the effective
16 date of this bill.
