5. The next rule is 10.

II. SESSIONS AND MEETINGS

Rule No. 10. Time of Meeting.

The Assembly shall meet each day at 11:30 a.m., unless the Assembly adjourns to some other hour.

Rule No. 11. Open Meetings.

All meetings of the Assembly and its committees must be open to the public.

Rule No. 12. Convening of the Assembly between Legislative Sessions.

1. The Assembly may be convened at any time between sessions of the Legislature upon a petition signed by a majority of the members elected to the Assembly to consider and take action on any matter that is solely and exclusively within the constitutional or inherent powers of the Assembly, including, without limitation, any matter that may be considered and acted on by the Assembly pursuant to its plenary and exclusive constitutional powers under Article 4, Section 6 of the Nevada Constitution or pursuant to its inherent powers of institutional self-protection and self-preservation to govern, control and regulate its membership and its internal organization, affairs and management.

2. A petition convening the Assembly pursuant to this Rule must specify the matter that will be considered or acted on by the Assembly, indicate a date for the Assembly to convene and be transmitted to the Chief Clerk of the Assembly. Upon receipt of one or more substantially similar petitions signed, in the aggregate, by a majority of the members elected to the Assembly, the Chief Clerk shall notify all members of the Assembly that the Assembly will be convened pursuant to this Rule and the date on which the Assembly will be convened.

3. The Assembly hereby finds and declares that:

(a) *The Nevada Constitution invests each House of the Legislature with certain plenary and exclusive constitutional powers which may be exercised only by that House and which cannot be usurped, infringed or impaired by the other House or by any other branch of Nevada’s State Government. (Heller v. Legislature, 120 Nev. 456 (2004); Commission on Ethics v. Hardy, 125 Nev. 285 (2009); Mason’s Manual of Legislative Procedure §§ 2-3 & 560-564 (2010) (Mason’s Manual))*

(b) *Article 4, Section 6 of the Nevada Constitution invests each House with plenary and exclusive constitutional powers to govern, control and regulate its membership and its internal organization, affairs and management, expressly providing that: “Each House shall judge of the qualifications, elections and returns of its own members, choose its own officers (except the President of the Senate), determine the rules of its proceedings and may punish its members for disorderly conduct, and with the concurrence of two thirds of all the members elected, expel a member.”*

(c) *In addition to its plenary and exclusive constitutional powers, each House possesses certain inherent powers of institutional self-protection and self-preservation to govern, control and regulate its membership and its internal organization, affairs and management. (In re Chapman, 166 U.S. 661, 668 (1897); Mason’s Manual § 2; Luther S. Cushing, Elements of the Law & Practice of Legislative Assemblies § 533 (1856) (Cushing’s Legislative Assemblies))*

(d) *The inherent powers of each House are considered “so essential to the authority of a legislative assembly, that it cannot well exist without them; and they are consequently entitled to be regarded as belonging to every such assembly as a necessary incident.” (Cushing’s Legislative Assemblies § 533)*

(e) *The inherent powers of each House authorize it to take all necessary and proper institutional actions that are “recognized by the common parliamentary law.” (Cushing’s Legislative Assemblies § 684)*

(f) *Thus, it is well established that each House is “vested with all the powers and privileges which are necessary and incidental to a free and unobstructed exercise of its appropriate functions. These powers and privileges are derived not from the Constitution; on the contrary, they arise from the very creation of a legislative body, and are founded upon the principle of self-preservation.” (Ex parte McCarthy, 29 Cal. 395, 403 (1866))*

The next rule is 20.

III. DECORUM AND DEBATE

Rule No. 20. Points of Order.

If any member, in speaking or otherwise, transgresses the rules of the Assembly, the Speaker shall, or any member may, call to order, in which case the member so called to order shall immediately sit down, unless permitted to explain; and if called to order by a member, such member shall immediately state the point of order. If the point of order be sustained by the presiding officer, the member shall not be allowed to proceed; but if it be not sustained, then the member shall be permitted to go on. Every such decision from the presiding officer shall be subject to an appeal to the House; but no discussion of the question of order shall be allowed unless an appeal be taken from the decision of the presiding officer.

Rule No. 21. Portable Electronic Communication Devices.

1. A person who is within the Assembly Chambers shall not engage in a telephone conversation via the use of a portable telephone.

2. Before entering the Assembly Chambers, any person who possesses a portable electronic communication device, such as a pager or telephone, that emits an audible alert, such as a ringing or beeping sound, to signal an incoming message or call, shall turn the audible alert off. A device that contains a nonaudible alert, such as a silent vibration, may be operated in a nonaudible manner within the Assembly Chambers.

Rule No. 22. Reserved.

