#### Legislative Counsel's Digest:

**Sections 2, 3, 30 and 31** of this bill enact certain provisions of the Uniform Guardianship, Conservatorship, and Other Protective Arrangements Act. **Sections 2 and 30** of this bill authorize a court to appoint a successor guardian for a protected person or protected minor, respectively, at any time to serve immediately or when a designated event occurs. **Sections 3 and 31** of this bill authorize a court to appoint a temporary substitute guardian for a protected person or protected minor, respectively, in certain circumstances for a period of not more than 6 months.

Existing law authorizes certain persons to file a petition for the appointment of a guardian for a proposed protected person. (NRS 159.044) **Section 3.5** of this bill provides that if a person who files such a petition reasonably believes that it is appropriate to discharge the proposed protected person from a health care facility for the purpose of transferring the proposed protected person to a more appropriate health care facility that provides a less restrictive level of care, the person must petition the court for an expedited hearing to determine whether such a transfer is appropriate and must include certain information in such a petition. **Section 3.5** also provides that a person may not petition the court for an expedited hearing if the person believes that a proposed protected person should be transferred to: (1) a health care facility outside this State; (2) with certain exceptions, a health care facility outside the judicial district in which a petition for the appointment of a guardian is filed; or (3) a secured residential long-term care facility.

Existing law authorizes a court to appoint a temporary guardian for certain proposed protected persons and extend the appointment of a temporary guardian in certain circumstances. (NRS 159.0523) **Section 23.3** of this bill requires a court to limit the authority of a temporary guardian to that which is necessary to perform any actions required to ensure the health, safety or care of a proposed protected person, including applying for Medicaid or other appropriate assistance, coverage or support for the protected person. **Section 23.3** also authorizes a court to consider the actions taken by a temporary guardian to carry out any requested activities for the benefit of a proposed protected person during the temporary guardianship

when the court is making a determination regarding the extension of a temporary guardianship or the issuance of any ex parte or emergency order.

Existing law requires, with certain exceptions, a proposed protected person who is found in this State to attend the hearing for the appointment of a guardian. (NRS 159.0535) **Section 23.7** of this bill provides an additional exception to such a requirement by authorizing the proposed protected person, through counsel, to waive his or her appearance. Existing law also authorizes a proposed protected person or proposed protected minor who cannot attend the hearing for the appointment of a guardian to appear by videoconference. (NRS 159.0535, 159A.0535) **Sections 23.7 and 31.5** of this bill additionally authorize a proposed protected person or proposed protected minor, respectively, to appear by any other means that uses audio-video communication or by telephone. Existing law further establishes provisions relating to the duties of certain persons if a proposed protected person cannot attend a hearing for the appointment of a guardian by videoconference. (NRS 159.0535) **Section 23.7** removes such provisions.

Existing law generally requires that before a guardian moves a protected person, the guardian must file a notice with the court of his or her intent to move the protected person and serve notice upon all interested persons. (NRS 159.0807) **Section 25** of this bill revises various provisions relating to such a requirement.

Existing law requires a guardian of the person to make a written report containing certain information, file the report with the court and serve the report on the protected person and any attorney for the protected person. (NRS 159.081) **Section 26** of this bill authorizes the court to waive the requirement that the report must be served on the protected person upon a showing that such service is detrimental to the physical or mental health of the protected person. **Section 26** also revises provisions relating to the information required to be included in the report.

Existing law: (1) authorizes a guardian to sell the personal property of a protected person in certain circumstances; and (2) requires that the family members of the protected person and any interested persons be offered the first right of refusal to acquire such personal property at fair market value. (NRS 159.154) **Section 27** of this bill provides that: (1) claims by family members and interested persons to acquire the property must be considered in a certain order of priority; and (2) if multiple claims are received from the same priority group and an agreement cannot be reached after good faith efforts have been made, the guardian is authorized to sell the property.

Existing law requires a guardian to retain receipts or vouchers for all expenditures and further requires: (1) a public guardian to produce such receipts or vouchers upon the request of the court or certain other persons; and (2) all other guardians to file such receipts or vouchers with the court in certain circumstances. (NRS 159.179) **Section 28** of this bill instead requires all guardians to produce such receipts or vouchers upon the request of the court or certain other persons and file such receipts or vouchers with the court only if the court orders the filing.

Existing law requires a county recorder to charge and collect, in addition to any other fee a county recorder is authorized to collect, a fee of \$5 in certain circumstances and to pay the amount of such fees collected to the county treasurer on a monthly basis. Existing law requires the county treasurer to remit \$3 from each such additional fee received to: (1) the organization operating the program for legal services for the indigent in the judicial district to provide legal services for protected persons or proposed protected persons in guardianship proceedings and, if sufficient funding exists, protected minors or proposed protected minors in guardianship proceedings; or (2) if such an organization does not exist in the judicial district, to an account for the use of the district court to pay for attorneys to represent protected persons and proposed protected persons who do not have the

ability to pay for an attorney. (NRS 247.305) **Section 33** of this bill increases the amount paid to such an organization or account from \$3 to \$5, thereby increasing the additional fee charged by a county recorder from \$5 to \$7. Existing law also requires a county treasurer to remit \$1 from each additional fee received from a county recorder to an account for the use of the district court to pay the compensation of investigators appointed in a guardianship proceeding concerning a proposed protected minor. (NRS 247.305) **Section 33** provides that such money may also be used to pay for attorneys and self-help assistance for protected minors and proposed protected minors in guardianship proceedings.
