

Senate Bill No. 223—Senators Cannizzaro, Ratti, Spearman; Brooks, Cancela, Denis, Dondero Loop, D. Harris, Parks, Scheible and Woodhouse

CHAPTER.....

AN ACT relating to persons in need of care or assistance; revising provisions relating to the notarization of a nomination of a guardian and certain powers of attorney; revising provisions relating to the power of an agent, acting pursuant to a power of attorney, to consent to the placement of a principal in certain facilities; enacting provisions providing for notice and an opportunity to be heard before a patient is discharged or transferred out of certain facilities under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a person to nominate another person to be appointed as his or her guardian by completing the prescribed form, which must be: (1) signed by the person requesting to nominate a guardian; (2) signed by two impartial adult witnesses who have no interest, financial or otherwise, in the estate of the person requesting to nominate a guardian and who attest that the person has the mental capacity to understand and execute the form; and (3) notarized with a declaration from the notary public declaring under penalty of perjury that the persons whose names are on the form appear to be of sound mind and under no duress, fraud or undue influence. (NRS 159.0753) Existing law also requires a similar declaration by a notary public for a general power of attorney, a power of attorney for health care decisions and a power of attorney for health care decisions for an adult with an intellectual disability. (NRS 162A.620, 162A.860, 162A.865) **Section 1** of this bill eliminates the required declaration by a notary public for the nomination of a guardian, and **sections 3-5** of this bill eliminate the required declaration by a notary public for a general power of attorney, a power of attorney for health care decisions and a power of attorney for health care decisions for an adult with an intellectual disability.

Existing law authorizes an agent under a power of attorney to take certain actions on behalf of the principal only if the power of attorney expressly grants the agent such authority. (NRS 162A.450) **Section 2** of this bill provides that an agent under a power of attorney may consent to the placement of the principal in an assisted living facility, a facility for skilled nursing or a secured residential long-term care facility only if the power of attorney expressly grants the agent that authority. **Section 3** of this bill revises the form for a general power of attorney to allow a principal to indicate whether the principal authorizes the agent to consent to placement of the principal in an assisted living facility, a facility for skilled nursing or a secured residential long-term care facility.

Existing law establishes the specific rights of patients in a medical facility or facility for the dependent, including the right, before being transferred to another facility, to receive an explanation of the need for the transfer and the alternatives available, unless the condition of the patient necessitates an immediate transfer to a facility for a higher level of care and the patient is unable to understand the explanation. (NRS 449A.100, 449A.106-449A.112) **Section 6** of this bill requires that before a facility for intermediate care, facility for skilled nursing or residential

facility for groups transfers a patient to another medical facility or facility for the dependent or discharges the patient from the facility, the facility must: (1) at least 30 calendar days before transferring or discharging the patient, provide the patient and the State Long-Term Care Ombudsman with written notice of the intent to transfer or discharge the patient; and (2) within 10 calendar days after providing such written notice, allow the patient and any person authorized by the patient to meet in person with the administrator of the facility to discuss the proposed transfer or discharge. The requirements of **section 6** do not apply to: (1) a voluntary discharge or transfer requested by a patient; or (2) a transfer to another facility because the condition of the patient necessitates an immediate transfer to a facility for a higher level of care.

Sec. 5. NRS 162A.865 is hereby amended to read as follows:

162A.865 1. The form of a power of attorney for health care for an adult with an intellectual disability may be substantially in the following form, and must be witnessed or executed in the same manner as the following form:

DURABLE POWER OF ATTORNEY FOR HEALTH CARE DECISIONS

My name is..... (insert your name) and my address is..... (insert your address). I would like to designate..... (insert the name of the person you wish to designate as your agent for health care decisions for you) as my agent for health care decisions for me if I am sick or hurt and need to see a doctor or go to the hospital. I understand what this means.

If I am sick or hurt, my agent should take me to the doctor. If my agent is not with me when I become sick or hurt, please contact my agent and ask him or her to come to the doctor's office. I would like the doctor to speak with my agent and me about my sickness or injury and whether I need any medicine or other treatment. After we speak with the doctor, I would like my agent to speak with me about the care or treatment. When we have made decisions about the care or treatment, my agent will tell the doctor about our decisions and sign any necessary papers.

If I am very sick or hurt, I may need to go to the hospital. I would like my agent to help me decide if I need to go to the hospital. If I go to the hospital, I would like the people who work at the hospital to try very hard to care for me. If I am able to communicate, I would like the doctor at the hospital to speak with me and my agent about what care or treatment I should receive, even if I am unable to understand what is being said about me. After we speak with the doctor, I would like my agent to help me decide what care or treatment I should receive. Once we decide, my agent will sign any necessary paperwork. If I am unable to communicate because of my illness or injury, I would like my agent to make decisions about my care or treatment based on what he or she thinks I would do and what is best for me.

I would like my agent to help me decide if I need to see a dentist and help me make decisions about what care or treatment I should receive from the dentist. Once we decide, my agent will sign any necessary paperwork.

I would also like my agent to be able to see and have copies of all my medical records. If my agent requests to see or have copies of my medical records, please allow him or her to see or have copies of the records.

I understand that my agent cannot make me receive any care or treatment that I do not want. I also understand that I can take away this power from my agent at any time, either by telling my agent that he or she is no longer my agent or by putting it in writing.

If my agent is unable to make health care decisions for me, then I designate..... (insert the name of another person you wish to designate as your alternative agent to make health care decisions for you) as my agent to make health care decisions for me as authorized in this document.