1. The Select Committee on Ethics consists of:

(a) Two members of the Assembly appointed by the Speaker from the majority political party;

(b) One member of the Assembly appointed by the Minority Leader from the minority political party; and

(c) Three qualified electors of the State, two of whom are appointed by the Speaker and one who is appointed by the Minority Leader, and none of whom is a present member of the Legislature or employed by the State of Nevada.

2. *The Speaker shall appoint the Chair and Vice Chair of the Committee. The Vice Chair shall serve as the acting Chair if the Chair is unable to serve for any reason during the consideration of a specific question.*

3. *The Speaker shall appoint an alternate member with the qualifications set forth in paragraph (a) of subsection 1 and an alternate member with the qualifications set forth in paragraph (c) of subsection 1. The Minority Leader shall appoint an alternate member with the qualifications set forth in paragraph (b) of subsection 1 and an alternate member with the qualifications set forth in paragraph (c) of subsection 1. If a member of the Committee is unable to serve for any reason during the consideration of a specific question, the alternate appointed with the qualifications from the same paragraph in subsection 1 shall serve as a member of the Committee during the consideration of the specific question.*

4. *A member of the Committee is disqualified to serve during the consideration of a specific question if:*

(a) The member is the requester of advice concerning the question of ethics or conflict of interest, or the member is the subject of the complaint concerning the specific question; or

(b) A reasonable person in the member's situation could not exercise independent judgment on the matter in question.

5. *The members of the Committee shall perform any duty required in the period between the time of their appointment after the general election and the organization of the next succeeding regular session, or until the Speaker or the Speaker Designate or the Minority Leader or Minority Leader Designate appoint new members to the Committee, whichever occurs first.*

6. *The tenure of the members of the Committee shall extend during the interim between regular sessions of the Legislature.*

7. *The Committee:*

(a) May hear requests brought by members of the Assembly for advice on specific questions of potential breaches of ethics and conflicts of interest; and

(b) Shall hear complaints brought by members of the Assembly and others on specific questions of alleged breaches of ethics and conflicts of interest, including, without limitation, alleged breaches of the Legislative Code of Ethical Standards in the Joint Standing Rules.

8. *All proceedings held by the Committee to consider the character, alleged misconduct, professional competence or physical or mental health of any person on matters of ethics or*

conflicts of interest and all materials related to those proceedings are confidential, unless the person who is the subject of the proceedings requests a public hearing or discloses the content of the proceedings or materials.

9. An individual may file a complaint which alleges a breach of ethics or a conflict of interest, including, without limitation, an alleged breach of the Legislative Code of Ethical Standards in the Joint Standing Rules. If the alleged breach of ethics or conflict of interest involves the conduct of more than one person, separate complaints must be filed regarding each person. A complaint must be:

(a) Made in writing on a form provided by the Legislative Counsel;

(b) Signed and verified under penalty of perjury by the individual making the allegation; and

(c) Filed with the Legislative Counsel who shall review the complaint and any other relevant information and consult with the Chair of the Committee or, if the Chair is the subject of the complaint, with the Vice Chair, to evaluate whether the Committee has jurisdiction and whether an investigation is warranted in the matter. If it is determined that the Committee:

(1) Does not have jurisdiction or that an investigation is not warranted in the matter, the Legislative Counsel shall send written notice of the determination to the individual who filed the complaint.

(2) Has jurisdiction and an investigation is warranted in the matter, the Legislative Counsel shall send written notice of the determination and a copy of the complaint to the person who is the subject of the complaint.

10. Each Legislator is subject, at all times, to the Legislative Code of Ethical Standards in the Joint Standing Rules and, in addition, must determine whether he or she has a conflict of interest upon any matter in question before the Legislator. In determining whether the Legislator has such a conflict of interest, the Legislator should consider whether the independence of judgment of a reasonable person in his or her situation upon the matter in question would be materially affected by the Legislator's:

(a) Acceptance of a gift or loan;

(b) Private economic interest; or

(c) *Commitment to a member of his or her household or immediate family.*

↳ *In interpreting and applying the provisions of this subsection, it must be presumed that the independence of judgment of a reasonable person in the Legislator's situation would not be materially affected by the Legislator's private economic interest or the Legislator's commitment to a member of his or her household or immediate family where the resulting benefit or detriment accruing to the Legislator, or if the Legislator has a commitment to a member of his or her household or immediate family, accruing to those other persons, is not greater than that accruing to any other member of the general business, profession, occupation or group that is affected by the matter.*

11. *Except as otherwise provided in subsection 12, if a Legislator knows he or she has a conflict of interest pursuant to subsection 10, the Legislator shall make a general disclosure of the conflict of interest on the record in a meeting of a committee or on the floor of the Assembly, as applicable. Such a disclosure must be entered:*

(a) *If the Legislator makes the disclosure in a meeting of a committee, in the minutes for that meeting.*

(b) *If the Legislator makes the disclosure on the floor of the Assembly, in the Journal.*

