AN ACT relating to technology; creating the Emerging Technologies Task Force within the Department of Business and Industry; prescribing the membership of the Task Force; setting forth the powers and duties of the Task Force; authorizing the Director of the Department of Business and Industry to create an Opportunity Center for Emerging Technology Businesses as part of the Office of Business Finance and Planning; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 **Section 5** of this bill creates the Emerging Technologies Task Force within the
2 Department of Business and Industry and sets forth the composition of the Task
3 Force. **Section 6** of this bill generally requires the Task Force to develop certain
4 strategies and make certain recommendations with regard to attracting to this State
5 businesses that are engaged in the development of blockchain technology and other
6 emerging technologies and encouraging the growth of such businesses. **Section 6**
7 also requires the Task Force to annually submit a report of its findings and
8 recommendations to the Governor, the Director of the Department of Business and
9 Industry and the Legislature.
10 Existing law authorizes the Director of the Department of Business and
11 Industry to create an Office of Business Finance and Planning for the general
12 purposes of administering and coordinating programs to assist in the growth and
13 retention of business and industry in this State and to provide information to entities
14 engaged in business and industry about such programs. (NRS 232.522) **Section 9** of
15 this bill authorizes the Director to create an Opportunity Center for Emerging
16 Technology Businesses as part of the Office of Business Finance and Planning for
17 the general purposes of advocating for, assisting and supporting the growth of

18 businesses engaged in the development of blockchain technology and other
19 emerging technologies.
