EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to wildlife; authorizing the Board of Wildlife Commissioners to establish a program which authorizes a person to transfer his or her tag to hunt a big game mammal to a qualified organization for use by certain persons; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law requires, with certain exceptions, a person who hunts or fishes any  
2 wildlife in this State to obtain a license for such activities and, if he or she wishes to  
3 hunt certain designated big game mammals, to obtain an additional license, known  
4 as a tag, to do so. (NRS 502.010, 502.130) Any such license is not transferrable  
5 unless the person to whom the license was issued can demonstrate, in accordance  
6 with regulations adopted by the Board of Wildlife Commissioners, the existence of  
7 an extenuating circumstance which causes the person to be unable to use the tag.  
8 (NRS 502.100, 502.103) **Section 1** of this bill authorizes the Commission to adopt  
9 regulations establishing a program that allows a person to transfer his or her tag to  
10 hunt a big game mammal to an eligible qualified organization for use by a person  
11 who: (1) has a disability or life-threatening medical condition; or (2) is 16 years of  
12 age or younger and is otherwise eligible to hunt in this State. Any regulations  
13 adopted by the Commission are required to include provisions setting forth how a  
14 qualified organization may apply for eligibility to participate in such a program.

15 **Section 4** of this bill makes conforming changes to provide that the transfer of  
16 a tag under this program is an exception to the general prohibition on the transfer of  
17 tags.

18 Existing law prohibits a child under the age of 12 from hunting big game  
19 mammal in this State and provides that an apprentice hunting license issued to a  
20 person 12 years of age or older does not authorize the person to hunt any animal for  
21 which a tag is required. (NRS 502.010, 502.066) **Sections 2 and 3** of this bill  
22 provides that a person under 16 years of age who participates in a program

23 established by the Commission pursuant to **section 1** may hunt a big game mammal  
24 for which a tag is required.