12. *If, on one or more prior occasions during the current session of the Legislature, a Legislator has made a general disclosure of a conflict of interest on the record in a meeting of a committee or on the floor of the Assembly, the Legislator is not required to make that general disclosure at length again regarding the same conflict of interest if, when the matter in question arises on subsequent occasions, the Legislator makes a reference on the record to the previous disclosure.*

13. *In determining whether to abstain from voting upon, advocating or opposing a matter concerning which a Legislator has a conflict of interest pursuant to subsection 10, the Legislator should consider whether:*

(a) *The conflict impedes his or her independence of judgment; and*

(b) *His or her interest is greater than the interests of an entire class of persons similarly situated.*

14. *The provisions of this Rule do not under any circumstances and regardless of any conflict of interest:*

(a) *Prohibit a Legislator from requesting or introducing a legislative measure; or*

(b) Require a Legislator to take any particular action before or while requesting or introducing a legislative measure.

15. If a Legislator who is a member of a committee declares on the record when a vote is to be taken by the committee that he or she will abstain from voting because of the requirements of this Rule, the necessary quorum to act upon and the number of votes necessary to act upon the matter is reduced as though the Legislator abstaining were not a member of the committee.

16. The standards and procedures set forth in this Rule which govern whether and to what extent a member of the Assembly has a conflict of interest, should disclose a conflict of interest or should abstain from voting upon, advocating or opposing a matter concerning which the member has a conflict of interest pursuant to subsection 10:

(a) Are exclusive and are the only standards and procedures that apply to members of the Assembly with regard to such matters; and

(b) Supersede and preempt all other standards and procedures with regard to such matters,

↳ except that this subsection does not exempt any members of the Assembly from the Legislative Code of Ethical Standards in the Joint Standing Rules.

17. For purposes of this Rule, “immediate family” means a person who is related to the Legislator by blood, adoption or marriage within the first degree of consanguinity or affinity.

The next rule is 30.

IV. QUORUM, VOTING, ELECTIONS

Rule No. 30. Manner of Voting.

1. The presiding officer shall declare all votes, but the yeas and nays must be taken when called for by three members present, and the names of those calling for the yeas and nays must be entered in the Journal by the Chief Clerk.

2. The presiding officer shall call for yeas and nays by a division or by a roll call, either electronic or oral.

3. When taking the yeas and nays on any proposal, the electronic roll call system may be used, and when so used shall have the force and effect of any roll call under these rules.

4. When taking the yeas and nays by oral roll call, the Chief Clerk shall take the names of members alphabetically, except that the Speaker’s name must be called last.

5. *The electronic roll call system may be used to determine the presence of a quorum.*

6. *The yeas and nays must not be taken with the electronic roll call system until all members present are at their desks. The presiding officer may vote at the rostrum.*

7. *Only a member who:*

(a) *Has been certified by the Committee on Legislative Operations and Elections or a special committee of the Assembly; and*

(b) *Is physically present within the Assembly Chambers,

(a) *Is excused; or*

(b) *Makes a full and complete disclosure of a conflict pursuant to Assembly Standing Rule No. 23.*

2. *A member found guilty by the House of a breach of this Rule shall not vote or speak on the floor, except to explain and apologize for the breach, until the member has made satisfaction to the House for the breach.*

Rule No. 32. Announcement of the Vote.

1. *A member may change his or her vote at any time before the announcement of the vote if the voting is by voice, or at any time before the votes are electronically recorded if the voting is conducted electronically.*

2. *The announcement of the result of any vote shall not be postponed.*

The committee must consist of three members who are not parties to the contest.*

2. *The parties to the contest must be designated as the contestant and the defendant, and the parties may be represented in the contest by attorneys who are licensed to practice law in this State.*

3. *The chair may take, direct or require any reasonable actions to facilitate or carry out the contest, including, without limitation, issuing and enforcing any orders or other directives to the parties and any attorneys representing the parties.*

4. *The committee shall not review the merits of the contest unless the committee first determines that the contestant complied with all requirements to bring and maintain the contest. To assist the committee in making its determination, the chair shall take, direct or require any reasonable actions to provide the parties with notice and an opportunity to submit written arguments to the committee limited to the issue of whether the contestant complied with all requirements to bring and maintain the contest.*

5. *If the committee determines that the contestant complied with all requirements to bring and maintain the contest, the committee shall review the merits of the contest pursuant to this rule. As soon as practicable after receiving the committee's report, the Assembly shall vote on whether to accept or reject the committee's recommendation without amendment. If, at any hearings or other proceedings, any oral statements are made that purport to establish matters of fact, the statements must be made*

under oath. Strict rules of evidence do not apply in any hearings or other proceedings, but the chair may admit or exclude any evidence based on the rules of evidence.

