AN ACT relating to civil actions; providing that peace officers are immune from civil liability under certain circumstances; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Under existing law, the State: (1) waives its immunity from liability in civil  
2 actions; and (2) consents to have its liability determined in accordance with the  
3 same rules of law governing civil actions against natural persons and corporations.  
4 (NRS 41.031) Existing law creates certain exceptions to this waiver of immunity  
5 from liability, thereby providing immunity from liability to certain state actors  
6 under certain circumstances. (NRS 41.032-41.036) **Section 1** of this bill provides  
7 immunity from liability to peace officers for damages based solely on the  
8 deprivation of rights, privileges or immunities secured by the Nevada Constitution  
9 under certain circumstances. **Section 2** of this bill makes a conforming change to  
10 indicate the proper placement of **section 1** in the Nevada Revised Statutes.  
11 **Section 3** of this bill provides that the amendatory provisions of this bill apply  
12 to a cause of action that accrues on or after the effective date of this bill.
