

Senate Bill No. 9—Committee on Judiciary

CHAPTER.....

AN ACT relating to securities; creating an exemption from licensing requirements for investment advisers to certain private funds; requiring the Administrator of the Securities Division of the Office of the Secretary of State, who is the Deputy of Securities, to submit a biennial report relating to securities to the Legislative Commission and publish the report by certain other means; revising provisions relating to the adoption of regulations by the Administrator; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

The federal Dodd-Frank Wall Street Reform and Consumer Protection Act created an exemption from the requirement that investment advisers to certain private funds register with the Securities and Exchange Commission. This exemption applies to investment advisers who: (1) manage less than \$150 million in assets; and (2) advise qualifying private funds. (15 U.S.C. § 80b-3(m); 17 C.F.R. 275.203(m)-1)

Existing state law makes it unlawful for a person to transact business in this State as an investment adviser unless the person is: (1) licensed; or (2) exempt from the licensing requirements of this State. (NRS 90.330) **Section 2-4** of this bill create a state-level exemption from the requirement for licensure for investment advisers to certain qualifying private funds.

**Section 4** provides that the exemption applies to an investment adviser if: (1) the investment adviser solely advises one or more qualifying private funds; (2) the investment adviser is not required to register with the Securities and Exchange Commission; (3) neither the investment adviser nor any of its advisory affiliates have engaged in certain bad acts; (4) the investment adviser files certain reports with the Administrator, who is the Deputy of Securities appointed by the Secretary of State; and (5) the investment adviser pays a fee prescribed by the Administrator.

**Section 4** also provides that if the investment adviser advises one or more eligible funds, in addition to the other requirements for the exemption, the investment adviser must: (1) advise only those eligible funds whose outstanding securities are beneficially owned entirely by qualified clients; (2) make certain disclosures to the beneficial owners of the eligible fund; and (3) annually obtain an audited financial statement of each eligible fund and deliver the statement to each beneficial owner of the respective eligible fund. **Section 4** provides a grandfather provision for an investment adviser to an eligible fund whose beneficial ownership does not consist entirely of qualified clients if: (1) the eligible fund existed before July 1, 2022; and (2) the investment adviser complies with certain minimum requirements on or after July 1, 2022.

**Section 4** also provides that if an investment adviser becomes ineligible for the exemption, the investment adviser has 90 days after the date of ineligibility to become compliant with any applicable laws for licensing.

Existing law also exempts from the licensing requirements investment advisers who are registered or not required to be registered under the Investment Advisers Act of 1940 if: (1) the only clients of the investment adviser are other investment

advisers, broker-dealers or financial or institutional investors; (2) the investment adviser has no place of business in this State and directs business communications in this State to a person who is an existing client of the investment adviser and whose principal place of residence is not in this State; or (3) the investment adviser has no place of business in this State and during any 12 consecutive months it does not direct business communications in this State to more than five present or prospective clients under certain circumstances, whether or not the person or client to whom the communication is directed is present in this State. (NRS 90.340) **Section 6** of this bill provides that regardless of whether an investment adviser qualifies for an exemption from the licensing requirements under existing law, if the investment adviser advises a qualifying private fund, the investment adviser must also satisfy the requirements of **section 4** in order to qualify for an exemption.

Existing law also requires a representative of an investment adviser to be licensed or exempt from the licensing requirements before transacting business in this State. (NRS 90.330) **Section 6** provides that if a representative of an investment adviser is employed by an investment adviser who is exempt from the licensing requirements pursuant to **section 4**, then the representative of the investment adviser is also exempt from his or her respective licensing requirements.

**Section 4.5** of this bill requires the Administrator to submit a written report biennially to the Director of the Legislative Counsel Bureau for submission to the Legislative Commission and to publish the report on an Internet website of the Secretary of State or by similar means. **Section 4.5** requires the report to include, without limitation: (1) a summary of the states that adopted a model rule, regulation, exemption or like provision of the North American Securities Administrators Association within the 5 years immediately preceding the publication of the report; (2) a summary of the states that did not adopt any such model rule, regulation, exemption or like provision within the 5 years immediately preceding the publication of the report and a description of why each state did not adopt any such rule, regulation, exemption or like provision; (3) a determination of whether the Securities Division of the Office of the Secretary of State has the resources necessary to achieve its objectives; and (4) any recommendations for legislation relating to the protection of investors in this State.

Existing law authorizes the Administrator to adopt certain regulations and requires the Administrator to take into consideration: (1) the regulations adopted by the Securities and Exchange Commission; and (2) the regulations of securities agencies and administrators in other states. (NRS 90.750) **Section 8.5** of this bill additionally requires the Administrator to consider any model rule, regulation, exemption or like provision adopted by the North American Securities Administrators Association.

**Section 5** of this bill makes a conforming change to indicate the appropriate placement of **sections 2 and 3** of this bill in the Nevada Revised Statutes. **Sections 7, 8 and 9-11** of this bill make conforming changes relating to the exemption from the licensing requirements for investment advisers pursuant to **section 4**.
