

Senate Bill No. 50—Committee on
Legislative Operations and Elections

CHAPTER.....

AN ACT relating to the state personnel system; revising provisions governing the temporary limited appointment of persons with disabilities by state agencies; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

With limited exceptions, existing law requires agencies of the Executive Department of the State Government to make temporary limited appointments of persons with disabilities who are certified by the Rehabilitation Division of the Department of Employment, Training and Rehabilitation to certain positions in state service for a period not to exceed 700 hours. For purposes of temporary limited appointments, existing law requires a person with a disability who is certified by the Rehabilitation Division to: (1) possess the training and skills necessary for the position for which the person is certified; and (2) be able to perform, with or without accommodation, the essential functions of that position. (NRS 284.327) **Section 1** of this bill clarifies that such an accommodation must be reasonable.

Existing law prohibits an appointing authority from making a temporary limited appointment of a certified person with a disability if the certified person with a disability currently receives benefits from the agency of the Executive Department of the State Government in which the position exists. (NRS 284.327) **Section 1** of this bill removes this prohibition and requires that the receipt of such benefits by a certified person with a disability not be deemed to create an actual or potential conflict of interest for purposes of the additional prohibition in existing law against an appointing authority making a temporary limited appointment in circumstances where an actual or potential conflict of interest would be created between the certified person with a disability and the agency in which the position exists.

Section 2 of this bill makes these provisions become effective on October 1, 2019.
