EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to local governments; revising provisions relating to the reopening of a collective bargaining agreement during a period of fiscal emergency; revising provisions governing the use of a budgeted ending fund balance; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law establishes certain mandatory subjects of bargaining in the  
2 negotiation of a collective bargaining agreement between a local government  
3 employer and a recognized employee organization. Among those mandatory  
4 subjects is a requirement that the parties bargain over procedures for the reopening  
5 and renegotiation of the agreement during a period of fiscal emergency. Existing  
6 law provides that a fiscal emergency exists for a local government employer if: (1)  
7 the amount of revenue received by the general fund of the local government  
8 employer during the immediately preceding fiscal year declined by 5 percent or  
9 more from the comparable amount of revenue received during the fiscal year before  
10 that; or (2) the local government employer, under certain circumstances, has  
11 budgeted an unreserved ending fund balance in its general fund for the current  
12 fiscal year that is equal to 4 percent or less than the actual expenditures from that  
13 fund during the immediately preceding fiscal year. (NRS 288.150) **Section 1** of this  
14 bill eliminates that method for determining the existence of a fiscal emergency and  
15 provides instead that the existence of such an emergency is determined on the basis  
16 of revenue shortfalls or other criteria agreed to by the parties as part of the  
17 negotiation of a collective bargaining agreement.

18 Existing law provides for the resolution of an impasse in collective bargaining  
19 through fact-finding, arbitration or both, but imposes limitations on the amount of  
20 money that a fact finder or arbitrator may consider in determining the financial  
21 ability of a local government employer to pay compensation or monetary benefits.  
22 (NRS 288.200, 288.215, 288.217, 354.6241) **Section 2** of this bill eliminates a  
23 provision of existing law which provides that, for certain governmental funds of a

24 local government other than a school district, a budgeted ending fund balance of  
25 not more than 25 percent of the total budgeted expenditures, less capital outlay, is  
26 not subject to negotiation and cannot be considered by a fact finder or arbitrator in  
27 determining the local government employer's ability to pay.

18 mandatory bargaining. The local government employer shall discuss  
19 subject matters outside the scope of mandatory bargaining but it is  
20 not required to negotiate those matters.

22 agreements as of May 15, 1975, at 12 p.m. remain negotiable.
