AN ACT relating to gaming; revising and repealing various provisions relating to the registration and oversight of gaming employees; requiring the Nevada Gaming Commission to adopt certain regulations relating to the registration and oversight of gaming employees; authorizing the Commission to adopt regulations providing for the issuance of a temporary registration as a manufacturer; authorizing the Commission to adopt regulations imposing an assessment on an applicant or licensee who is late or deficient in making certain filings; revising provisions relating to the approval of a game or gambling game; revising the definition of the term “information service”; providing that certain additional activities are included in the operation of a race book or sports pool; repealing provisions concerning global risk management; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law defines “gaming employee” to mean, in general, a person directly
2 associated with certain gaming operations and provides that the term includes
3 certain specified persons such as dealers, shift or pit bosses and security personnel,
4 among others. (NRS 463.0157) **Section 7** of this bill eliminates this definition of
5 “gaming employee” and **section 3** of this bill instead requires the Nevada Gaming
6 Commission to define the term “gaming employee” by regulation.

7 Existing law: (1) prohibits a person from being employed as a gaming
8 employee unless he or she is temporarily registered or registered as a gaming
9 employee; and (2) sets forth the process by which a person may temporarily register
10 or register as a gaming employee. (NRS 463.335) **Section 16** of this bill repeals
11 such provisions and **section 2** of this bill instead: (1) prohibits a person from being
12 employed as a gaming employee unless the person is registered as a gaming
13 employee; and (2) sets forth a new process by which a person may register as a
14 gaming employee. Under **section 2**, a person who wishes to register as a gaming
15 employee is required to submit to the Nevada Gaming Control Board an application
16 containing certain information and a fee in an amount determined by the
17 Commission by regulation. If the application is approved in accordance with
18 procedures and requirements established by the Commission by regulation, the
19 Board is required to register the person as a gaming employee. **Section 3** requires
20 the Commission to adopt various regulations concerning the registration and
21 oversight of gaming employees.

22 Existing law requires the Board, after a hearing, to suspend the registration of
23 any gaming employee who is an offender convicted of a crime against a child or a
24 sex offender and who is not in compliance with certain requirements relating to the
25 registration of such offenders. (Chapter 179D of NRS; NRS 463.335) **Section 16**
26 repeals such provisions. **Section 3** instead requires the regulations adopted by the
27 Commission governing the registration and oversight of gaming employees to
28 include certain requirements and procedures for the imposition of appropriate
29 disciplinary action against a gaming employee who is an offender convicted of a
30 crime against a child or a sex offender and who fails to maintain compliance with
31 requirements relating to the registration of such offenders. **Section 13** of this bill
32 makes a conforming change to reflect the changes made in **sections 3 and 16**
33 pertaining to the requirements for the registration of a gaming employee who is an
34 offender convicted of a crime against a child or a sex offender.

35 Existing law sets forth certain requirements and procedures governing the
36 suspension and revocation of the registration of a person as a gaming employee.
37 (NRS 463.335, 463.3353, 463.336, 463.337) **Section 16** repeals such provisions
38 and **section 3** instead requires the regulations of the Commission governing the
39 registration and oversight of gaming employees to establish certain standards and
40 procedures for the suspension or revocation of the registration of a gaming
41 employee and for any other disciplinary action to be taken against a gaming
42 employee.

43 Existing law prohibits, with certain exceptions, a person from manufacturing,
44 selling or distributing any gaming device, cashless wagering system or interactive
45 gaming system without procuring and maintaining all required licenses. (NRS
46 463.650) Existing law also sets forth various requirements and restrictions
47 concerning the licensure and regulation of manufacturers of such devices and
48 systems. (NRS 463.650-463.670, 463.750-463.770) Additionally, existing law
49 requires the Commission to adopt regulations requiring the registration of persons
50 who manufacture or distribute certain associated equipment. (NRS 463.665)
51 **Section 4** of this bill authorizes the Commission to adopt regulations to: (1) provide
52 for the issuance of a temporary registration as a manufacturer; and (2) enable a
53 person who holds such a temporary registration to manufacture and deploy a
54 gaming device, associated equipment, a cashless wagering system or an interactive
55 gaming system without obtaining any license or other authorization otherwise
56 required by the provisions of existing law governing gaming or complying with any
57 other requirements imposed by those provisions of existing law, except as
58 otherwise required by the Commission. **Section 4** sets forth various requirements
59 concerning the content of the regulations governing a temporary registration as a
60 manufacturer, if the Commission chooses to adopt such regulations.

61 **Section 5** of this bill authorizes the Commission to adopt regulations requiring
62 an applicant or licensee who is late or deficient in making any filing required by the
63 provisions of existing law governing gaming to pay, in addition to any fees and
64 costs associated with the filing, an assessment in an amount determined by the
65 Commission.

66 Existing law defines the term “information service” as a person who sells and
67 provides information to a licensed sports pool used primarily to aid the placing of
68 wagers on any kind of event. (NRS 463.01642) **Section 8** of this bill revises the
69 definition of the term to: (1) include the sale and provision of information to a
70 licensed race book; and (2) provide that the sale and provision of information can
71 be direct or indirect. Existing law also defines the term “global risk management”
72 and requires the Commission to adopt regulations for global risk management.
73 (NRS 463.810, 463.820) **Section 16** repeals such provisions, and **section 8** adds
74 certain activities included in the definition of “global risk management” to the
75 definition of “information service.” **Sections 11 and 12** of this bill make
76 conforming changes by removing the references to global risk management in the
77 Nevada Revised Statutes.

78 With certain exceptions, existing law prohibits a person from engaging in
79 certain gaming activities, including operating a race book or sports pool, without
80 procuring and maintaining all required gaming licenses or registrations. (NRS
81 463.160) **Section 9** of this bill provides that certain additional activities are
82 included in the operation of a race book or sports pool.

83 Existing law: (1) prohibits, in general, a gaming licensee from offering a game
84 or gambling game for play if the game or gambling game has not received a
85 recommendation from the Board or an approval from the Commission; and (2)
86 requires the Commission to adopt regulations governing the approval of games or
87 gambling games. (NRS 463.164) **Section 10** of this bill instead prohibits a gaming
88 licensee from offering a game or gambling game for play if the game or gambling
89 game has not been administratively approved by the Board in accordance with
90 regulations adopted by the Commission governing such administrative approval.
91 **Section 6** of this bill makes a conforming change to refer to a game or gambling
92 game being administratively approved by the Board.

93 **Section 14** of this bill makes a conforming change to reflect that certain
94 information relating to the registration of gaming employees is confidential
95 pursuant to **section 2**.
