

CHAPTER.....

AN ACT relating to agriculture; revising provisions relating to the control of noxious weeds; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes the State Quarantine Officer to declare by regulation which weeds of the State are noxious weeds but prohibits the State Quarantine Officer from designating a weed as noxious if the weed is so well established in the State that the State Quarantine Officer judges its control to be impracticable. (NRS 555.130) This bill removes the prohibition, thereby authorizing the State Quarantine Officer to declare any weed to be noxious by regulation.

Existing law authorizes the State Quarantine Officer to temporarily designate a weed as a noxious weed if he or she determines that immediate control of the weed is necessary. Such a temporary designation expires 18 months after the designation is made. (NRS 555.130) This bill requires the State Quarantine Officer to hold a public meeting before making such a temporary designation.

Finally, this bill authorizes the State Quarantine Officer to limit a declaration or temporary designation to a specific geographic area or to specific geographic areas in this State so that a declaration or temporary designation would only apply to those specific geographic areas and not to the entire State. If the State Quarantine Officer makes a temporary designation that is limited to a specific geographic area or to specific geographic areas, this bill requires the State Quarantine Officer to consult with each applicable state agency or department or governing body of a local government which has jurisdiction over any public right-of-way in that area.