8. A party may take the deposition of any witness at any time after the statement of contest is filed with the Secretary of State, but the chair may establish reasonable limitations and deadlines regarding any depositions. Before taking a deposition, a party must provide at least 5 days' notice to the prospective deponent and the other party.

9. To prevail on the merits of the contest, the contestant has the burden of proving that, based on one or more of the grounds set forth in NRS 293.410, there were sufficient irregularities in the election of such a substantial nature as to establish that the result of the election was changed thereby.

10. If the committee reviews the merits of the contest pursuant to this rule, the committee shall report to the Assembly its findings and its recommendation on which party should be declared elected, unless the committee declines to make such a recommendation in its report. 1. The Assembly hereby finds and declares that:

(a) The Nevada Constitution invests each House of the Legislature with certain plenary and exclusive constitutional powers which may be exercised only by that House and which cannot be usurped, infringed or impaired by the other House or by any other branch of Nevada’s State Government. (Heller v. Legislature, 120 Nev. 456 (2004); Commission on Ethics v. Hardy, 125 Nev. 285 (2009); Mason’s Manual of Legislative Procedure §§ 2-3 & 560-564 (2010) (Mason’s Manual))

(b) Section 6 of Article 4 of the Nevada Constitution invests each House with plenary and exclusive constitutional powers to determine the rules of its proceedings and to govern, control and regulate its membership and its internal organization, affairs and management, expressly providing that: “Each House shall judge of the qualifications, elections and returns of its own members, choose its own officers (except the President of the Senate), determine the rules of its proceedings and may punish its members for disorderly conduct, and with the concurrence of two thirds of all the members elected, expel a member.”

(c) In addition to its plenary and exclusive constitutional powers, each House possesses certain inherent powers of institutional self-protection and self-preservation to govern, control and regulate its membership and its internal organization, affairs and management. (In re Chapman, 166 U.S. 661, 668 (1897); Mason’s Manual § 2; Luther S. Cushing, Elements of the Law & Practice of Legislative Assemblies § 533 (1856) (Cushing’s Legislative Assemblies))

(d) The inherent powers of each House are considered “so essential to the authority of a legislative assembly, that it cannot well exist without them; and they are consequently entitled to be regarded as belonging to every such assembly as a necessary incident.” (Cushing’s Legislative Assemblies § 533)

(e) The inherent powers of each House authorize it to take all necessary and proper institutional actions that are “recognized by

the common parliamentary law.” (Cushing’s Legislative Assemblies § 684)

(f) Thus, it is well established that each House is “vested with all the powers and privileges which are necessary and incidental to a free and unobstructed exercise of its appropriate functions. These powers and privileges are derived not from the Constitution; on the contrary, they arise from the very creation of a legislative body, and are founded upon the principle of self-preservation.” (Ex parte McCarthy, 29 Cal. 395, 403 (1866))

(g) Under the Nevada Constitution, there are no constitutional provisions establishing a particular method for determining whether a member of either House is present at legislative proceedings.

(h) The United States Supreme Court has held that when there are no constitutional provisions establishing a particular method for determining whether a member of a legislative house is present at legislative proceedings, “it is therefore within the competency of the house to prescribe any method which shall be reasonably certain to ascertain the fact.” (United States v. Ballin, 144 U.S. 1, 6 (1892))

(i) The United States Supreme Court has also held that when a legislative house adopts a rule establishing a reasonable method for determining whether a member is present at legislative proceedings, that rule must be given great deference by the courts because:

Neither do the advantages or disadvantages, the wisdom or folly, of such a rule present any matters for judicial consideration. With the courts the question is only one of power. The constitution empowers each house to determine its rules of proceedings. It may not by its rules ignore constitutional restraints or violate fundamental rights, and there should be a reasonable relation between the mode or method of proceeding established by the rule and the result which is sought to be attained. But within these limitations all matters of method are open to the determination of the house, and it is no impeachment of the rule to say that some other way would be better, more accurate, or even more just. It is no objection to the validity of a rule that a different one has been prescribed and in force for a length of time. The power to make rules is not one which once exercised is exhausted. It is a continuous power, always subject to be

exercised by the house, and, within the limitations suggested, absolute and beyond the challenge of any other body or tribunal.

(United States v. Ballin, 144 U.S. 1, 5 (1892))

2. The Assembly hereby exercises its constitutional and inherent powers and privileges and adopts the Remote-Technology Rules to:

(a) Govern, control and regulate its membership and its internal organization, affairs and management;

(b) Ensure its institutional self-protection and self-preservation; and

(c) Establish a reasonable method for determining whether a member of the Assembly is present at legislative proceedings amid the ongoing and widespread public-health crisis caused by the COVID-19 pandemic in order to keep the legislative process as safe and free as reasonably possible from the extraordinary danger, risk, harm, injury and peril posed by the COVID-19 pandemic.
