AN ACT relating to legal services; revising provisions relating to the payment of fees for certain legal services on a contingent basis; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law establishes certain requirements governing any contract for legal
2 services entered into by the Attorney General or, with certain exceptions, any other
3 officer, agency or employee in the Executive Department of the State Government
4 pursuant to which a private attorney or law firm is to be paid a contingent fee.
5 (NRS 228.111-228.1118) Existing law limits the amount of the fee that may be paid
6 to an attorney or law firm retained in any matter that is the subject of such a
7 contingent fee contract to not more than 25 percent of the amount recovered,
8 exclusive of certain costs and expenses. (NRS 228.1116) This bill replaces that
9 maximum limitation based on the percentage of recovery with a sliding scale of
10 fees ranging from 25 percent to 5 percent of the amount recovered and places a
11 maximum limitation on the amount of a contingency fee of \$50 million.

1 WHEREAS, The use by states of contingent fee contracts with
2 private attorneys is becoming more common; and

3 WHEREAS, On the final day of the 2017 Regular Session of the
4 Nevada Legislature, NRS 228.1116 was amended to change the

1 maximum contingent fee authorized in contingent fee contracts
2 between the State of Nevada and private attorneys from a maximum
3 dollar amount of \$10 million to a maximum percentage of 25
4 percent of the recovery; and

5 WHEREAS, Recently, the State of Nevada entered into a
6 contingent fee contract with private attorneys concerning
7 opioid-related litigation, which has and is expected to generate
8 significant monetary recoveries and, accordingly, significant
9 contingent fees; and

10 WHEREAS, The contingent fee required in that contract ranges
11 from 19 percent to 21.5 percent after commencement of discovery,
12 depending on the total aggregate recovery; and

13 WHEREAS, In August 2021, the federal district judge who
14 oversees thousands of federal lawsuits relating to the opioid
15 epidemic found that contingent fees in excess of 15 percent of the
16 client's award "is presumptively unreasonable"; and

17 WHEREAS, At least 10 other states currently limit contingent
18 fees payable to a private firm by the state based on a sliding scale of
19 fees, depending on the size of the recovery, with a limit on the total
20 maximum fee of \$50 million; and

21 WHEREAS, Such limits on contingent fees will maximize the
22 money going into the State Treasury to be used to address the issue
23 for which the litigation was originally commenced and its effects;
24 now therefore,

25
26 THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
27 SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

18 ascribed to it in NRS 228.111.

19 **Sec. 3.** This act becomes effective upon passage and approval.
