EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to governmental financial administration; prohibiting certain governmental entities from contracting with companies that boycott Israel; requiring the Public Employees’ Retirement Board to identify and prepare a report concerning investments of money from the Public Employees’ Retirement System in certain companies that boycott Israel; requiring the State Treasurer to prepare similar reports with respect to investments of money from public funds administered by the State Treasurer; limiting the ability of the State Treasurer, under certain circumstances, to invest in companies that boycott Israel; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law authorizes contracts between governing bodies of a local  
2 government or state agencies within the Executive Branch of the State Government  
3 and private contractors and sets forth requirements for the procurement of goods  
4 and services by those governing bodies and state agencies. (Chapters 332 and 333  
5 of NRS) **Sections 5 and 11** of this bill prohibit governing bodies of a local  
6 government, the Administrator of the Purchasing Division of the Department of  
7 Administration and state agencies from entering into a contract with a company  
8 unless the contract includes a written certification that the company is not engaged  
9 in, and agrees for the duration of the contract, not to engage in, a boycott of Israel.  
10 **Sections 20 and 30** of this bill define a “scrutinized company” as a company  
11 that engages in a boycott of Israel. **Section 31** of this bill requires the State  
12 Treasurer to identify scrutinized companies in which a public fund administered by

13 the State Treasurer has either direct or indirect holdings. **Section 32** of this bill  
14 further requires the State Treasurer to prepare an annual report of investment of  
15 money from such a public fund in those scrutinized companies. The report must be  
16 submitted to the Governor and the Legislature on or before February 1 of each year.  
17 **Section 33** of this bill requires, with certain exceptions, that the State Treasurer: (1)  
18 divest all direct holdings of scrutinized companies from the assets under his or her  
19 management; and (2) request the manager of the indirect holdings of a public fund  
20 administered by the State Treasurer to consider divesting from such a scrutinized  
21 company. The State Treasurer is not required to take any action described in  
22 **section 33** unless he or she determines that the action is consistent with the  
23 fiduciary responsibilities of the State Treasurer.

24 **Sections 21 and 22** of this bill similarly require the Public Employees'  
25 Retirement Board to identify scrutinized companies and to prepare an annual report  
26 of investment of money from the Public Employees' Retirement System in those  
27 scrutinized companies. However, the identification and report of such scrutinized  
28 companies by the Board only applies to companies in which the System has direct  
29 holdings.

1 WHEREAS, The Nevada Legislature finds and declares that  
2 boycotts and related tactics have become a tool of economic warfare  
3 that threaten the sovereignty and security of key allies and trade  
4 partners of the United States; and

5 WHEREAS, The State of Israel is the most prominent target of  
6 such boycott activity, beginning with the Arab League Boycott  
7 adopted in 1945, even before Israel's declaration of independence as  
8 the reestablished national state of the Jewish people; and

9 WHEREAS, Companies that refuse to deal with United States  
10 trade partners such as Israel, or entities that do business with or in  
11 such countries, make discriminatory decisions on the basis of  
12 national origin that impair those companies' commercial soundness;  
13 and

14 WHEREAS, It is the public policy of the United States, as  
15 enshrined in several federal acts, including 50 U.S.C. § 4607, to  
16 oppose such boycotts, and Congress has concluded as a matter of  
17 national trade policy that cooperation with Israel materially benefits  
18 United States companies and improves American competitiveness;  
19 and

20 WHEREAS, Israel in particular is known for its dynamic and  
21 innovative approach in many business sectors, and a company's  
22 decision to discriminate against Israel, Israeli entities or entities that  
23 do business with Israel or in Israel is an unsound business practice  
24 making the company an unduly risky contracting partner or vehicle  
25 for investment; and

26 WHEREAS, The State of Nevada seeks to implement the policy  
27 proposed in H.R. 825, which is pending before the 114th Session of  
28 Congress, of "examining a company's promotion or compliance  
29 with unsanctioned boycotts, divestment from or sanctions against

1 Israel as part of its consideration awarding grants and contracts and  
2 supports the divestment of State assets from companies that support  
3 or promote actions to boycott, divest from, or sanction Israel”; now,  
4 therefore,

5

7 SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
