EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to infrastructure; revising provisions governing the establishment of the Nevada Infrastructure Bank; revising provisions governing eligibility to receive loans and other financial assistance from the Bank; expanding the types of projects for which financial assistance from the Bank is available; revising provisions governing the membership, duties and powers of the Board of Directors of the Bank; authorizing certain governmental agencies to provide technical advice, support and assistance to the Bank; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law establishes the Nevada State Infrastructure Bank, the purpose of
2 which is to provide loans and other financial assistance to various units of state and
3 local government for the development, construction, repair, improvement,
4 maintenance, decommissioning, operation and ownership of certain transportation
5 facilities and utility infrastructure. (NRS 408.55048-408.55088) Existing law
6 provides that the establishment of the Bank becomes effective on the date on which
7 the Director of the Department of Transportation notifies the Governor and the
8 Director of the Legislative Counsel Bureau that sufficient money is available to
9 capitalize and carry out the business of the Bank. (Section 39 of chapter 575,
10 Statutes of Nevada 2017, at page 4142) **Section 20** of this bill makes the
11 establishment of the Bank effective on July 1, 2021.

12 **Section 15** of this bill adds the Director of the Office of Energy to the Board of
13 Directors of the Bank and provides that the Bank operates under the direction of the
14 Board of Directors.

15 **Sections 10 and 15** of this bill expand the types of facilities for which the Bank
16 is authorized to provide loans and other financial assistance to include water and
17 wastewater infrastructure, renewable energy infrastructure, recycling and
18 sustainability infrastructure, digital infrastructure, social infrastructure and other
19 infrastructure related to economic development. **Sections 17 and 18** of this bill
20 make conforming changes to reflect the wider range of facilities for which the Bank
21 is authorized to provide loans and offer financial assistance.

22 **Sections 12 and 15** of this bill authorize the Bank to provide loans and
23 financial assistance to Indian reservations, Indian colonies and private entities
24 created for charitable or educational purposes. **Section 17** makes a conforming
25 change to reflect that the Bank may provide loans and financial assistance to
26 entities other than governmental units.

27 Existing law creates the Nevada State Infrastructure Bank Fund and authorizes
28 the Board of Directors to establish certain accounts within the fund. (NRS
29 408.55073) **Section 16** of this bill authorizes the Board of Directors to establish
30 accounts and subaccounts within the Fund and removes the requirement for the
31 Board of Directors to establish certain specific accounts. **Section 16** requires the
32 Board of Directors to ensure that the money in the Fund is accounted for in
33 accordance with all applicable laws and regulations governing the use of funds.

34 Existing law authorizes any division of the Department of Transportation to
35 provide technical advice, support and assistance to the Bank, to the extent that
36 money is available for that purpose. (NRS 408.55088) **Section 19** of this bill
37 authorizes other governmental units to provide such technical advice, support and
38 assistance to the Bank, to the extent that money is available for that purpose.

39 **Sections 1-14** of this bill define terms related to the projects for which the Bank
40 is authorized to provide loans or financial assistance and amend definitions relating
41 to the operation of the Bank.

34 conflict with the provisions of NRS 408.55048 to 408.55088,
35 inclusive ~~§~~ , *and sections 2 to 7, inclusive, of this act.* If there is a
36 conflict between such other provisions and the provisions of NRS
37 408.55048 to 408.55088, inclusive, *and sections 2 to 7, inclusive, of*
38 *this act*, the provisions of NRS 408.55048 to 408.55088, inclusive,
39 *and sections 2 to 7, inclusive, of this act* control.

40 2. The provisions of NRS 338.013 to 338.090, inclusive, apply
41 to any contract for construction work on a qualified project if all or
42 part of the costs of the qualified project are paid for using a loan or
43 other financial assistance from the Bank. The Bank, the qualified
44 borrower, any contractor who is awarded a contract or enters into an
45 agreement to perform construction work on the qualified project,

1 and any subcontractor who performs any portion of the construction
2 work shall comply with the provisions of NRS 338.013 to 338.090,
3 inclusive, in the same manner as if a public body had undertaken the
4 qualified project or had awarded the contract.

5 **Sec. 19.** NRS 408.55088 is hereby amended to read as
6 follows:

7 408.55088 Any division of the Department *of Transportation,*
