AN ACT relating to energy; revising certain provisions governing the administration of the Fund for Renewable Energy, Energy Efficiency and Energy Conservation Loans; authorizing the Director of the Office of Energy to enter into agreements and cooperate with third parties for certain purposes; authorizing the Director to make loans from the Fund to qualified applicants for the construction of an energy efficiency project or an energy conservation project, the construction, expansion or operation of a renewable energy system or the manufacturing of components of a renewable energy system; authorizing the Director to use the interest earned from money in loans from the Fund and interest earned on loans made from the Fund to defray certain costs and expenses; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

- 1      Existing law establishes the Fund for Renewable Energy, Energy Efficiency  
2 and Energy Conservation Loans and authorizes the Director of the Office of Energy  
3 to make loans from the Fund for the construction of certain renewable energy  
4 projects. (NRS 701.545-701.595) **Section 7** of this bill authorizes the Director to  
5 enter into agreements or cooperate with third parties to provide for enhanced  
6 leveraging, additional financing mechanisms or certain programs for the purpose of  
7 expanding the scope of financial assistance available from the Fund. **Section 8** of

\* S B 6 0 R 2 \*

8 this bill expands the scope of financial assistance available from the Fund to  
9 include loans to qualified applicants for the construction of energy conservation  
10 projects, the construction of energy efficiency projects and the manufacturing of  
11 components of a renewable energy system, in addition to loans that are currently  
12 available to owners or operators of renewable energy systems for the construction  
13 of renewable energy projects. **Section 8** additionally requires the Director, before  
14 approving an applicant for financial assistance from the Fund, to consider any other  
15 funding sources available to the applicant if the applicant received money for the  
16 energy efficiency or energy conservation project from another governmental entity  
17 and further authorizes the Director to use the interest earned from money in the  
18 Fund and interest earned on loans made from the Fund to defray certain costs and  
19 expenses. **Section 4** of this bill expands the scope of financial assistance available  
20 from the Fund to include loans to qualified governmental entities and other  
21 applicants for the construction, expansion or operation of renewable energy systems  
22 or for the manufacturing of components of a renewable energy system.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1       **Section 1.** Chapter 701 of NRS is hereby amended by adding  
2 thereto the provisions set forth as sections 2, 3 and 4 of this act.

3       **Sec. 2.** *“Energy conservation project” means a project  
4 designed, intended or used to improve energy conservation or to  
5 reduce the wasteful, inefficient, unnecessary or uneconomical use  
6 of energy.*

7       **Sec. 3.** *“Energy efficiency project” means a project designed,  
8 intended or used to improve energy efficiency or to reduce the  
9 consumption of energy that is necessary to provide a certain  
10 product, function or service.*

11      **Sec. 4.** *“Qualified applicant” means a person or  
12 governmental entity engaged in:*

13      *1. The construction or operation of an energy conservation  
14 project;*

15      *2. The construction or operation of an energy efficiency  
16 project;*

17      *3. The construction, expansion or operation of a renewable  
18 energy system; or*

19      *4. The manufacturing of components of a renewable energy  
20 system.*

21      **Sec. 5.** NRS 701.545 is hereby amended to read as follows:  
22      701.545 As used in NRS 701.545 to 701.595, inclusive, *and*
