AN ACT relating to common-interest communities; providing for the electronic transfer of money to the United States Government or federal or state agencies under certain circumstances; authorizing an association to use electronic signatures to withdraw money from the operating account of the association under certain circumstances; revising provisions relating to the requirement that the executive board of an association make certain records available for review at a designated location; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires certain signatures for the withdrawal of money from an
2 account of a unit-owners’ association of a common-interest community. (NRS
3 116.31153) **Section 1** of this bill allows the withdrawal of money, without the
4 required signatures, from the operating account of an association to make an
5 electronic transfer of money to the United States Government or a federal or state
6 agency. **Section 1** also authorizes an association to use electronic signatures to
7 withdraw money from the operating account of the association under certain
8 circumstances.

9 Existing law requires the executive board of a unit-owners’ association to make
10 certain financial records available for review at the business office of the
11 association or some other location within the county in which the common-interest
12 community is located. Existing law also requires the board to provide, upon
13 request, a copy of those records to a unit’s owner or the Ombudsman for Owners in
14 Common-Interest Communities and Condominium Hotels and authorizes the board

15 to charge a certain fee to cover the actual costs of preparing the copy.
16 (NRS 116.31177) **Section 3** of this bill repeals that provision and instead, **section 2**
17 of this bill requires the executive board of a unit-owners' association to make those
18 records available for review at the business office of the association or a designated
19 business location not to exceed 60 miles from the physical location of the common-
20 interest community. **Section 2** also retains the requirement that the board provide,
21 upon request, a copy of such records to a unit's owner or the Ombudsman and the
22 authority of the board to charge a fee to cover the actual costs of preparing the
23 copy.
